If you've already re-subscribed please disregard this notice. Thanks! Hope you all will be back SOON!!! /SUB-

SCRIPTION RATES: 75¢ for sample/1st issue, or \$3.25 for 6, or \$6 for 12. If you prefer to buy issues one at a time, they are 60¢ each after buying the initial 75¢ issue. Canadian readers, please add \$1 for 6 issues and \$2 for 12, and 15¢ for single issues. The postal rates differ which causes the higher rate. Sorry! Please get fees in as soon as possible so you do not miss any issues, at least by the 1st of the month's issue!

AD RATES: 1 classlist=\$1.50, 1 long list of items to sell=\$1.50, 1 stable ad=\$1.50, etc. if 1 page or under. If it runs over onto another page, a further \$1.50 must be paid. Rate is for 1 ad alone, not all you can cram onto 1 page. If more than 1 ad is received, only \$1.50 worth will be run in the issue. Small for sale & want ads are run at 5¢ per 20 words (limit 100 words). This does NOT apply to stable, classlist or registry ads. If your fee is overpaid, then I'll either refund the extra or credit it to you. Unsure of the ad's cost? Send SASE & ad for an estimate. Not responsible for cash lost in mail. Please send check or money order to keep records clear. Ads work in the MHSJ--try one? You may use your own small drawings on the ads but no photos at this time. (The subscription rates above are in effect at this time, and all \$5 fees received will be credited with 10 issues, all \$2.75 subs get 5 issues. Sorry!)

DEADLINE FOR MARCH ISSUE: Feb. 1st! For April issue: Feb. 28th. Get stuff in early so I can start immediately to work on the next issue. Let's work together! NO QUESTIONS WILL BE ANSWERED UNLESS SASE IS ENCLOSED! Am too busy to fuss over those not enclosing required SASE. It costs the MHSJ too much money. Have dumped several letters already w/no stamps or SASE's. Grrr.

ED. NOTES: Directory Part II will be run in the April issue. If you missed being on the first one, and want to be on #II, send in your name, address, stable name & telephone number (if desired). That's all! It's free!..... Won't be selling anymore Hartland & H-R lists. Sorry 'bout that... COVER MODEL is closed now & some may appear on the front cover due to an overflow of articles received! Fantastic response!..Need bl/wh. glossy pix to run on the covers. Got some to give away? Need to have extremely uncluttered & light backgrounds. Thanks...Now to business. I'm going to have to take some money from the MHSJ kitty each month as a kind of small salary. I haven't set how much, but for me to continue doing the MHSJ, this must be. Please don't be mad, but it's that, or quit...Well, see you all next month and later in this issue. Have a great new year!! Happy Hearts!!!

ATTENTION!! Introducing the newest addition to LIGHTFLAME STABLES:

\*Llana of Gathol ...a lovely 7 yr. old lt. bay Arabian mare, 15¢. She is NOT on the old stable lists, and there have been large numbers of changes in the list, mostly ages! So write for either the new list or a corrections list. Send for lists of dogs & cats also available, plus big show in June! Thanks!! Janice A. Meixner, 5365 N.E. 1st Terrace, Ft. Lauderdale, Fla. 33334.

Continuing with racing breeds of other nations, we find the EAST BULGARIAN, which was bred thru selective choices by using Anglo-Arab & Eng. TB's or cross-bred Eng. mares. They are well-developed, compact & graceful horses. The GERMAN HANOVERIAN was at 1 time a great warhorse, but in the recent century the same bloodlines which are the foundations of the Ebg. & Amer. TB's were used. The result was a good-looking, popular & well-known horse much in demand these days... The well-known HOLSTEIN was developed from Andalusian stock & they excell in steeplechasing & jumping. They are tall horses but graceful and courageous... The last TB type is the German TRAKEHNER, Using Arab & Eng. TB blood a local breed was built up & the result is a beautifully proportioned animal. W.W.II nearly wiped them out but now the Trakennen Stud is supported by Poland and a branch herd is in W. Germany known by an older name, East Prussian. All the breeds are so similar to the horse we call 'Thoroughbred', & so many have had TB blood infused into them, that only their native names differentiates them it seems. Bye for this session!

HI, EVERYBODY!! First I would like to say a big THANK YOU to Pat Ross of Morganton, Ga., for introducing me to MHSJ and for helping me get started in showing. All my showhorses have sires and dams from her stables, Graceland and Painted Sunset. And folks, her Breeder's Certificates are fantastic! Also a Big Thank You to Andi Gluck of Plattsburgh, N.Y., for allowing me to buy Comanche Girl. She will be hitting the show trail soon so watch for her! Now I would like to introduce a few of my horses of whom I'm so proud.

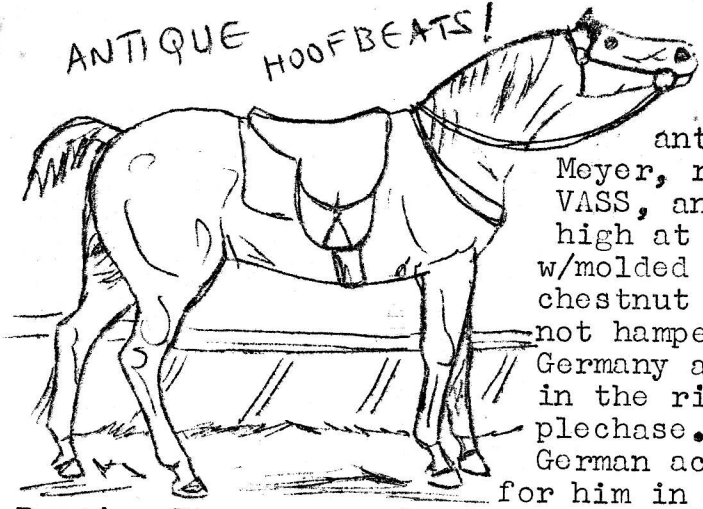

- 12 -

- THE GODFATHER: Brey. Pr. Arab stal., 3 yrs., my pride & joy! The only stallion I will have in my stable!
- CARLITA ANN: Brey. Indian Pony mare, 3 yrs., she is one of my top show mares, a daughter of Cherokee Cheif, whom you all know!
- MR. JOE B: 2 yr. old gelding, App Performance Horse, I had him gelded..

I have several more I could brag on but better wait awhile. Can anyone help me think of a name for my stable? Anybody with a husband (who tolerates his wife's toys) care to write? I am very lucky to have a husband who lets me buy model horses as long as we have a little extra money. I would love to hear from anybody who loves models/horses. Will pay up to \$1 for Beswick, H-R & VERY old Breyer catalogs. Anybody know where I can get a Beswick Appaloosa? Thanks for reading--write? Glenda Queen, Rt. 1 Box 76-A, Copperhill, Tenn. 37317. Thank you all!!

ANTIQUE HOOFBEATS!

Mrs. Charlotte Rogers, Uxbridge Rd.,  
Box 163, Mendon, Mass. 01756

This month we have another gorgeous antique TB featured. The owner, Bonnie Meyer, relates she proudly presents WERNER VASS, an 11 yr. old TB geld. He's metal, 3" high at the withers & is dressed for action w/molded on tack. His finish is glossy bronze chestnut that is slightly damaged but it should not hamper him in the ring. He was molded in Germany about 1930 she was told & has taken in the ring 2nd in geld. race & 6th in a steeplechase. His name was borrowed from a W.W.II German ace who didn't need it anymore. Watch for him in the ring & racetrack. Thanks so much,

Bonnie. I'm sure each of us would like him in our stables. Until next issue, pleasant antique model dreams! (Ed. Remember the TB antique I talked about some issues back? Someone reported it was molded after Man O'War!)

WEIGHTED SHOES & SET TAILS Tina English, 1113 Alton Way, Salt Lake City, Utah 84108.

Hi! This time we have Lois Bennington and APPRENTICE, her only Saddler. He's an unknown make 3-Gaited stal. in orig. fin. bay w/3 wh. socks/blaze. He has been shown successfully & should continue to do so. Thanks, Lois! And since we have room, let's tackle one more. Karen Malcor's Asthma Hills likewise has only 1 Saddler, GEROLD'S PRIDE, a 10 month old filly who has already won ribbons at her 1st show! She is the Brey. Sad. Wnlg. & currently represents her stable in the stable's choice classes. My thanks, Karen, and if you need parents still for her, think about us here and our 22+ Saddlers for hire! What, room for another? Okay, Here's Gayle Goodling's SHAMROCK SENSATION, an 11 yr. old dap. grey stallion, w/blk. m/t, 4 wh. socks & blaze. He showed in halter only until last year when he started under harness. He has continued to improve and has on his record Champ, 1st-4, 2nd-3, 3rd-5, 4th-12, 5th-3, 6th-2, 7th-3, 8th-4, 9th-5, 10th-2, HM-4. Gayle selected him to replace her retired Champion Golden Lad, and from all indications, it was a wise move! He has one foal, SHAMROCK CHARMER, whom we'll hear about next time. Rack on!

NEWS NOTE: Some time ago Lynn Erny reported to me she had seen some copies of Beswicks from Japan! They cost about 1/2 the Bes. price, are matt in finish like H-R's & about the same size. Well, I kept looking, and sure enough, in Fla. I found some copies with glossy finish but are copies by another company surely. They were thick-legged, but you couldn't miss the fact they were copied from Bes. originals. In fact, they were copied to the coloring and markings! I didn't get to see the price as we were in a hurry, but it just goes to show, if you look hard enough in obscure places, those horses turn up. These were in a book store in a glass case w/ some Ltehas & Leftons. Keep looking, folks!

As promised here is Beth Borton's STARBUCK COLIDA. He is her 1 & only A-A and is unshown since she just got him, but watch for him soon. His sire is Magic Destiny but has no dam at this writing. He'll show in jumping, hal. & possibly WP. He's a pure white color & is the Brey. #30 rearing stallion. That's it for this time but I want to clear up something, a little misunderstanding. When I said that Buck., Palo., etc. A-A's didn't exist, that isn't what I meant. I know they do & always will as long as there are mutations, but in the real show world they would be penalized in hal. classes. and maybe disqualified. However I don't say this should apply to perf. classes where you aren't judging a horse's looks but his performance. Hope that clears up everything! See ya next month! (Ed. From A. Tischler came a xerox copy of an Anglo-Arab Registry application! Under terms to be used in describing color & marks of foal are listed these colors: bay--dull red to br. to yellowish, blk. m/t & on limbs. br.--if muzzle is brown, then horse is brown. blk.--fine hair on muzzle tells. chest.--dk. liver to lt. washy yellow, plus red & gold & copper shades. dun--mouse to golden dun, very generally accompanied by blk. pts./stripe. grey--white hairs w/blk., gets lighter w/age. roans--red or strawberry (red/white/yel. hairs intermingled) or blue (blk./wh./yellow hairs intermingled). Palomino--gold color usually accompanied by wh. m/t... Well, each judge will have to make up his/her own mind what to select as a winner. If a horse is good, the color matters not to me. So happy judging & thanks to all who wrote!)

THE GENTLE GIANTS Diane Parry

Hi fellow MHSJ'ers! I'm first going to tell you a little about all MY Drafters. I have 7 in all & I've already told you about BIG BOY, so I'll tell you about: OLYMPIAD MT. (Brey. dap. gr. Belgian), SILVER N' SNOW (dap. gr. Brey. Clydes.), FLUTS (Brey. chest. Belgian), ROMECY RELIC (dap. gr. Shire mare) & a Clydesdale mare rep. dap. grey. The last 3 were given to me by... Irene Gibson! I love them all! All that have been shown are multi-Champions. Now Patty Gray will be heard from. Covington Corners boasts 3 Drafters. First is ORANGE PEEL, a Circle H Belgian stal. Second is HOSSFEL (Brey. Clydes. mare) & is like all the others like her but she likes to think she has a unique expression. Her third is CHESSY, the fairly new Brey. Shire in dap. gr. She really stole her heart when first seen. Thanks, Patty, they all sound great. Hope they made the move okay to Tenn. (Ed. Heard you got a new goodie, Patty? Tell us about that one.)

FOR SALE: Brey. #110, TINTINABULATION, better-known as 'Tintin', rep. & remade West. Francing Horse, red roan overo rep, by Tamiko Thiel. He's something else! +++++ THE UNKNOWN Irene Gibson, 10191 Beverly Dr., Huntington Beach, Calif. 92646

Thought I'd feature a few of Linda Walter's unknowns. In her stable of close to 400 models, most are not shown! Among her latest additions not to be shown is a half-rearing dap. grey stallion imported from Austria. His mouth is even open and teeth bared, so he is an unusual model. Another unknown is a beautiful B-705 H-R "Roan Lady" white TWH mare. This beauty is quite old and sports the old-time tri-colored H-R eyes which look alive. Still another unknown in her collection is a set of the H-R Mustangs. These uniques have a coat which looks like a horse's who has been out in the wilds, which these have, ha. They look positively wild, wind-blown and free. And finally, yet another unknown is "Crusader", the H-R B-706 Percheron stallion model. This tall beauty is white w/grey pts. and seemingly is among some of the least known and most rare of the H-R models... Thanks, Linda, for filling in this time. Best of luck to your collection in 1975! (Ed. Thanky! Love those models, sigh...)

+++++ WANTED: Arabian & TB mares, will consider ANY good quality horses; NO SASE REQ. Flood me w/offers! Diane Eiselt, Rt. 4 Box 470-E, Chico, Ca. 95926. Sky Lark Stables. Thank you!

I am loaded w/write-ups! Thank you all! Now on to Shadow Valley owned by Lisa Barnett whose favorite Palo. is the Hart. Palo. TWH from the fam. series #6003. SMOKEY TOPAZ is 4 yrs. old & beautifully marked. He has been shown lightly but had at that time 1st-3, 2nd, Judge's Choice, Gr.Ch.Stal. & Res. Gr. Champ. TWH & Grand Champ of Show. I hope he keeps bringing in those awards! Thanks so much, Lisa. Just goes to show those golden horses of the sun can WIN! See you next time...

Since I've so much going on here all the time, it's best to put everything together & you'll know everything at once! First off I've decided to do CUSTOM REPS. ONLY for anyone interested. Please specify if you furnish the model or if I do. I have access to factory fin. ones only. For 2 years now I have been doing rep./rem. just for myself & have had great results! Roans are my specialty & I do reconstructive work, witnessed by Fancy Pants (Hart Sad. came to me minus a leg & another broken, now not noticeable at all!). Hair for m/t's in wh., blk., flaxen, some shades of brown. Price determined by size of horse, paint used w/ or w/o hair, etc. Write for further info... Next, I edit a monthly bulletin, THE High Stepper's Review, which carries everything from club news to cartoons. It was orig. for AMGHA but has expanded to all breeds instead of just gaited ones. All club news for AMGHA is aired here plus classlists, columns, features. I started it in Dec. '73. Subscription rates: \$1.50 3rd class, \$2.50 1st class, or 35¢ single issue. Ads: 50¢ per page, 25¢ half-page, 15¢ less than 1/2 page. Columns, cover models, space fillers (drawings, poems) are free, or 20/under word ads. Anything over 20 words is classed as a 15¢ ad, if it doesn't exceed 1/2 page... New arrivals? In the real horse world, my Sad. wnlg., HI STONEWALL'S SHOWOFF ('Muscles') is growing like a weed! At 8 months he's approx. 13.4 hh! I'm anticipating a VERY large Saddlebred stallion! His mother, Stonewall's Pretty Miss, will foal again this spring being in foal right now to a Palo. Saddlebred stallion. I'm hoping it's a filly this time! She's looking good & we're expecting no problems. Come spring, Muscles will hit the ring again. After his 1st start this yr. at the Utah State Fair where he won 4th in a classful of older colts, old men & politics, I'm really excited about what he's going to do when he grows UP... New model arrivals: TEJAS SUNSHINE (Gold. Palo. Brey. TWH rep., home from 1st show w/ 1st TWH hal. Sired by Tejas Blazing Sun out of Amblin' Gambler, both Champions.), \*PRINCE OF DONEGAL (Absolutely fantastic blk. Bes. Hackney stal. w/wh. spots & anklets), WILD AND LOVELY (wh. H-R mini Sad. mare), ANACACHO SHAMROCK (lovely H-R Sad. stal. -- am quite excited about his coming arrival!), and my dam FANTASY IN SILVER just produced another fine horse, SHAMROCK FANTASY (Dap. gr. w/wh. hair m/t Brey. Sad. Wnlg.). There are others, like RED HUGH (dazzling blood bay Paso repositioned to Morgan w/blk. m/t/socks, wh. anklets on hind feet by me). So you can see new horses are constantly arriving, & remember, Am ALWAYS interested in ANY sad., TWH Hackney or Morgan, you have for sale.. My new 1975 stud/dam list w/current prices should be ready soon, so check w/me in Feb, if you want one, free w/SASE!.. One more thing, am looking for any & all penpals interested in Star Trek & history of the Renaissance. Would love to gab w/anyone willing to write! Also like to get to know more real Sad. owners! Anyone qualify? Please feel free to drop me a line! You get an answer promptly! Mainly 'cause I love to write letters!.. Well, that wraps it up & I hope to get some response in some area from you who read this. In all letters requesting info on something, send SASE. Thanks!! See you at the shows w/Saddlebreds!

THE MODEL AMERICAN QUARTER HORSE REGISTRY---Hi, Quarter horse fans! This

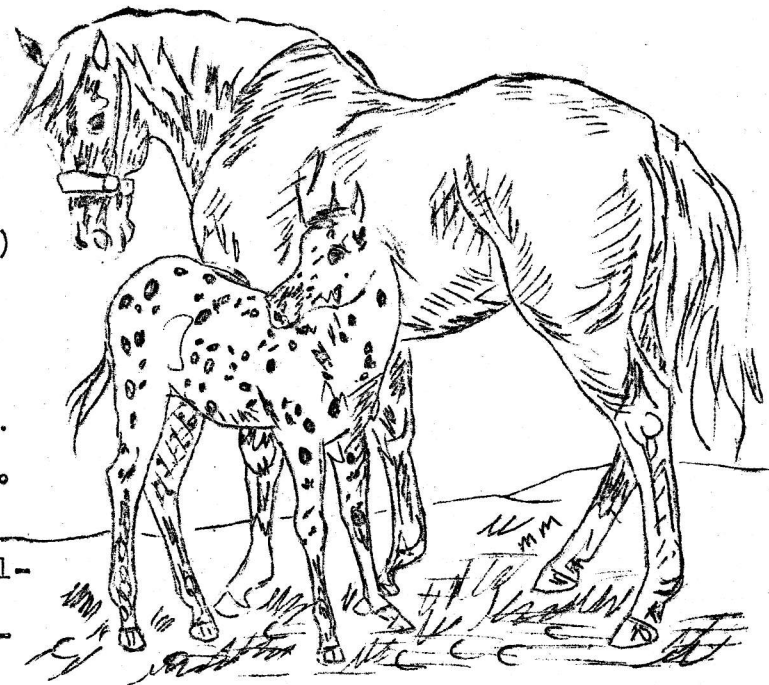

probably sounds just like another QH registry, but I'll try my hardest to make it great. This will be a true QH registry. I know quite alot about the breed for my family owns 2 real ones. We will try to promote this marvelous breed as much as possible. If you have any questions concerning the breed, I'll try to answer them. In the MAQHA your QH will receive very special attention because the club is limited to 36 QH's. The year will run from Jan. 1, 1975 to Jan. 1, 1976. At the end of the year the top stal., mare & foal will receive an award. ROM's given when a stal., or mare reaches 200 pts., foal 100 pts. We'll also have members only shows w/nice awards. I hate to do this but I'm limiting each person to 3 horses since the limit is low. The fee is high, 50¢ per model. But please read on, I told you your Q H receives Very Special Attention & he will! I'll personally write you a letter inviting you to our member only shows & the fee for entering will be 10¢ a horse at the highest. Please don't rule us out, all will be treated w/honest answers in shows & contests. Want to join? Send the fee, SASE, your horse's name, sex, color, age & sire/dam. My horses will be shown but not in my shows & won't receive any MAQHR awards. The 1st stal. regis. is mine. Please send all inquiries w/SASE to Holly Horse Ranch, Donna Seawright, Box 177, Pritchett, Colo. 81064.

# Lil Tagalong

has arrived!!

His sire is our Ko Ko Diamond Star (sired by Linda Walter's multi-Grand Champ \*Alconbury Hill) and his dam is our much-beloved Morgan, Justa Tagalong, purchased from the Rocking MJW Ranch, owned by Marney Walerius. We offer no stallions at stud or mares for hire as we are a schooling and showing division of a larger farm. We're a small stable--but we try for quality!

 HARTLAND NEWS Debra Simmons, 1905 Hixson Pike, Chattanooga, Tn. 37405

Hi! This month we feature Liz Morgan who has 11 Harts. The 1st is an old one of thick plastic, wh. mare w/4 blk. socks named WINTERTIME. A friend of hers owned her but Liz fell in love with the mare so after some hard bargaining she bought her to discover it was a Hartland! She has a blk. molded-on saddle/bridle & is being used as a Morgan. The next 3 Liz found by looking through the pet section of a dept. store. She found a beat-up Pinto stal. lying on a box. About 2 aisles up she found a Pinto mare lying on a shelf. She asked a derk about them & he took them to come back 5 minutes later w/all wrapped including a Pinto foal! She paid \$1 for the whole set! The stal. is standing & is mostly blk. w/wh. spots. He has a wh. m/t & 4 wh. socks. The mare (Quetella) is almost the same except the position is slightly different & she's mostly wh. w/blk. markings & 4 blk. socks. The foal (Spic Span) is walking w/head tucked.... Liz next got WISHA, the same mold as Spic Span but is a red Palo. She's by Pitch Black out of San Domingo... Liz went to a camp & on the second day went into a store & found 4 more Harts. The 1st 2 were just like the Pinto adults only pale wh, both unshown QH's now (Silver Sea & Royal Noté). The last 2 are exactly alike only 1 has his sad./bri./hooves rep. blk. They are a tan/dun color & are unshown... That winter she also bought & rep. a buck, in rearing position.. Her last purchase was a light gr. w/blk. m/t & is an Arabian. Keep looking--they are out there somewhere!

HI! I'm having a sale to clear out models to make space. All are postage paid 3rd class. If you want them sent 1st or insured, include extra money. Will consider trades for H-R's, Harts., Strombecker/Circle H or Brey. Prefer unbroken trade models but may take broken if not badly broken. All below in good cond., 11-16 small unknown make china models good for prizes at shows. Send SASE w/any purchase or inquiry to: Amie Weniger, 20751 Alicante Lane, Huntington Beach, Calif. 92646. Hi! We have a couple of tip top hints this time: When painting pasters on the back side, you can roll your brush if that's what you're using around in a motion like the picture. That way you avoid getting paint on the hooves! Great tip!...Now, to make gorgeous barrel racing barrels, just take an empty cleaned out coke can & paint it! It's really cheap & works wonders w/Breyer-sized horses. To make poles for that event, take spools & stick a dowel rod in it, paint & set it up. It looks super! Thanks for all the tips, people!

.....  
GRRRRIPES!! c/o Linda the Gripe Caretaker. (Please hold them for a few months, folks. Got enough now to last 1975!)

"Have you ever entered a pregnant mare in a show? Listen, I think the mix-up between breeding/showing mares is getting out of hand. I've known some mares to have as many as 3 foals per year (gestation period is 11 months, ha!), & while busy w/all these foals she's being shown! Does this ever happen in real breeding/showing operations? I've made it a rule none of my mares are open except to friends & she is used for breeding only! Even then they are restricted to 1 foal per yr. It's nice to share your mare w/outside horses but there's such a thing as overdoing it. What are fillies going to end up like if they have foals when they're only yearlings themselves?" AP (Ed. Swaybacked, that's what! Or poorly developed..)

\*\*\*\*\*

"About all the gripes on 35mm pix doing better than instam. pix..I recently held a show & had lots of varied entrants w/all types of pix..... Most of the insta. pix entered were rotten. Sure an instam. won't take a close-up shot but that doesn't mean you can't get a good pic of the horse if you hold that camera steady or rest it on something! The majority of the pix I saw were blurred from jiggling the camera. I don't think people are prejudiced against instam. shots, it's just a lot of you instam. photographers don't take the careful steps to get good pix the 35mm people do. Don't try to get too close either, that'll blur the pic. The few who do take care when using their instam. will get good pix & win ribbons w/them. I saw several, & they won ribbons at my show." Name Withheld

\*\*\*\*\*

"I always add 2-3 extra stamps in my envelope when sent to a show to cover the expense back, but most always they are not used. The showholder keeps them (maybe unintentionally) but losing 20-30¢ per show is hard to take especially when I get stamps every 3 weeks & often run out because of that..." Anonymous...Ed. Be careful, folks. Return everything you do not need and be sure those extra stamps go back. Have lost a few myself because the showholder did not take time to check everything. Okay?

\*\*\*\*\*

"In the Oct. issue you had a Gripe from a person whose horses were not placing 'cause instam. pix aren't as good as the 35mm, for getting close ups. She also said she didn't have the money to buy an expensive camera. All I can say is 'Pshaw!' You don't need anything other than a cheap lens, Tiffew Close-Up #1 for instam.--100/150-4 (about \$3). Enclosed is a pic w/real background w/a Zara H-R Arab mare, 6" in it. It is clear, placed 7th in a large class (70)...Ed. She showed me the pic & it's a beauty! In fact it was better than some 35mm shots I've seen of the same mold! The setting enhanced the model & brought out her beauty; and you had it close up enough to see details beautifully and clearly. It was not blurred and was taken down on the same level as she. That's another tip, take pix level with the model in order to avoid foreshortening the legs. There's nothing funnier to judge than a 1" legged high model that really stands 10" tall! Watch your angles & watch that blurring. And you will do far better. Thanks for listening! Bye...More next issue.

 BUCKSKIN HORSES: Heidi Heinlein, 249 Wall St., Eatontown, N.J. 07224

MISS BUCKEYE BUCK is a 5 yr. old QH mare by Hollywood Buck out of Miss Ohio Look, owned by Linda Schneider. She was not only the 1st QH at Diamond Bar Ranch but also the horse which got Linda started in showing! In less than 1½ yrs., Miss Buck accumulated 23 ribbons & a Championship won at Hal., WP, Trail, racing. This lovely mare is going to be bred next spring to the new Sr. stal., Three Bars Ruby. As Linda said, she's just the 1 Buckskin but she's really a good one!...Karen Pate's super stal., ARIZONA ACE, has 58% buck foals & passes the color to his foals & grandfoals which include Champions Second Cowboy & Saratoga. She also has 2 lovely Norwegian Duns, EMBLA & FENRIS, flocked models imported from Norway, pretty buck. w.lined back & characteristic wh/bl m/t! They're good show-ers & perhaps other Nor. Dun fanciers will contact Karen! Bye!

M J W 

We'd like to introduce you to ROCKING MJW RANCH, w/the start of the New Year. We've been subscribing to the MHSJ for some time & thought we would get acquainted. We started collecting horses in 1960 w/the Brey. #30 old glossy fin. gr. m/t. We collected Harts. for 3 yrs. but sold them & took to H-R's in 1970. We now collect ONLY Breyers & H-R's w/a couple of Bes. Our 1st real Champions were Dark Lingo (Bre. blk. PA stal.) & In-A-Tiff (Brey. Fam. dap. gr. stal.). We have been showing since 1969 & have many Champions now. (Not considered a Champion until has won 5 or more Championships.) Below are our horses w/1 or more Championships:

ANNOUNCING... INTERNATIONAL HAGEN-RENAKER ASSOCIATION (formerly DCRHR)

*White about*  
  
 I missed DCRHR so much I decided to try & revive it only w/ an all around name. Dues: \$1 & 1 stamp to send you the rules. If you have even one of the H-R line, you can take part in a club meant solely for FUN. To participate you need to pay the dues & send pix for inspection of your model w/SASE for return of the pix. Upon inspection & approval your point card is typed up & you can send in points from ANY show so long as a list of the show classes, showholder, date & address accompanies the points. There is NO registry because of work & the hassle behind proving an adult old enough to sire or have a foal. Nine point shows & 3 fund raisers will be held strictly for IMRA approved models to add to pt. totals. Periodic newsletter keeps you aware of showholders & rule updates. Write today if you own an H-R. Two basic divisions have been started but will sub-divide if enough join the club: Hagen-Renakers & H-R BISCUIT Reproductions (chinas, no Breyers!). Will subdivide into 35mm & Other Photo div. if enough should join. Interested? Write today to: IHRA, Marney J. Walerius, 252 Drury Ln., No. Barr., Barrington, Ill. 60010. Thank you! H-R Power!

FOR SALE: Brey. #38 App Fam.mare, fair shape but still nice mare for the right person, \$7 ppd. If interested, send SASE for reply. Miss Kay McCue, 1105 Catalpa Dr., Middletown, Ohio 45042. Thanks!

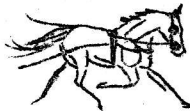

Hi! I'M Patty Gray of Covington Corners Stables! I've been noticing a few people searching for a means to print things, their bulletins & such. They can't afford the high cost of xerox or duplicators so have any of you ever heard of Hectograph? It's a very easy & cheap way to print by the process of transferring a negative (backwards) ink master onto a smooth sheet of gelatin. Then you lay a sheet of paper on the gelatin, smooth it out & slowly peel it off. You have a perfect copy! as clear as duplicator & less as expensive as xerox. The whole set costs about \$6 & includes just about everything you need except paper & masters. It is perfect to print small things like bulletins, notice cards, postcards, stationery, etc. And you can print color--red, blue, green, black, purple. It takes time & patience but for the money you save it's worth it. You must read & follow all instructions carefully. If you want to try this & wish to offer any help I can, including tips on working it. I got my experience the hard way! I stuck w/it and mastered it. Where can you find it? Look in the yellow pages under print shops & they always have some on hand. I have the feeling it's not the most used form today, but give them a call. It's so easy, cheap & really loads of fun. Try it! Reach me at 5416 Forest Acres Dr., Nashville, Tenn. 37220. Thanks for reading!

ROCKINGHORSE STABLE wishes to say HI! I've just started showing & LOVE IT! My thanks go to Jamie Bussio for 'placing' my horses in their very first show! I've just bought a Saddlebred filly that needs parents, & she shows promise. Flood mewith offers! I also have a Thoroughbred jumper (2 yrs.) who needs parents. He's really beautiful! I'd also like a penpal. I'll try to answer all letters. Thanks again to all who have helped!! Deanna Boswell, Ravenwood, Missouri 64479. Happy showing to EVERYONE!!

ED. NOTES: Several folks have asked me why copies come so late, and about all I can tell you is they are sent on a 3rd class bulk seal for the most part. I mail them as soon as an issue is completed. Then the post office takes up to 4 weeks to get them to people! I am trying HARD to get issues out faster & sooner than ever before, but sometimes things happen, and yet I try, people, I try might hard. Please be patient...bye! LW
