Summer's nearly gone, can't believe it! Hope everyone had nice vacations. Carole Padgett donated 10 beautiful trophies to our club, they'll be used as Gr.Ch. of show awards at our GMHR Benefit shows next year, thanx alot, Carole! Speaking of GMHR Benefits, c'mon people, you members that've never held one, please let me know what month is best for you. Also to save ad cost, we're going to have our benefit shows all the same, same classes, awards & cost, on a certain weekend of the month, (ie, like other club's point-only shows.) This & new club rules will be in Jan.'81 iss. of the HSR, & will also be available for new members after 1st of the year. Speaking of new members, we have 1 this mth: Jackie Piersel, 227 Santee Pass, Brookings, SD, 57006. we hope you like the club! Some of our members expire soon, they are: Michele Jay, Kris & Kathy Kipping & Cecile Bellmer, all expiring in November. Please rejoin! I ordered year-end trophies, they're beautiful. They should be here in about a month. I'll type up results of the questionnaire we had in July for next month, alot of our members have already responded, that's gr-8!! But if any of you haven't, now's the time! The only added \$\$\$ to the treasury is the \$1 membership, & when I go get the trophies, I'll let you know what the cost was & the balance is. I hope all entered Crystal's benefit shows in August; will hopefully have results next mth. That's it for now..until next time, take care! Diane.

EVERGREEN STABLES PRESENTS.....BARON VON RICHTOFEN (Riblertao x Sand Verbena)

One of a breed of horse that has yet to be really established in the US, for not many are used as yet. He's a fine specimen of the great Holsteiner Horse whom is not heard or read much about. He's a very beautiful & well-bred animal. His natural jumping & quick turning ability make him a perfect horse for hunt/jump, gymkhana, & many other events. "Baron" is a blue roan w/hair m/t & 1 wt. hind sock. He'd make a fine sire for your next champion! Want an unusual breed?? Want an outstanding-bred horse? Breed to one of the best of his breed. "Baron's" fee is 10¢ plus SASE for certificate. We also have a beautiful TWH stallion, a very nice son of Colonel Delight, "Blue Water Delight" - watch for him! We have others of various breeds for hire, stallions & mares. That's all for now..Thank you! Evergreen Stables c/o Kris Kipping, 2626 W. 14th Pl, Yuma, AZ, 85364.

MAHASKA STABLES INTRODUCES: **SPECTACULAR RISK** (Spectacular Again x Touch of Reproach). In the March of '73 the mare Reproachful Lady was bred to the stallion, Spanish Sonata, hoping for a pinto foal to follow in his father's footsteps. Instead, however, on Feb. 5, 1974, the palomino colt Spectacular Again was foaled. The quest of a black/wh. pinto foal was abandoned by us, & we continued breeding solid paso finos. That year, Reproachful Lady was rebred to Proof Once Established, & rewarded us with a lovely filly, TOUCH OF REPROACH, a sorrel filly, who became a champ at her 1st show! In '76, "Touch" was 1st bred to Spectacular; and although the results were nothing unexpected, produced a colt, TOUCH OF GLORY the following year. (Touch of Glory is a blue roan & is so far unshown, but will be!) She was rebred to Spectacular Again that year, and on 2/5/78, she dropped a foal, the answer to our original dream..yes, the foal was **SPECTACULAR RISK** a flashy blk/wh. tobiano colt. Spectacular is now a 2-year-old, & will begin campaigning in halter this season!! Watch for him at your shows! He's standing at stud this fall for those interested; his fee will be 25¢ & an SASE for '81 foals only!! Jackie Piersel, 227 Santee Pass, Brookings, SD, 57006.

The benefit for October is being held by Monica Wike; see classlist this issue!!!! We still need MORE volunteers, in addition to being able to send out 80+ copies of the HSR per month, & 30¢ cost per-stencil, it's going to be hard to "get ahead" & get out of debt; The HSR still owes \$325, approx.!! So please help out; hold any kind of fundraising event!! I still haven't been able to sell the old ditto machine (anybody want it? Hee!) If I can get rid of it, I can hopefully get \$120 or so, but so few places use them anymore, it'll be hard to sell. PLEASE help!!

Deadlines: For October iss: Sept.1. For Nov.iss: Oct.1. For Dec: Nov.1st.

Dytheway..the photo cover from last month was an unusual luxury; I'll continue to do it as long as I can, but I have to 'sneak' copies off the machine at work, so I have to do this carefully. Hee! They don't mind a few at a time, but can't run off a whole bunch. So, don't get spoiled! Hee!

RACK ON.... o/o Tina English, RR 1 Box 247, Spring Hill, KS. 66083

Hi! Here at Mahaska Stables we're the proud owners of 5 ASB's. The 1st is Critical Point (Flame of Dawn x Lady Hester), a '74 bay stallion. He's reg. w/AMGHA & is presently unshown, but is now getting pix. by T. English, so watch for him. He is the Brey. SM ASB in OF. Next is Elegant Lady (Logan Sackett x Caprice), a black mare foaled in '74 & AMGHA regis. She's been shown in halter accouple times, & does fairly well. She's a Br. 5-gaiter rept. w/bk. hair m/t added. Our best shower, is Box Haven Postman, a '74 palo. gelding, shown in halter, harm. & ep. He's only been shown twice & has several 1sts to his credit already! He's now starting a more extensive campaign, & we expect him to become a champ! He's a Brey. 5-gait. Rept. by BRMS Originals/T. English, & he really stands out! He's shown exceptional ability in S-seat competition. Next, is One of His Generals (Stonewall King x Sonny's Lady Heir), a '72 dap. grey stallion. He's AMGHA regis. & also unshown up til now, because he's a Br. SM, but he's also getting photos @ BRMS. Finally, there's our ASB stud, Stonewall's Prodege (Count Stonewall x Sonny's Lady Heir), a '76 dk. liver chestnut. He's also rept. by BRMS/T. English, & is just beautiful! He is also AMGHA regis, & has had a very limited show career, but like my 2 SM's, he's 'way off down in Kansas getting his photos taken, so wath for him, folks! He's really going places!! He does have a Halt. Champ. to his credit which he earned with his previous owner. Bye for now! Jackie Piersel."
