I specialize in older Arabs that have good bloodlines. I'm proud to say that all of my horses have model parents! Right now, the number of Arabs I have for hire is very small because I find it hard to locate good older Arabs to use as parents, and I always use models as parents. I'm adding to our stock almost daily, so write every 3 months for an up-dated list! Send SASE of course! If you have any good older Arabians that can have 15 yo's or older, tell me about them cuz I'm bound to use them!

ARABIAN STALLIONS

*FORTEL-(*Tsar x *NB Martadah Belah) My 1st Beswick! A very handsome fellow indeed! He's the 'Xayal' in a flashy palomino w/white, white m/t/blaze & 2 sox. I'm only showing him in halter & EP. I just bought an english saddle set for him & it really sets off his color. He has horses like Comet, Aza Destiny, Person, Synbad, *Lask, *Witez, *Naborr, Sotep & Ofir on his Mom's side! Of course *Tsar speaks for himself. A low fee of 10¢ is all for this 22 yo.

*KASZTEL-(Perseyn x Zgem) His color is WOW! A deep, deep glossy brown that you can see your reflection in. His black m/t & wt. blaze w/2 sox really sets that color off. He practically always places in the color classes. I'm showing him in halter & WP. His saddle is black, which matches his m/t & goes well w/his coat. Now for his credentials! He's 18 yo & has horses like Sotep, Raffles & Person in his pedigree! Really has a great thing going for himself! 10¢ fee.

*ZAIL-(Simraf x *NB Martadah Belah) He's one of the rarer Beswick molds, the Arab horse on Pottery stand. I picked him up by way of Linda Walter & she praised him so much that I couldn't wait to get him! She said that she'll definately have to get one like him for herself. He's 24 yr's old and definately my favorite model. I can't wait to get pix. of him (I have professional pix. taken of my models & good pix. combined w/his flashy trot should be enough to make any judge swoon!) He's a glossy brown w/bk, m/t plus 2 wt. sox & an adorable wt. star. Definately a winner! 10¢ starting fee.

ARABIAN MARES

*COSMOSA-(*Tsar x *Sarrah) 3/4 sister to the well known *Czar! She has a style of her own, a high flashy trot that is bound to make her a winner. She'll be shown in halter & probably harness, though it's hard to say, I may show her also in park or dressage; she'd show well in any class! J. Dutzman (owner of *Czar) says that *Cosmosa's breeding is the closest anyone will come to *Czar's. It's hard to believe that w/*Czar's black coat, *Cosmosa is a dapple-grey! She's open for 16 more foals, 18 or younger. 25¢ fee.

*JAHSAN-(*Sagr x *Gadiana) I'm sure you've all heard of her, folks, so I won't tell you about her pedigree. She's the glossy palomino Beswick "Palomino" w/2 wt. sox & a nice wt. blaze. She looks so Arabish, especially from the front! This is our newest arrival, just got here in time to be on the July listings. I'll probably show her in halter classes & harness. She's only been here a bit so I haven't tried her out to see what she's good at. She's open to 16 foals, 16 or younger, 25¢ fee.

TO BREED: A) Info needed-foal's name, birthdate, or age; make, sex, description, & name of other parent. B) Fee & SASE. C) Foal must be 2 yrs. younger than sire or w/in age limits of the mare. D) If the foal is a partbred, the fees doubled.

Thank you!

~~~~~  
Your editor here...would anyone like to debate this?? There's NO SUCH THING AS A PUREBRED ARABIAN COLORED PALOMINO!!!! Breyer, Beswick, and nearly every other company has made the same goof w/this color as they did w/the App family stall/mare being appaloosa and black w/a white m/t. OK, the companies goofed,...but I believe these models should be shown as partbreds, morabs, or SOMETHING, but NOT pure-bred Arabians!!! If you'll notice, in Arabian News or Arabian Horse World, you've never seen a pix. of one..at least I haven't!

Foaled this spring on Shadow Ridge Ranch was a little grey stallion, w/wt. spots on his hips & 4 wt. sox, and, a large wt. star on his forehead. Foal's name is JAYJAY, his dam is Cherry, and sire is POA Pony, unknown. Jayjay is starting to change color, he's now more of a reddish w/same wt. color markings. He wasn't the only foal born at the ranch this spring, a bright bay stallion was also foaled, a QH/App w/a small wt. spot on his forehead. His name is HIGHBOY, and his sire is Palmero, a QH, & his mama is Black Magic, the app. He's more friendly than Jayjay is, Highboy will come right up to you, and Jayjay will not. Both babies are REAL horses, as are their s/d's (of course!) and they belong to my sister Betty. (TE-After seeing pix, they're both adorable!) So now why don't all you peoples pick up a pen & tell me about your foals, model or real! (TE-speaking for foals, I may as well announce here that I bred PM again, and will have a Grandson of SUPREME SULTAN next June!! To those of you who know SB's, Supreme Sultan is sired by Valley View Supreme, both TOP sires in the nation! Don't ask me what I'll do w/it, tho...am kinda hoping for another filly.) Write to Helen Rankin, RR 1, New Hartford, Iowa, 50660. PLEASE WRITE!!! Bye!

RACK ON..... By Tina English

Howdy! This month I'm pleased as punch to hear from Susie Watts of Top Flight Farms: "Hi, folks! I've just started to subscribe to the HSR & think it is great & Tina is doing a great job w/it. I'd like to tell you about a few of the S-bred's here. Our newest stallion is THE EXORCIST, who's the Brey. #52 folcked a beautiful seal brown. He has a white blaze & 4 wt. sox. He's sired by Compulsion and his dam is Possessed, foaled in '65. He hasn't been shown yet, but we hope he'll be showing shortly in halter & perf. classes. Our favorite SB mare is CAI LA CREME, a Brey. #52 rept. gorgeous golden chestnut w/flax. m/t & 4 wt. sox. Creme was sired by one of our stallions, Blazing Wing, and her dam is Commander's Melody. She's been shown lightly in halt. & a few perf. classes. We were so proud of her when she came home from the NAMP Spring Show w/Res. Grand Champion! Our newest SB is the H-R A458 mini white S-bred, named CHAFFILLY ROSE (named after the Champ 5-Gaited mare at Devon this year.) She'll be showing shortly in halter, so watch for her. See ya'll in the ring!"

Thank you, Susie, for that great write-up!! That was my last one, so y'all get busy & WRITE!!! Tina English, RR 1 Box 247, Spring Hill, Ks. 66083.

### SPOT-LIGHT ON APPALOOSAS

By Katie Richards

Well, I looked & looked around this month, and didn't find any write-ups!! If any of you have sent one, and didn't get it printed, please let me know! I'll refund your stamp & try & find it. Meanwhile, here's one of my apps to address the assembly: "Howdy, I'm SNOKE ON THE WATER, an app mare, dark brown w/an extensive wt. blanket, brown spots, bk. m/t & blaze. I've just gotten the results back from my 1st 2 shows. In each, I got a 1st & many smaller placings. I'm very versatile, being shown in ALL events. My Daddy is Sprint, a true-blue Thoroughbred stallion here at Bitterroot. Thus, I'm a half-sister to the good stallions Medicine Bow & Something's Up. Mom is Columbia Salmon, making me half-sister to Techkovany Prdel. My 1st foal is an adorable filly named SWEET CONCORD. She was named after Sir Lancelot's horse in the movie, "Monty Python & the Holy Grail." She's the small HR "Zilla" rept. by Katie to dk. brown w/small lace blanket. She's chock-full of appy characteristics, but w/the T-bred speed & heart, she should do great in the ring when she gets her pix. I better shut-up for now." Bye! PLEASE WRITE!! (TE-C'mon, you guyz!! Write these poor deprived columnists!!!) Katie Richards, 3835 S. 7th W, Missoula, Mont. 59801.

\*\*\*\*\*  
MISSING!! Our Stablemates column, in which I have a correction about Katie's hoss: Instead of him being rept/rem, as was printed, he was actually Katie's 2nd remade & REPOSITIONED model. Please write Joan David, so she can send in those write-ups!! Glittering Gentling (on my!) I mean GELDINGS, has been missing for quite some time, so write Jean on that!! Also missing: Palmino Parade/Celeste Proe, Plantation Walker & Bird Currie (THIS COLUMN IS UP FOR GRABS AGAIN, and Bird doesn't even subscribe anymore); FRAGILE FRIENDS/Kathy Scott..please write her about your chinaS!!! As far as I know, the Standardbred column never did appear, and is no more. Again, I repeat myself.. DON'T VOLUNTEER UNLESS YOU INTEND TO KEEP UP THE RESPONSIBILITY!!!!!! Thank you!

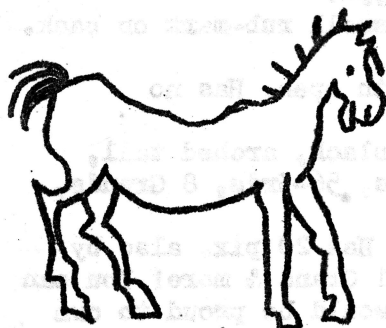

Thanx, Lauren! (PE-if anyone talks to her, you can tell her she's getting her write-up featured! Lauren vanished into thin air about a year ago! Hee!) Write me!!  
Helen Rankin, RR 1, New Hartford, Iowa, 50660.

HORSES OF THE DESERT

By Karen Heinitz

Howdy! Helen Rankin wrote in this month about a couple of her Arab beauties: "Sky Line Arabians (a div. of Shadow Ridge Ranch) takes great pride in introducing STAR GAZER. Foaled on Jan. 3, 1963, he's the son of Cheval Daalda Dytan and Cheval Elmwood Jolly. This beautiful dapple-grey stallion has sired 9 foals & won 2 awards certificates. Star is IAH/BABR registered. Star Gazer will be up for services this year only. DONARA is another stallion we are very proud of. He's the son of Desert Ransom & Lady Whippoorwill. This dk. bay PA stall. has won Res. Grand., Perf. Champ, & Halt. Champ. For a young stallion, he's done rather well. He's a proven sire of a set of twins, as well as several others. He's also standing to outside services this year, & next, like Star Gazer, Donara will be gelded."

Thank, Helen! Everybody Please write, only one more write-up left!! Karen Heinitz, 2831 Friendship St, Iowa City, Iowa 52240.

Well guyz, ya don't have to put up w/Puerto Rico this moth, good ole Helen Rankin spared us all! "The #1 Paso Fino here at Shadow Ridge is EL-LOBO DE SOLANA, a handsome dark bay w/3 bk. pts, 2 wt. sox & a wt. star. The disposition and conf. of this stallion are excellent. El-Lobo has only been shown a few times, however, he did win some ribbons. He's shown west, eng., harn. & halter. Next comes LEGIONARO DE SOLANA, the only foal of El-Lobo. Like his sire, he's a dk. bay w/bk.pts. & the only white is the star on his forehead. Legionaro will soon be shown, so watch for this fine gelding. We mustn't overlook Legionaro's dam, CORISTA DE SOLANA, a beautiful chestnut mare w/flaxen m/t & 4 wt. sox. Like her son, Corista is unshown, cuz she's been busy as a broodmare. She'll be shown this fall & winter, and will be a flashy mare in the EP class. MORA DE VASQUEZ is another chestnut mare who makes her home w/Shadow Ridge, as does the stallion EL-CARMELO. The stallion will be shown this fall in harn. & eng. Mora de-Vasquez won't be shown as she's in foal to El-Carmelo. Carmelo is a black w/wt. star & 3 wt. sox. He's the only paso fino open to outside mares here. Corista is also for hire, she's open to foals aged 3,5,6,7. For more info, write me, Helen Rankin, RR 1, New Hartford, Ia. 50660."

Wow, they all sound just super, Helen..you have quite a herd of Pasos up there! Till next month, WRITE! Cheryl Williams, 1825 Wash. Ave. SE, Cedar Rapids, Ia. 52403.

GIRL TALK By Cheryl Williams

Well, no write-ups, so here's MIDNIGHT HI-JINX to tell you about herself: "Howdy! I'm Midnight Hi-Jinx, and My parents are Cowatchy Bill & Ebony Queen, and I'm a 3 yo black QH mare w/wt. star & 4 wt. sox. I was a Res.Nat'l Grand Champ, and I placed real well at Tina's live show. I'm shown in EP, WP, halter & trail. I'll also do some calf roping. Cheryl was very grateful that Helen Rankin sold me to her! She's very please w/me. The only thing I'm not very happy about here, Helen, is this big, black T-bred stallion..he's really pushy,,anymares got any ideas how to 'turn him off?' (Hi-Jinx, this is Fantasy in Silver, one of Tina's mares...why don't you try hiding his mirror & Skunk #5 parfum, and watch him friek out w/despair!! He'll stay off your back till he finds them so he can be sure he's sufficiently dashing.) Any more suggestions? Write me!!!" C' mon, galz, get your mares a-talkin'! Addy above.

NOTES FROM THE EDITOR.....

Howdy! First, to business: DEADLINE FOR SEPT. ISS: August 25th. SUBSCRIPTION FEE FOR ONE YEAR: \$3.00 1st class only. AD RATES: 50¢ full pg, 25¢-half page, 15¢-less than half pg, 5¢-20 words or less. Also, I'm TOTALLY out of cover models, so unless you want to see mine on the cover, SEND SOME IN!! And, a GREAT HUGE THANK YOU to Cheryl Williams for bringing in \$10.00 for the H.S.R. w/her Benefit show!! Thank to all who entered & helped out!!! Remember Helen's show is in August, please enter!!

Next, here's some clarification on the confusing events of the past month pertaining to Muscles. We DID move him from Jim's stable, due to his incompetence.. surely if he'd been left there any longer, he would've had him lame. (After talking to a few old clients of his, I found he was quite famous for r uining good horses.) He's now at an excellent trainer's barn, Randy & Janet Harper of Cedar Creek in Lees Summit, Mo. The barn is o/b Buck Hinson, and has been there for quite some time, some of you may have heard of the place. Randy is from Kentucky, and just moved in there a little while ago. I haven't made a definatate descision yet, but Randy has offered me a job there as a groom, and to learn training, part-time while I'm going to school.. there's also a real close trainer (only 7 mi. away, as compared to Randy's 40 mi. distance from here!) who just moved in, but I hear he's irresponsible, and I could go to work there, too..altho I believe I'm leaning towards Randy's barn more! I really like it over there, even tho it's a long drive..and, I'll be w/Muscles. He racked today for Randy, only the 3rd time he'd been ridden!! I rode him 1st, then Janet, now Randy. Randy'll work him for 15 more days before he'll start teaching me and Muscles together.. Anyhow, I hope all will work out..keep your fingers crossed. Happy showing till Sept.!!
