Queen & all 1 issue buyers. Hope to have you ALL back soon! Bye!

**NOTE!** SUBSCRIPTION RATES!! This list supercedes all others & the OLD RATES ARE NO LONGER EFFECTIVE. All subscriptions now received must go by these or will be cut accordingly to no. of issues paid for on the new rates. I hate 'em, too, people, but after the blow of the new bulk rates, there's no way to absord them as done in the past. So here they are: \$7.50 for 12 issues, \$4.00 for 6, 70¢ per single issue. Canadian readers--single copy 90¢ (includes 3rd class postage). First class postage on issues: 68¢ per copy (MHSJ pays for part of it thus the rate is not 78¢ as it should be.) I'm sick about them but cannot go any lower & still keep going. It was a choice of l.ending the MHSJ, or 2. going UP. And so to keep you receiving the best MHSJ, they went higher...

AD RATES:: NEW!! \$2 a classlist (1 or under 1 page), \$2 per long list of items (whether full or only partial page), \$2 stable ad (etc.) instead of \$1.50 which was the old rate. NO ads accepted under the old rate as of this issue. (Will honor those already here but nothing new.) Working out new partial page rates came up lacking, so we'll stick to the old ways. Small wanted/for sale ads are 10¢ per 20 words, limit 100 words to a sm. ad. Unsure of ad's cost? Send it & SASE for estimate. Thank you all!!

+++++ THE SWEET THINGS - NAMELY PONIES Theresa Paulsen & her ponies

Hi, peoplos! This time we have Lois Hanson's pony, CINNAMON, her favorite who is the Breyer disc. bay cantering Welsh. He was named after her 1st pony which just happened to be a bay Welsh! Cinnamon has no parents yet but she is looking. He's a 6 yr. old and hadn't been shown yet, but she plans on hitting the ring soon with him...Her other pony was her 1st model, a Breyer bl/wh Pinto Western Pony which she rep. BUTTERFLY is now a dk. chest. w/dk. m/t. He hasn't been shown either, but look for him and his buddy Cinnamon at your shows sometime. It just goes to show, give a pony a new coat & he'll start to show, ha. (Ed. Has anyone got a picture of the supposed Pinto Shetland put out by Deswick? I've got a pic of 1, but it doesn't look like a Shetland. Can anyone shed some light?)

NEW ARRIVALS by Marlene Kosanke, 8123 W. Margaret Ln., Franklin, Wis. 53132.

Welcome one & all to a brand new year! I'm happy to see many new faces & can't wait to hear what's new w/each & evry one of you... CANDIS McCOY of Meadowview Stables plowed her way through the snow to join us this month. Let's turn our attention to her 1st N.A., the horse that got her started in the show world, SUNDUST SOLDIER ('75 Brey. PA dap gr foal) (Tazeraff x Sudina Bayn). Sundust was given to her by a friend, Anna Hilliard.. BARON O' MAR FLOWERS is the Brey. bay Clydes. stal. w/blaze & stockings which she acquired in a trade. Her mean little showoff horse is FINEST EVER, a '71 Brey. PA alab. stal. (\*Bask x Rifnata). She's shown him twice w/2nd-2, 6th & Res. Ch. Arab award... JOAN DAVID of Dreamy Dawn Stables tells us of her new H-R TB's: \*HIS NIBBS (6 yr. Man O'War) (by \*Himself (no, not a joke) x \*Herself (?)). His name means 'Head of the household' & indeed he is! His son, INKY DINKY DO, is a 3 yr. old Swaps model. He'll race soon, as his speed is amazing!... Andrea Pratt braved the wintry weather & left her Ogopogo Stables in Canada just to be with us today! She picked up some new horses on last year's summer showing tour. First is BUCCANEER BREEZE (9 yr. App stal., br., foresocks, blanket, br. spots), a re-touched Josef Orig. App. He also has striped hooves, wh. ringed eyes & is sired by John Singer's Lonely Heart & out of Southern Style. BOMBADELLE (rich blood bay, blk pts, 2 flashy socks) is rep. running mare. Her foal, OOBILIY is an Anglo-Arab like her mom & is a dk. dap gr. w/darker pts., star & sock. She is a rep. Fam. foal. BANDOLINO is a 3 yr. grey 1/2 Arab/1/2 App gold. (Buc. Breezé x Barbonne). Bandolino is the disc. Brey. glossy App fighting stallion... WOW! What a terrific way to start off the newyear! Hope you all enjoyed our little get together & will pin us again next month. Until then, happy collecting to all! HAPPY NEWYEAR!!

 FLOCKED HORSES by Ruth P. Diercks, 421 Main St., Bristow, Ia. 50611

(runaway flick)  
 What horses can't be flocked? This time we'll take the repaint. They can be flocked with excellent results, but there are some that cannot be. First is the rep. that has been around the house for 6 months & is still sticky. This horse is not dry & because of it, your flock adhesive will not dry like it should. Second, crumbling paint, which will continue to crumble under the adhesive & will peel your flock coat off in the end. Remedy? Peel off the sticky or crumbly paint & then wash model in a good detergent. This is also advisable when the model has been oiled or is greasy (your fingerprints are greasy). If the model is waxed, wax should be removed or the adhesive will not coat the model. Thinking of flocking a model or having it flocked? Consider the surface before you do--will it pass the above? THINK FLOCKED... (Ed. When travelling with a flocked model such as I have done, you must be careful to protect the model's eartips & tail tip. They seem to wear off the fastest, and without protection, you find they are shedding. Think a tad before you take that beauty on the road with you. A bit of care & soft padding will keep the flockies' coats cleaner, brighter & ON the model. When shipping it, wrap it in a soft material first, because newspaper can stain/discolor the model.)

MODEL HINT: When sending horses in the mail, take 4 sponges from sponge hair curlers, rip half-way down & slide onto horse's legs. Works pretty well if you use them along with the usual wrapping. Be sure to use a lot of cushioning when mailing--and two boxes! Thanks for the tip, Steph.

YOUR GELDINGS - Sue Goffeney, 3666 Bradford Dr. W, Birmingham, MI. 48010

HAPPY BICENTENNIAL!! Think red, white & blue models? (Please disregard  
that last, folks, am slightly out of whack today!) To start out this very  
special year, here's Mary Hale's geldings.. At Mountain Meadow Farms there  
are several top geldings. CORNW JEWEL is the Brey Sad Weanling rep a top  
Palo. w/braided mane & long tail, shown as a Welsh Pony. In just a few  
shows he has shown great potential & is already a multi-Champ... Another  
good one is NEVER TAKE A CHANCE, the Brey. Man O'War rep. a beautiful dk  
bay & remade into a trotting position! He did great at his 1st show... My  
thanks, Mary, if your others are as nice as these two, you must have a  
stableful of good geldings! Idea of the Month: geld a stallion or two.  
Sometimes a stal. that doesn't show so well will show better as a geld.!  
Besides, in 'real' life there are MANY, MANY more geldings than stallions  
so think about it? Till next time, so long! GELDINGS DO WIN LOTS, Y'ALL!

.....

We're still alive & jumping! Since I haven't talked to all my MHSJ friends for some time, I felt I'd better get on the ball to let you know what's been happening. This coming March, we'll have been showing for 4 wonderful years. I must say I've enjoyed every minute of it & want to thank all my many friends who helped me during the first year get my legs under me & herd together, and mainly to Linda Walter, who got me started. Hats off to you, Linda!...This past year has been the best so far with many of my gang here acquiring top honors. My most outstanding horse, TEJAS BEAU BRUMMEL HHS, won the honor of being AMGHA HORSE OF THE YEAR! He was also chosen Morgan Hal. Champ, Morgan EP Champ, Top Ten Morgan WP, All Around Champ Morgan, Open Halter Ch. & Open EP Champ. Quite an honor! I'm extremely proud of him! His full brother, BAY RAIN, earned 6 Top Ten awards, 1 Res. Ch. title & Champ Morgan Harness...Their sire, VERMONT'S BLUE RAIN, copped 6 Top 10 awards. Not bad at all!...Moving to the Saddlebreds, they did well in the AMGHA also. WILDFIRE won 4 Top Tens & OKLAHOMA GYPSY got 2. My Hackney Horse stal., \*KNIGHT BACHELOR, was named Hackney Halter Champ & Top Ten Open Hal...My TWH stal., MIDNIGHT INVASION, took 4 Top Tens & Champ TWH Harness...A half-brother to Beau & Bay Rain, EL TEJANO, won Partbred WP. Pretty good for a 1st year!...I wish to thank Jean Derench for running such a great club, THE AMERICAN MODEL GAITED HORSE ASSOC...Beau was also awarded Halter Horse Supreme Title, Perf. Horse Supreme & his ROM's in halter & Eng.Pl. Who says geldings don't win!?...BAY RAIN, not to be outdone, took Champ Morgan titles in the New Jersey Model Horse Registry, & Mid.Invasion won Res. Champ TWH..AL-KAFFIR ZARRAAQAA came through 2nd in Top Ten. At the 1974 MARA show she won 4 Natl. titles, earned her ROM & Superior Horse Award. Again, another outstanding showhorse here..\*KNIGHT BACHELOR (4 yr. Hackney Horse) was the Inten. \*Beswick Model Horse Club's Horse of the Year! not to mention the Champion Other Breed for the Year! The babies here at HHR aren't to be outdone. At the end of the Intern. Model Foal Shower's Assoc.'s year they won many high honors. FALCON'S JENA got an Outstanding Foal award, along w/High Point App, Top Ten Open Breed, Champ Filly, Res. Champ Color & Top Ten Halter. Not bad for a 7 month old baby!...INDIAN PENNY won an Outstanding Foal award also, as well as Champ TB & Top Ten Filly, Color & Halter. Six of my other babies got their title of Honor Roll & their ROM's..I'd like to list more but there is not enough room or time, I'm afraid. High Points from many other clubs haven't come in yet, but 2 of their big year end shows have. From the Combined Color Breeds Assoc. (CCBA) my most outstanding horse was CODY'S PEYOTE, who arrived here this past spring. He won many placings & titles which are just fantastic, his best being named All Around App Champ & Res. Grand Champ of the Show..SPANISH SONATA who only just arrived was picked Pt/Pa Halter Champ & Res. All Around Pa/Pt..GOLDEN RAIN (Palo. Morgan stal.)made his debut in perf. & picked up Res. Champ Palo.Perf. & Res. All-around Champion Palomino. Some showing, huh?..At the Big & Little Model Horse Club & Registry Championships, BEADED MOCASSIN (POA gelding) came home Res. Grand Champ of Show! He won several halter & perf Champs/Res..ARDMORE REGAL AIRE (Strawberry roan Welsh Pony), a multi-Gr. Champ Halter pony, came second only to another pony here, ARDMORE SILVER CLOUD. Both ponies acquired outstanding show careers in halter & I'm looking forward to really seeing them go in performance...That's only a bit of what's going on here. I've a new sire/dam list out & all my horses are on it. Anyone wishing a copy, please send a business sized SASE. Thanky! Janet Hergenhan, 3 Dover Lane, Hightstown, N.J. 08520. HAPPY 1976!!!

++++  
ED. Just wanted to say thanks to Janet for the article she wrote last year & had printed. It garnered many new faces for the MHSJ as well as the showing world. Would you believe I'm STILL getting replies to it? I thank YOU, Janet, for the faithful advertising, sponsorship & overall goodwill you've showered on the MHSJ & me over the years. HAPPY '76!!

RESULTS of FLINT HILLS STABLES PRO. ONLY DRAWING CONTEST! Hi, gang!

19

I said results of my pro contest would appear in the MHSJ. Well, here it is. There weren't any! I got 5 entries which wasn't even enough to buy 1 trophy, so I had to cancel the contest. I mentioned I wasn't the judge. The judge was to be a good friend of mine I've known for 11 years. He's an internationally known Kiowa/Comanche Indian artist, Blackbear Bosin, who lives in Wichita (about 30 miles from me). One of the best there is--and would have been a terrific judge. He's very technical on detail, structure, everything! He's a harsh, sometimes almost cruel in his judgements critic. I know from personal experience, ha. Anyway, IF there had been enough entries, the winners would have been proud of themselves to have won under a judge like him. Wish more of you had found the time to enter. To the 5 who did so, I want to thank you--your work was really good! Guess I'll hold a regular model show later this year. Bye now! (P.S. I've made many good friends thru model showing. You're all great!) signed, Margie.

HAPPY NEW YEAR TO ALL! Hope everyone got at least 1 new Q.H. for their Christmas present. We'll start off '76 w/Andrea Pratt who has 3 QH's to feature. POCO SUNBURST is the Brey. Palo. QH Yrlg. (older now than a yrlg), by Poco Gold & out of the real mare My Roanie, who belongs to Andrea's uncle. Poco's stablemates are full brothers by Double Boogey, a QH G. and Champion owned by Jan Gearhart & out of MY Roanie also. SAN DOMINGO is a 7 yr. old bay stal. (Brey. Adios) & AZTEC SUN is likewise a bay but by Beswick. Best of luck with them all, Andrea!..Now to Gainsway Stables & Dodie Walton who has 3 QH's also. The top man of the trio is JIGSAW, who appeared on the MHSJ cover some time ago. He's the Brey. QH Yrlg. in orig. bay w/socks & blaze. He's shown as a 5 yr. old gelding & has won a pot full of ribbons for Dodie plus a Res. Championship. KING'S DOWDY BARS is the Bes. QH in orig. bay w/blaze & 2 foresocks. As of this write-up he hadn't been shown yet but probably has been by now...THREE BARS EL DORADO is Dodie's stallion who's just entered the showing game. He's a Breyer fighting stallion...That's it for this month. I'm still recovering from the holidays! However I resolve to get my column in on time & hopefully make everyone happy with it. This is BICENTENNIAL QH YEAR!

# ★PUBLIC ENEMY NO. 1★

(Man O'War x Go Lady Go by Go Faster Too)

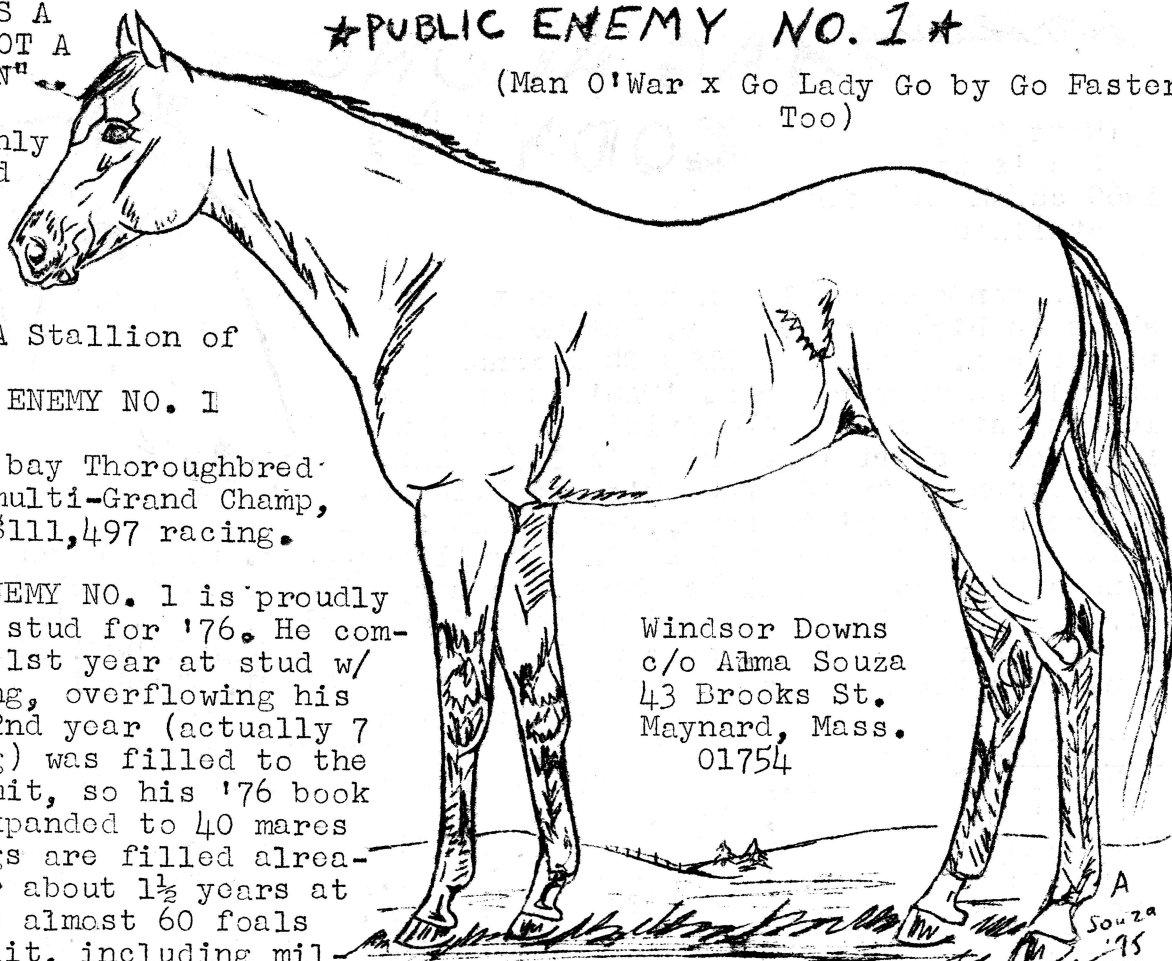

Greatness that can only be obtained once in a lifetime and is always growing...A Stallion of Destiny...

## PUBLIC ENEMY NO. 1

12 yr. old bay Thoroughbred stallion, multi-Grand Champ, winner of \$111,497 racing.

PUBLIC ENEMY NO. 1 is proudly offered at stud for '76. He completed his 1st year at stud w/ 22 offspring, overflowing his book. His 2nd year (actually 7 months long) was filled to the 30 mare limit, so his '76 book has been expanded to 40 mares (10 openings are filled already!). After about 1½ years at stud he has almost 60 foals to his credit, including million dollar winners & Grand Champions in the ring. His grandget are likewise winning laurels for him. He retired from showing & racing after about 7 months and 8 Grands! He's a Living Legend--the most popular TB stallion today & destined to leave a lasting mark in model TB quality. Invest & breed to him today--only 25¢, or 10¢ to TOBA or IMTBR members.

Two new stallions take the place of our former herd stallion. Besides Public, there is now BARTON REED DEBONAIRE, a bay TB stal. from Canada. He has 2 of the best Canadian lines: Barton Baron & Valiant Reed, is 26 yrs. old (\*Ribot x Barton Jewel). Fee 15¢. Also we have AMERICAN SENTIMENT a bay TB stal., 30 yrs. old, (\*Victorian Park x Sporting American), who's loaded with speed & stamina. His fee is also 15¢. Don't forget SASE & request our stud/dam list, w/30 top broodmares!

Happy New Year to all! We're completing our 2nd year in showing & we'd like to thank you all for such a great time, especially Beth Wetzel, Lori Manning, Kim Van Rensselaer, Debbie Moxey, Danele Forestier, Andrea Pratt & anyone else I've forgotten--though I didn't mean to! Windsor Downs is all TB now because my sister took over the DOMINO STUD w/Sad. & Pintos, specializing in Spanish Barb Mustangs. We also make custom Arab costumes & trades are available too. Write! Home of the Blood Horse Seminar, newsletter to all fans of model TB's. See you later this year! Take care! Go versatile TB!!

Hi, everyone! Sorry to miss the MHSJ a few times but I've been busy w/a new, live horse! On to Mustangs! Alice Keener's DESERT HORISON is a new div. of Oak Grove Stables & features 11 Mustangs. Her favorite, QUESTION-AIRE, is a multi-champ disc. Breyer woodgrain rearing stallion. He's a 10 yr. old sire of many fine foals...The next will be a Champion stallion soon, named GENGHIS KHAN, which means 'great ruler'. He's a disc. glossy Breyer charcoal Mustang 'Diablo'. He's 7 & by Aladdin Moon-glow out of Shalla Bal. They sound super! No wonder they are pursuing the Championships. Until next month--MUSTANG POWER! /ED. Have heard a rumor Bray will put out the H-R 'Mustangs' for '76. Can anyone confirm? Bye!

Soon this column will open for write-ups, so start choosing your best App to have featured! Here's Kim Nagy's fine Appaloosas for this issue..NAVAJO JOE is a 6 yr. old Brey. App Perf. Horse who has placed 8th(142)in his 1st racemeet. She shows him in EP, WP, hal., racing...IROQUOISE is the pretty Brey App Indian Pony, 7 yrs. old & shown in costume, EP, WP & halter..Finally comes CHARARAL'S CANDY SPOTS, a 1 month old P.O.A. chest. w/blanket. All 3 hopefully will be Champs. Bet they will, Kim!...Jackie Nace has the mare DESERT SHADOWS who's a sorrel w/large blanket to her withers, a few lg. round spots & 4 stockings. Des' is a fantastic broodmare foaled in 1960 & she's produced 9 foals & been living with Jackie almost all her life. She was born out west & shipped east in a load of green broomtails. Jackie says she was lucky enough to receive her as gift from her father. You ARE lucky, Jackie. Good luck, and

★ **Live!** ★ ANYONE INTERESTED IN A LIVE SHOW IN SUMMER OF '76?!! ★

HI! I'm Tina English & live about 40 miles out of Kansas City, Kan. & would LOVE to entertain some model showers at my place this summer. If enough are interested, I'll plan a super LIVE SHOW w/lotsa extras, such as not only model entertainment but things that'd make it a big party all the time. (EATING!) Please express interest if truly interested & tell me what month you could make it, any ideas for fun, etc. I can guarantee you won't be bored for a minute! All details, dates, activities, etc. will be announced at a later date, hopefully by March..so if nobody expresses any desire in coming & you don't hear from me, you'll know it didn't work! I'm very excited about moving to Kansas because I'm more centrally located & I've been dying to get close to some model people ever since I got stuck in Utah. So please someone write if you can! THANK YOU!! Tina English, Rt. 1, Box 247, Spring Hill, Kansas 66083. BYE! P.S. In case anyone's wondering, I'm 18 & there'll be horses ON THE GROUNDS. (Ed. Wish I could make it up to a show, but it looks as though I'll be in Pa. sometime this summer, or in England, etc. Hope it'll get a response, Tina!)

According to a book sitting on my lap, Palominos DO exist in Arabs, but are not called

THE BRAYING BUNCH Jackie Nace

(28)

Well, HAPPY NEW YEAR! Hope Santa left you all a pastureful of long-eared models! Enough chatter & on to MICHELLE EVANS' Blue Grass Stables & her 1 mule among the growing herd of donkeys. FRANCIS is the disc. Brey mule (love that mold!) recently got from K. Tennant. He's named after the famous talking mule of movie fame. Her Francis can't talk but he has his teeth bared as though at any moment he would... She also has an Appaloosa-marked mule, ESMERALDA (my Essie is jealous...). I love Apps & could not help crossing 1 to 1 of my donkeys. The result was a long-eared, bro spotted jack. Don't think it's impossible, because Amer. Horseman magazine pictured 1 with its sire/dam. So it IS possible... Anyone running a mule or donkey registry currently? Contact Jackie Nace, John White Rd., Highland, N.Y. And please, send NO sire. dam lists in your articles, because I'll edit them out or discard the article. Thanks for the support in '75, and let's keep 1976 braying loud & clear! (Ed. Ever seen a mule resulting from the cross of a Draft Horse & a jack? The results are rather BIG--and are in demand I understand once more. Got some interesting info on long-eared creatures? Send it in to Jackie--can use it!)

HAPPY NEW YEAR TO ALL!! Starting the new year out right we have Mary Highwart at Sahara Sunrise Stables with her great Pinto CITY LIVING. He used to belong to P. Goerke, but Mary bought her this spring passed. She now lives on her dresser with all her friends. She's a bl/wh Pinto Morgan stallion, a totally rep. Breyer Western Pony. She's shown in EP, WP & halter & has won a Judge's choice in a show. How's that for a start?! Hope she'll continue to win for you, Mary. Thanks for letting us know about him! In 1976, THINK PINTO POWER! (Ed. Yes, Mary & Cheryl ARE related, to put your curiosity to rest. Welcome to them both in the MHSJ!)

NOTE!! I've seen registries springing up for other breeds, but what about donkeys & mules? Didn't anyone ever read Brightly of the Grand Canyon? I think they should have a registry, & I'm starting it! The American Donkey & Mule Registry is open to all owners of such. Send sex, color, age, birthdate, breeding, sire/dam, markings if any, & your name/address. Interested? Please write! Amy Rosenbaum, 27 S. Derby Rd., Springfield, N.J. 07081. Until then, think DONKEY & MULE & HINNEYS!! (A hinny is a stallion (horse) crossed on a jenny (donkey). Now you know...)

THE INTERVIEW featuring Valerie Susan Hargreaves (alias the 'pony')

Val, as she's known here, stands 5'4" tall, has red-blond-brown (a weird color) hair, large blue eyes, & was born Sept. 15, 1960. (Hey, you were born on Battle Of Britain Day--Ed.) She arrived in Pittsburgh, Pa., but left there at age 12 to St. Catharines, Ont., where she calls herself a landed immigrant. Linda Wheatley & Cathie McInerney introduced her to model showing the summer after moving there. She got the ball rolling in Oct.-Nov. '74 & her first 2 models bought just for showing were birthday gifts, a dap gr Arab 'Kayal' & a scamp of a Beswick filly in dapple. She is now in Grade 10 in an open area school, & besides her model interest, she participates in basketball, gymnastics & boy hunting! She's also a cheerleader & loves it, plus is editor of the school newspaper & heads the Canadian Model Club/Registry. She groks Elton John & The Spinners,

**\*ECLIPSE DE LA FOX THE MODEL APP FOR YOU?**

What does the blood of \*Eclipse de la Fox mean on a pedigree? It means that your horse IF he qualifies, will have the exact blood of the most-celebrated Appaloosas ever produced by one of the top farms you know. The same blood of the now closed-book of \*ALCONBURY HILL and AMERICAN EAGLE SQUADRON. He is now, the one &

only outside horse with the genes of the 'Golden Cross' (\*Alconbury Hill x Plaudit's Majorette), now open for booking.

His show record? 25 various Championships in 10 months of limited showing. Included are several A.M.H.R. International awards, and 1975 WORLD'S GRAND CHAMPION PERFORMANCE HORSE.

Still not enough? Well, he is one of the most unique and 1 of the best conformed & rare Apps around: the BESWICK QH FLOCKED blue/grey roan, white highlights, blk mane/tail, striped hooves, pink nose, and hundreds of large & small flocked blk spots. Sound nice? HE IS.

WHY ARE WE MAKING SUCH A BIG DEAL OVER HIM? Just read why. Sign on the spotted line of quality. His daughter showing only in halter has gone to 3 shows & come back with SIX Championships. Look for \*Eclipse Steel Pulse in YOUR shows...NEW RULE: All horses must have ECLIPSE in name in order to be considered for breeding. If horse is imported (England, etc.), an asterik must be used. WINDSWEPT, Box 266, Big Rock, IL. 60511. Bye.

INTERVIEW continued: Val loves to write letters & wants to contact all the Canadian showers out there, as well as from her hometown. Thanks!

INTRODUCING... **BICENTENNIAL MEADOWS**

HI! We have a fine selection of Hagen-Renakers & other top models. Also we have a kennel with top dogs! We have been known before as BRANDY-WINE STABLES, but we've changed our name to BICENTENNIAL MEADOWS. We've been around for a little over a year & have been showing about 6 months. At the moment we have some H-R's to trade: Monrovia 'bay' "Roughnecks" & chestnut "Miss Peppers". All perf. cond. We shall consider every offer & will answer only those who enclose a stamp or SASE. All of us here at Bi centennial Meadows would like to hear from YOU. We adore letters! Well, we must get going. Bye for now! Marlene Penuela, 4423 Alumni Ave., Los Angeles, Calif. 90041. (Ed. The 'Roughneck' mold is the Morgan standing foal B-550, and 'Miss Pepper' is lying down & is #701. Both nice! & both at one time came in the brown/chestnut & Palomino. Palos. are scarcer.)

BESWICKS!!

JUST ARRIVED!! If you want 1, don't hesitate to write or call to hold. Time payments accepted if, short term.

These are part of a special order placed 1 1/2 years ago & don't know if others (different) will be sent. Only have 2 each. There are few like 'em in the USA currently. Aside from the advantages of owning a fabulous Beswick think of showing a unique 1 in the showring. I do have pix but by the time you write, the models may be sold. Try at your own risk, and please do not take my time or yours asking to see pix if you're only curious & not serious in buying. They are intended for serious collectors because that is the quality of them. Think the price high? Have you checked postage lately? (Newer model showers, Beswicks are ALL made in England.) However nearly 1/2 their beautiful horses are not sold in the USA. To obtain 1 you can buy from a shop in England or a friend there, then pay postage (air for fast arrival, surface for months' travel). Stores carrying Beswicks here tell you they cannot order these nor do they have the catalogs. The only to get them is by direct writing a shop there or get a friend to buy while in England. Shops wait months for orders to be confirmed & then shipped! These are the horses to sell:

- 1. HACKNEY: #1361/8760 brown (bay) 7 3/4", \$32.
- 2. PINTO: #1373, 6 1/2", \$32.

\* This superb golden  
 dun Appaloosa  
 stallion with flaxen  
 hair mane and tail  
 and dark brown spots  
 belongs to lucky Heidi  
 Heinlein. He was re-  
 painted by Sherry  
 Cook as well as made  
 by her. In less than 2  
 years of showing, he has  
 amassed 25 Grand as  
 well as many other top  
 awards. An interesting fact  
 is he was her first model!  
 What a way to start!
