Through rain, snow, sleet, etc., a model horse shower shall never give in! L. Kelly, I'd like to take over your club BVHC. Tried to write, letters came back. Please contact Phantom Horse Farms, Gloria Kitchell, R#1, La Cygne, KS 66040. Thanks-- will refund your stamp! (Ed, Sorry, my goof on address messed you up. Still the P.O. should have gotten it there...)

BLACK HORSE RANCH WISHES TO ANNOUNCE THE ARRIVAL of a new member of our aviation stables: a North American T-28A 'Nomad' (ex-Air Force). This new bird is undergoing restoration by us & will be flyable shortly, then it's off to the air shows. We'd appreciate any info/mag. articles on the color scheme for this 'plane, stamp refunded. We welcome the Nomad to our current fleet of a/c, a Cessna 180, Cessna 150 & Eipper-Formance Hang Glider. Aviation Buffs, write! Karen Clemens, ;0358 McBroom St., Shadow Hills, Ca. 91040. (Ed. Ran this ad 'cause many of her horses are named for aviation pursuits, so thought you'd like to see 'why! Bye...

LAST MINUTE ED. NOTES! READ!! If you should get a blank sheet by accident please send it to me or state which was missing & I'll send you the full page. Sometimes they do get by me though I try hard to catch 'em all... Next issue should see some reports on live shows as well as showing in England (yes, they are getting going there too!). If you have additional info on any such subjects of interest to the model shower, please send it to LW (Ed.)... We are facing the necessity of buying a new typewriter in 1977 or sooner. So I'm shopping around for a good one & can use any suggestions on makes, models, type-face, etc. You see, I'm blank on 'em

* THE MODEL HORSE SHOWER'S JOURNAL *

December 1976

MERRY CHRISTMAS, HAPPY NEW YEAR & HAPPY HANUKKAH! Welcome to the MHSJ to you all, and here's hoping the well-wishing ads this time please you all. This is a BIG issue and regrettably many ads which arrived after the deadline were moved to the Jan.'77 issue. A few columns were also pulled & I apologize to their hard-working writers! Responses to the listing of stable/farm names is running slowly, but hopefully by the beginning of January more will be in. Will try to run the list in the Jan. or Feb. issue..There are a ton of models for sale this time, more to come next issue too, whew. There goes the budget..A few of you may not get the insert this time, alas. I've seen the little circus wagons/teams & they're smaller than the SM's but very cute--make nice additions to a collection. If you don't get a sheet, let me know & I'll share mine, but hopefully there'll be enough to go around (3rd class definitely). Must dash! LW

SUBSCRIPTION RATES: single issue USA monthly 70¢, Canada 85¢, 6 issues USA \$4, Canada \$5.40, 12 issues USA \$7.50, 12 Canada \$10.35. If you wish 1st class mailing, add an additional 50¢ to EACH issue. Copies are limited & late arriving requests are sent the next issue unless additional postage is paid. If you miss the bulk mailing, automatically the subscription begins with the next issue. These rates VOID all others in magazine, book, tack ads, tack maker's ads, etc. ALL copies go out TOGETHER! If your sub. fee is in by the 10th of the month preceeding the month date *on the issue (10th of Dec. for Jan. '77, 10th Jan. for Feb. '77; etc.) you'll get that issue. If you think you missed the bulk mailing, add 20¢ (NOTE!! NEW!!) to cost of issue. If there are stamps on it when it arrives, you missed the bulk mailing. If not, then you'll have 20¢ credit on the books here. On 1st class rates, I prefer you not pay for more than 6 months at a time because of the tendency of the postal system to raise rates. (I will still accept a few disc. models in trade for sub/ad fees.)
MOVING?! I AM NOT RESPONSIBLE for copies lost in the mail at any time. Get new addresses in to me at least 4-6 weeks in advance of the move! The bulk seal mail WILL NOT BE FORWARDED. The postage is paid on them only so far as the address listed on them, and they'll NOT be sent on. There is NO way I can speed up mail delivery either. Once out of my hands, they are the responsibility of the U.S. Mail Service. Sorry! In 1977 I'd like to get issues out even earlier (proposed mailing date for this Dec. issue is Nov. 15th) so do YOUR PART & get things in early, sub renewals in fast & ads clearly written & ready to type up onto the stencils. THANKS!

DEADLINES: For Jan. issue=Dec. 1st, for Feb. issue=Dec. 31st! LOOK!!!
AD RATES: \$2 for classlist 1 page/under, \$2 for stable ad 1 pg/under, \$2 for long list items for sale 1 pg/u, etc. NOT all that can be crammed onto 1 sheet of paper. Allow for differences in type facing too. The \$2 fee means you get as much space as is required to run that ad, not necessarily a full page. If the ad runs over onto another page, additional fees must be paid. I reserve the right to edit copy & reduce drawings due to limited space in each issue. Mixed ads are not acceptable, such as 1 classlist w/for sale ad attached, stable ad w/classlist, classlist & registry ad, etc. ONLY as much as is paid for will be run. Ads are run as soon as possible, space allowing. Dated materials get priority. Late ads subject to return to sender or run space-allowing in that issue or moved to next issue. SMALL ADS: These rates do NOT apply to stable ads, classlists OR the likes. 1-20=words=10¢, 21-40 words=20¢, 41-60 words=30¢, 61-80 words=40¢, 81-100 words=50¢. If your ad falls in between, like 56 words, then you pay the FULL 30¢, do not round off to fractions of cents. Do not count your name/address in small ad word count. Send SASE for guesstimate of ad costs. Thanks.. I'm not responsible for things bought in the MHSJ, not mailed. This is a meeting place for all showers.

Marlene Kosanke, 8123 W. Margaret Ln., Franklin, Wis. 53132

MERRY CHRISTMAS! I know of 1 new arrival who is really going to enjoy her 1st Christmas! She is CARRIE SHANAWAY, a bouncing baby girl born back in May. Carrie is the first child born to Cathy Shanaway. Late reports some new horses at her Daybreak Farms so let's bend an ear! Discovered at a flea market for \$2.50 was DARBREAKS CARRIE N' ON, a dap.gr. glossy Breyer run. mare who will be shown as an App. From Montreal, Canada, came a br.Bes. mare/foal still unnamed but maybe 'Santa' will take of that?...Ho, ho, ho! Looks like Jan Snyder has gotten ahead of Santa. New at Bellhaven Meadows (& wishing for snow) are RED MESA (glazed Lefton Mor ab geld.cantering horse), TRY ME TOO (Brey. POA geld.), the Shafford Equestrian Series QH, Brey. SM QH mare, JO bay in-action Sad., a rep. Lefton strawberry roan mare, & ASSAN AL TSAYEK (dap.gr. repositioned Fam. Arab geld.)...Now let's pop in on Leesa Palmer as she trims a tree in her Diamond Mountain Stables while her horses watch. Trying to sample the tree is ABORRA BAHAA (wh. Shafford Arab #131). She's sired by the LCR Res. Natl Champ Arab, *Naborr. Moving in for a better view is the well-known mare SYBIL'S FANTASTY (formerly Candy Spots when shown by former owner Sandy Simonds). Fantasy is the Brey.run.mare rep. dk.chest.App w/long flowing hair m/t. She was a multi-Ch. w/SS & Leesa hopes she'll do the same for her. Sporting a big red bow is FARAWI SERAJ (Brey. Fam/Arab stal.now a geld.) rep. steel gr. w/blk pts. He was rep. by D.Nelson & was sired by her multi-Ch.stal. Sahara Seraj...Karen Yungkurth changed her stable's name to ELDAMAR ARABIANS, WIZARDS VALE STABLES. As a result new horses were added also, WR ELDARION is an H-R Palo. 'Forever Amber' & ELDAMARS ELDARYN is a gr. H-R Zara Arab mare. Two new Beswicks include EL.*KALESYNS (dap.gr.Arab stal.) & *AL PHARAZON (bay Arab stal.), both 'Xayals'. In the Breyer line there is EL.ROHERYN (PA stal. rep.rem/haired in wh. w/blk. pts.) & ELDAMARS KHELDEREK (another rep/rem/haired of the Clas.Arab stal. mold), who's all white w/blk. marks on his face. Last but not least is ELDAMARS MITHRIL, a disc. glossy char.run. stal. Good luck with your new new & your new horses!...If we can thrash our way thru the snow we'll see what's new with Laura Hornick. Cute as a bug is SONKISSER (bay Brey. TB suckling foal) who's happily munching a carrot. To change the season, there's WHATA SUMMER, an Enesco gr.run.horse & WINE & ROSES, a china bay Welsh geld. on unknown make. Back to winter, we see none other than VIXEN (Lefton H2212 gr. TB foal) who's 'horsing' around (ho ho) with I'M A CAPTAIN, the Lefton bay run. foal. Silver bells? Well, close. SILVERTAIL is the Lefton run. Arab gelding...That's IT for '76 folks, aren't you glad? Have a Merry Christmas & a Most Happy New Year! Thanks to all, especially our fearless editor who has to type all this. Hope you enjoyed another year & will join me again in '77. Take care & keep writing in! (With the Christmas & Hanukkah rush in models, please limit yourself to 3 top models you might receive as gifts. This will give all a chance to be featured. And please tell all you can about the model? Thanks! HAPPY HAPPY!) (*) (*) O (*) (*) O (*) (*) (*) O (*) (*) (*) O (*) (*) (*) O (*) (*) (*) O (*) (*) SHADOW OAK FARMS INTRODUCES 'A NEW BREED'. BUCKSKIN HORSES Heidi Heinlein, 240 Wall St., Eatontown, N.J. 07724
 At Prado Verde Stables the best Buckskins are 2 stallions, DUTCH UNCLE & OLD BUCK McCUE. Both are versatile multi-Champions in the showing, & top sires, w/over 75% of their foals being buckskins! Dutch Uncle is the Breyer #98 (great versatile mold!) & Buck is an old, old glossy Hartland.

WINTHROPS FAITH is a Breyer grazing mare rep. by Sherry Cook into a lovely golden buckskin w/blk. pts. Pauline Savelli is this mare's proud owner & states the mare is a multi-Champion in halter & soon will show in WP & trail...Happiest of Holidays to all, and hope Santa leaves lots of buckskins under the tree, in your stocking, under the bed, in the bathtub and so...(Ed.Hmm, guess the column got to ya, eh?) ..... QUARTER HORSE CHATTER Linda Schneider (still full!)

Merry Christmas to all & since everyone gets something new for that Day, here is a brandnew stable, the PARADISE RANCH of Wayne & Paula Nelson. Their foundation mare is PARADISE STARLA, a dark Palo. mare w/blaze, 2 half-stockings & 2 full stockings. She has been shown once & took 1st in a class of 32 mares. Her 1st foal is PARADISE BAR, a dark sorrel w/blaze & 3 stockings. He's headed for all phases of western & English performance classes & his bulldog conformation should stand him in good stead in the western classes. PARADISE KING is a dk. brown gelding w/star, snip & 1 half-stocking behind. The Nelsons say his conformation is the best on the ranch but he was gelded to make him a tip top showhorse. (He has since been sold as well as shown to several Championships.) All of these horses are rep/rem by the Nelsons & they will also 'customize' your horse if you so desire. I can vouch for their work because I've seen via photo some of the horses & believe me, they are tops. Good luck, Wayne & Paula, in the world of model showing. See you all next year!

 BESWICKS Jan Meixner (full) This time we have Leesa Barnett of Cloverleaf Stables who has 13 Beswicks! First there's NORTHERN LIGHTS OVER ALCONBURY, bu Linda's famed *Alconbury Hill, out of Leesa's mare Brandy. He is, of course, that lovely Beswick App 1772/9702. (By the way, has anyone noticed the App & the TB are the exact same model, but different colors?) But her favorite Beswick is THE CANTERVILLE GHOST, a 6 yr. old Morgan stallion in lt. dapple. She says he was listed only as 'The Francer' & is probably either #1261 or #1549. He needs good parents badly... Next comes BILOQUIST, the #818/8760 Shire mare in brown, almost impossible to acquire in the U.S.A. Also there is GIPSY'S WARNING, #1373, the Bes. Pinto in bl/wh piebald & a real beauty. Since he is no longer in the catalog, I'd venture to guess he's disc. (Ed. Still made but only available in England or special ordered. Cute little fellow!) Thanks, all!

EVENSTAR proudly presents our WELSH MOUNTAIN PONIES!! Our new division is named ROSE WELSH MOUNTAIN PONIES & all of our mares & fillies have 'Rose' in their names. We'd like to introduce our best to you here...

Our foundation sire is *RHODRI, a rep./haired blk. H-R 'Amir' with no markings, quite stunning! He was foaled in '63 as was his favorite mare, *WILD ROSE. She's ebony blk., is an H-R 'Forever Amber' & has had a foal, *NIGHT ROSE, a 'Zilla' repainted black as night. They should do well in shows by the time you read this.

*ROSE OF SHARON, a rep/rem grey Clas. Arab mare, is also by this royal cross. She's unquestionably 1 of the loveliest mares I've ever seen being an elegant pale grey w/dark shadings, stockings & hair m/t. One of her 2 foals is REALLY ROSY (golden bay rep/rem. Clas. Arab foal) & the other is ROSANA (dk. bay Cantering Welsh by Jo Maness's CEDAR PARK SANDPIPER, a multi-Champ. Rosana herself is a Res. Grand winner & multi-Champ. Blood tells!...PRYDERI (*Rhodri x Wild Rose) is a stunning golden bay rep/haired Amir gelding. His full brother is *CEFFYR (Welsh for 'horse') & is a lt. rose grey, also a gelding... *PENDRAGON is our only other stallion here. He & his family were just brought in from Wales. *PENDRAGON is the orig. fin. silver dap. Beswick Welsh, *GWENIVERE ROSE is a Forever Amber rep. silver dap. & *EXCALIBUR is a Zilla foal also silver dap. They'll hit the showing soon & appear to have tons of potential!... *SIR LANCELOT (*Rhodri x *Wild Rose), *WILD IRISH ROSE (*Pendragon x Rosy Love, new mare), and ROSE OF PEACE are rep./haired white H-R Arabs... Last but never least is our upcoming star, *ROSE DREAM STAR, a Zara rep/haired to an exquisite pale grey w/darker shadings, dk. hair m/t, etc. She's beginning what is to be a brilliant show career, watch for her!

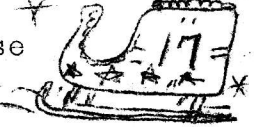

I'll buy some Welsh Ponies of Clas./H-R size, but must change name. Will pay good price for them or trade rep/rem. for orig. fin. rose grey Arab H-R's. If you can think of a good name w/Rose in it, please write--I'm running out of names! Will refund stamp if interested. ROSE WELSH MOUNTAINS, Sherry Lindon, 16035 Tupper St., Sepulveda, Calif. 91343. Thanks...

Or if they specify they'll pay the postage, then leave it out, but for the most part play it safe & send one, okay? New people, the SASE is a must! Thanks for reading!

HOOFING WITH HARTLANDS: Laura Hornick, Baker Hall, 129 W. 12th Ave., Columbus, Ohio 43210.

Our visit today is with Anne Conrad of Midnight Stables. She takes time out from training her showstring to show us a magnificent rep./haired 9" black walking TB, BLACK STARFIRE. In a stall next to him stands HOGAN HIMSELF II, a rep. Arab stal. Frolicking in a pasture we spot AL MARAH SNOWBIRD & her foal LITTLE BIT, the 5" Arab m/f set in grey w/blk. pts. Last but not least we see an unnamed m/f, Arabs rep. App & haired, both unshown... We should have room for 1 more so let's trip down to Virginia & Shirley Cauley's Fieldstone Farms. She only has 1 Hart, but she's mighty proud of SECOND DEBUT, the bay TWH mare, a 2 yr. old. When she arrived she was minus an off-hind leg so off she was again to the Maltese Stables where MG's father carved her a new leg! She is still getting adjusted to it but in '77 she should hit the ring. My thanks to all who are writing. Let's hear about your fantastic old Harts.

Helen is very proud of him. And to end the year up, we bring you a real treat, the 1 and only JOHAR owned by Janice Meixner. She's 1 of the most popular Arab broodmares ever & is by *Sagr & out of Tigrés. She's a rep/rem wh. PA mare but her book is closed except to 'twins'... Time to go! Have a very Merry Christmas! And if you want a versatile model, get an Arabian!

BIG CITY THOROUGHBREDS PROUDLY PRESENTS...

*SUMMER BREEZE

We couldn't believe the response this horse got with his last ad! So once again we offer this Champion at stud. *Summer Breeze is a '68 chestnut TB stal. 2/star & 2 socks. He's a calm horse that is a pleasure to be near. He's fast on his hooves and is a Champion shower. He's regis. in ECR as well as is a foundation sire in RLR. Let's talk about 'Summer's' very important bloodlines. He is by Appian Way who is owned by Jeanne Seeger. *Appian Way is a fantastic shower who likewise has superb bloodlines. Summer's dam is *Miss Heather B, owned by my friend Kim VanRensselaer. *MHB once was a racehorse, & her bloodlines carry such names as Whirlaway, Citation, *Austrian Heir & *Belle de Lorraine. This remarkable cross produced Summer & gave him all he needs: beauty, grace, conformation & speed. We own 3 of his sensational get here. One was retired early due to injuries but is a promising broodmare. Another is a 2 yr. old colt named SKIN TIGHT who shows promise & has won races. The 3rd is TEMPORARY JONES, by far his best foal. TJ has speed & endurance & loves running. He won the 1976 Suburban Handicap among other things. Must I go on? At the moment *SB's fee is 15¢ & SASE, quite reasonable. But next year it will definitely go up. Thank you. His foals are winning! Mary Highwart, 2331 Warwood Ave., Wheeling, W.Va. 26003. Bye! HAPPY HOLIDAYS! *****

MOVING WITH MUSTANGS - Kathy Caple (full!) Hi! Betsy Chapin's top Mustang is BLACK TIGER, a 6 yr. old charcoal rearing stallion. He is only shown in halter but has won many Champs. His parents are wild but he is the Breyer disc. 'Diablo'. Sounds like quite a horse! There's still room so here's Slyvia Hadcock's only Mustang, SAGRADO SOBERANO, or in Spanish translated, 'Sacred Ruler'. He's the Breyer rearing stallion which arrived as an alabaster horse but she painted him a flashy Palomino which is more attractive than the original Breyer Palomino she claims. He is unshown yet but should eventually go into breed, halter, EP & maybe a little trail. He sounds beautiful. Thanks, all! HAPPY MUSTANGING HOLIDAY!

MERRY CHRISTMAS & HAPPY NEW YEAR TO ALL MODEL SHOWERS FROM COLLEEN HEADLEY & KLA-HA-YA STABLES!!!

It's the holiday season & as I decorate the stalls with holly & candy canes (got to be careful, my horses like peppermint!), I started thinking about my past year & a half in model showing. I was introduced to it by my good friend Nettie Ingersoll, which I will be forever grateful for. I've had a terrific time in model showing thanks to her. My 1st show was on May 25-28, 1975 when I entered Janet Hergenhan's Spring Show--what a show! First time shown my mare ANSATA IBN JAFAD took Champ Mare, Res. Ch. Arab & Champ Halter Horse! I remember what happened when I found out & all I can say is, 'Janet, thanks for that great start. You'll always be 1 of my favorite showers!'. Well, 1½ years later & 11 shows & 3 racemeets entered, my horses have brought home 332 placings, 105 ribbons, 3 rosettes & 7 Championships/Res. First thing I want to thank all who placed them: Janet, Joan Archer, Linda Cannarsa, Melody Benedict, Alice Keener, Carol Peters, Susan Peplinski, Phoda Wirtz, Sherry Lindon, Sherri Kay, Patti Bellinger, Melanie Bryant & Peggy Vogt. All of you contributed to the success of my stables & are all fantastic!... Since May '76 I've had a Stallion of the Month program which really caught on. All of my stallions advertised but I have now got outside foals & I'd like to thank all those who had faith in my horse's breeding & their capability to pass on their traits to their foals. All are looking forward to a good year in 1977 now that they're on their way... Also I'd like to thank those from whom I've bought models this year; especially Aime Weniger for my woodgrain stallion DAR-RAQ, Jana Brumbaugh for my woodgrain mare BINT FATIMA EL SHAMAH, & Karen Finley for my woodgrain foal, FATIMA EL DARRA. Plus thanks to Alice Keener for *ZION SUN KING, Marla VanderMeer for CHARASANA & AMIR CHARASANA, Wendy O'Desky for the Breyer alab. foal which became NEFRETASI & Kristy Schutz for the alab. Breyer mare STORYBOOK FEELING... Thanks to the people from whom I've found parents for some of my horses: Karen Clemens, Melody, Susan Watts, Nettie & Alice. And especially Marla for selling me the majority of her fine tack. My horses have never placed so well as they have since I bought it... I belong to a great club, the Breyer All Breed Registry/Intern. Arab Horse Registry, & want to thank everyone connected w/it. I thank Melody Benedict especially because I feel I've written her a hundred letters this year & she's been great about the whole thing. My thanks to Patti Belanger of the Natl. Assoc. of Model TB's, and Jean Drench of Model Horse Review... Many thanks to Lettie Teague from whom I've bought several pix, really grateful she sold them to me. Extra thanks to Tina English for alerting me to the Champion Gaited Horses in her stable & for selling me some of her pix. And last but not least as the saying goes, to our terrific & hard-working editor, Linda Walter, Thanks! For the past year & a half, Linda has answered all my questions very patiently & I'm deeply indebted to her for all her help. I'd never have made it without you, Linda! And I'm sure there are many model showers who would agree with me, right?... And as for me, even though I graduate in 1977, I'm going to continue actively showing models no matter what may happen. I guess that once you've started, you can't get it out of your system. I never will! Once again, MERRY CHRISTMAS & A HAPPY NEW YEAR! THE GENTLE GIANTS Barb & Ethel MERRY CHRISTMAS! Hope everyone is getting a model for the holidays. Beth Borton has KATE here & she's a Breyer bay Draft mare by Bombells & out of Sue. She has long been doing super in shows & races. She even has a Champ Drafter to her credit! She is the proud mother of 3 Shire foals & needless to say is 1 of Bath's favorites... Mrs. Jan Messerschmidt has a Drafter here, KING OF HEARTS. He is by STC Bandit & out of Miss Maratjon, & is a 7 yr. old dapple grey Breyer Belgian! Beautiful fellow! Jan was about 12 when she bought him for \$5 and she had the choice between a dap. Clydesdales stallion, a wh. Family Mare or King. King was named for a heart-shaped dapple mark on his check. Thanks, Jan!.. See you back next issue with more! THINK BIG!

MERRY CHRISTMAS to ALL, AND A HAPPY NEW YEAR! May all your stockings
overflow with models, bridles, saddles, stable blankets, groom-
ing equipment, costumes, harnesses, MHSJ's, etc. Let's all
hope this Christmas is the best! Love you! Joanne Petruno
& the gang at MOUNTAIN VIEW RANCH! / MODEL TIP: Someone men-
tioned using clear finger nail polish to brighten up a model's
eyes. Someone else suggests using a pearl type instead to give it that
life-like appeal. She also uses clear nail polish on the hooves of her
horses to make them look like they are showshape. But the nail polish in
the eyes DOES work if you take care, whatever type you use. Thanks!

Howdy, folks, come on in & shake the snow off your shoulders, Deb, & bring PERKY in with you. Perky is the mascot at Windy Crest Farms & goes to live shows with his equine pals. He is the H-R mini mini donkey & has a special little case with his name on it! Oh, here now comes Lisa Ferris with her donkey jack DON JUAN. He's a great hand-carved Mexican donkey made of ivory. He's the only donkey at King Ranch at this time but Lisa is always looking for others. He's over by Perky & my Essie now. Don Juan is being his stubborn self & showing off in front of the jennies. You all go on up to the house for cocoa & I'll toss these long ears some hay. As I walk out of the sweet hay barn & listen to the hush of contented beasts, I glance up to the sky & see that special

FLOCK DUST Ruth P. Diercks, 421 Main St., Bristow, Iowa 50611.

I've been accused of being fuzzy on the subject of flocking. That I've not clearly stated how much adhesive to use to hold the flock onto the object you're flocking, or that I've not clearly explained how to apply it. Alright, this is as close as I can come. Paint the adhesive onto the model w/a larger watercolor brush--fast, you've got to do it under 3 minutes at the very longest! It has to be thin enough so it doesn't run yet thick enough to hold flock. This isn't something I can describe in a limited space & long distance. You'll have to learn by trial & error! Now blow your flock fibre into the adhesive coat with either a commercial bought flock gun, your own contrivence, cheap hobby-store guns, or even a plastic bottle! The adhesive is anything you think will work. Sometimes a type of glue works, but others have gotten by w/excellent results w/brands of paint...Where to get flock? I'm told hobby shops do not carry flock in many areas so try this address. If anyone fails to get a reply from them, let me know so that I can take them off my list: SKIL-CRAFTS, 305 Virginia Ave., Joplin, Missouri 64801. If you have specific questions on flock, here is the place to write. If you have access to flock supplies, please let us all know? Share that bit of info, share that precious flock & help all showers out. Thanks. HAPPY HOLIDAYS!
