THE MODEL HORSE SHOWER'S JOURNAL

November --1976

Welcome all once again to the realm of the mini-equine. Got a few notes to cover here so please read. How about the MHSJ listing all stable/farm names with their owner's names in a future issue? This should serve to avoid confusion in the future in duplication of names. If you want to be listed, send your name & stable name to LW...Please send column articles directly to the column writer, not to me. If the column hasn't got an address listed for it, then it is filled currently...Please don't send me Canadian currency for payments because it cannot be exchanged here. This does not apply to my Canadian readers though...Well, time to hit those shows, so I'll see you in the results, and take care. HAPPY THANKSGIVING!

WHY is this Fox Hill Hunt Club owned mare destined to be #1 in the Arabian showing????? Let me introduce you to *Nahlah, a dream mare. To start off, her breeding is superior (*Morific x Indian Genii who is out of *Serafire). Now we know breeding isn't everything, but this mare has more. She is a stunning very light dapple grey with a long silver hair mane & tail. We want more from a horse than beauty, & she gives it. She Park Horse with high stepping gaits & right down to the calm slow gaits restock classes. To add to all of this, even her ability in a field more important than the showing, namely she is a top broodmare. 2 foals: The Fonz was her 1st, an acci- ing that proved quite good as he shows her 2nd is a filly who should do well grows up a little. *Nahlah's a 10 yr. is a warning--Look Out For Her Soon!

The PUBLIC ENEMY NO. 1 DYNASTY...

With SO many Thoroughbred sires advertised, why should YOU breed to Public Enemy No. 1?

PUBLIC ENEMY NO. 1: 12 yrs., 130+ foals, bay stallion, IMTBR Breeding R.O.M. III, 5th on TOBA Leading Sire List, 17 track wins for \$1,111,497, 22 1st's and 8 Grands (all within 7 months), (Man O'War x Go Lady Go by Go Faster Too):
Fee: 25¢ (FREE to TOBA & IMTBR foals*) SASE req.

And his offspring...

- BRITTANY REBEL: multi-Champ Hunter, 1975 TOBA Natl. Eng. Perf. Champ

- RUM BLOOD: winner of \$1,316,000 on the track, IMTBR Breeding ROM
- MISS INDEPENDENCE, REPUBLIC: showing Champions!
- ROB ROY: IMHC ROM & LOM winner, owned by Cedar Poles Stables
- SPRING SONG: Champion, on her way Up! owned by Diane Eiselt

Plus triplets! From his '76 foal crop (dam is Silken Pleasure), comes...
 ALWAYS A PLEASURE (colt), SILKEN SINNER (filly), EARTHLY PLEASURE (c).
 Plus MANY, many more. Also sire of Paints & Appaloosas! Isn't it time YOU had a son or daughter of a Living Legend!? Excellent bloodlines, a winning shower & racehorse, many Champion foals, all the requirements of a sire, THAT'S why you should pick PUBLIC ENEMY NO.1 over other stallions as sires of your foals. THAT'S what made him THE most popular TB stallion today!

ALSO, we have 1 of the most famous broodmares here, *PRIDE OF BRITAIN. Although sparsely advertised, she's earned her IMTBR ROM III in Breeding, over 50 foals! How many mares do you have won in racing, is a Champion showhorse & has that many quality foals? Our black mare, 28 yrs. old, was imported from England at age 5. She went on to be the dam of Champs & is undoubtedly the most influential mare in TB's. Her lineage: Man O' War x Go Lady Go II by Go King. Think she's earned her laurels? We do, & we can't find a mare to compare with her. You won't either. Her fee is 15¢ & SASE, plus info on sire & foal.

Write for our brochure & compare: you'll be surprised how many TB's are out of or bred to WINDSOR stock. We carry the biggest variety of famous bloodlines, a 3:1 ratio of mares to stallions, title winners in showing & racing. Free, for business-sized SASE, it features 0/40 broodmares. Others may say they've the best but why deceive yourself? Breed WINDSOR! Alma Souza, 43 Brooks St., Maynard, Mass. 01754. Thank you.

The PUBLIC ENEMY NO. 1 DYNASTY...

With SO many Thoroughbred sires advertised, why should YOU breed to Public Enemy No. 1?

PUBLIC ENEMY NO. 1: 12 yrs., 130+ foals, bay stallion, IMTBR Breeding R.O.M. III, 5th on TOBA Leading Sire List, 17 track wins for \$1,111,497, 22 1st's and 8 Grands (all within 7 months), (Man O'War x Go Lady Go by Go Faster Too):
Fee: 25¢ (FREE to TOBA & IMTBR foals*) SASE req.

And his offspring...

- BRITTANY REBEL: multi-Champ Hunter, 1975 TOBA Natl.Eng.Perf. Champ
- ALL'S FAIR: 1976 TOBA Champion Three Year Old Filly
- RUM BLOOD: winner of \$1,316,000 on the track, IMTBR Breeding ROM
- MISS INDEPENDENCE, REPUBLIC: showing Champions!
- ROB ROY: IMHC ROM & LOM winner, owned by Cedar Poles Stables
- SPRING SONG: Champion, on her way Up! owned by Diane Eiselt
- SENSATION: Champion Racehorse, owned by Charmaine Freylich
- *RAPIT TRANSIT: winning racehorse, fine sire, owned by Haven Hill Farm
- *MISS IOWA HALE: popular broodmare, owned by Haven Hill Farm
- STRIKE OUT: Excellent racehorse, owned by Beth McCarty
- ONCE AGAIN: Champion showhorse, owned by Beth Wetzel
- BROOKE: Grand Champion Racehorse, owned by Mary Highwart
- Plus triplets! From his '76 foal crop (dam is Silken Pleasure), comes..
- ALWAYS A PLEASURE (colt), SILKEN SINNER (filly), EARTHLY PLEASURE(c).
- Plus MANY, many more. Also sire of Paints & Appaloosas! Isn't it time YOU had a son or daughter of a Living Legend!? Excellent bloodlines, a winning shower & racehorse, many Champion foals, all the requirements of a sire, THAT'S why you should pick PUBLIC ENEMY NO.1 over other stallions as sires of your foals. THAT'S what made him THE most popular TB stallion today!

ALSO, we have 1 of the most famous broodmares here, *PRIDE OF BRITAIN. Although sparsely advertised, she's earned her IMTBR ROM III in Breeding, over 50 foals! How many mares do you have won in racing, is a Champion showhorse & has that many quality foals? Our black mare, 28 yrs. old, was imported from England at age 5. She went on to be the dam of Champs & is undoubtedly the most influential mare in TB's. Her lineage: Man O' War x Go Lady Go II by Go King. Think she's earned her laurels? We do, & we can't find a mare to compare with her. You won't either. Her fee is 15¢ & SASE, plus info on sire & foal.

Write for our brochure & compare: you'll be surprised how many TB's are out of or bred to WINDSOR stock. We carry the biggest variety of famous bloodlines, a 3:1 ratio of mares to stallions, title winners in showing & racing. Free, for business-sized SASE, it features 6/40 broodmares. Others may say they've the best but why deceive yourself? Breed WINDSOR! Alma Souza, 43 Brooks St., Maynard, Mass. 01754. Thank you.

WALK 'N' NODDER HIGHLIGHTS Jan Snyder (column writer changes soon)

We're visiting Beth Stein at the Maple Leaf Ranch in L.A. Her GO BOY'S BAY RUM has the most bursting personality you ever saw & he's going to tell us all about himself! 'Hi! Right now I'm the only TWH here at the farm. I'm a 5 yr. old stallion but at present only have 1 son & that's DELIGHT'S BUMIN' AROUND, owned by Pat Ross. My mistress is very proud of me & with good reason. I'm a Grand Champ which is something not too many TWH's can claim! She tells me I'm the Breyer TWH rep. blood bay w/real hair m/t & real red/white ribbons. I used to be just plain bay but then I received the hair & ribbons & the 1st show I entered after that I won 1st in every class entered! Including Open! And I got the Gr.Ch.! I'm a flash fellow & I know it, but it does get tiring staying in this extended position all day long. Don't tell Beth, but at night I hop off the shelf & run around. After all a horse can get leg cramps standing that way all day. See ya!' Thanks to you 'both' for the wonderful visit! Fantastic horse!

FUN WITH FOALS! Lisa Kirilan First off, a note about my column. People, please limit yourself to 2 foals & tell all you can about each., not 4-5 words! Don't worry if yours is not in yet--am getting to it. Now here's news from Paradise Ranch, Wayne & Paula Nelson's fine spread. Both the foals there currently are Morabs, out of their Arab mare Paradise Alhamdu Lillahi & by their foundation Morgan stallion Summerhawk Paradise. The standing position colt is PARADISE LILLAHI HAWK & his weaker twin sister is PARADISE LILLAHI LARK, in an alert lying pose. Both are rich red bays w/light pts. growing darker w/age. Their s/d are H-R's but those two are unknown Japan makes. That may make you think they're not high quality, but they intend to disprove it when starting to show. They are so fine they retain the distinction of being only 2 of the 8 unremade/unrep. models shown by Paradise... From the Red Gate Stud Farm owned by Anne Gerber, APPROACHING INFINITY comes. He's the Brey. running foal rep. leopard App by Susan Rowe. She is by her stal. Alconbury Honor & is every inch a Champ. She should be shown by the time you read this... Another good foal is ROSE SQUARE owned by lucky Val Black. In her 1st show she won 1st! She's the Brey. Fam. foal re. flashy blk. App w/stripes & 3 socks & is 4 mos. old. (Nashotah x Leap. Rose)! WOW!

GREETINGS MODEL HORSESHOWERS! I'm sorry to tell you I'm leaving the model show business soon. Just lack time & \$\$ to keep it up. The BVHC is also closing. I'd like to thank every one who helped me get started & who joined & entered the shows, & all I was associated with. THANKS! I've still some things to get caught up on as you know. Please check your records to see if I owe you any ribbons or pix, etc. Apologies for late items! Horses owed from long ago will be sent shortly. Here's what's left, most of my models & pix. All good cond., all ppd. Send stamp to see pic. Any questions, send stamp. Thanks again! Linda Cannarsa, 34 Renwick Ave. Huntington, N.York 11743.

 * PLEASE! An Im-

 from Barbara Brown regarding MODEL HORSE TACK: As many of you know, I stopped making tack for awhile due to another job. By the time this is in print, I'll have quit that job. I decided I'd rather be doing something I enjoy so will officially be 'back to tack' Oct. 1st, 1976, doing business as TINY TACK. The tack will be much better than before & am now organized & plan to make tack for at least 3 more years. I'd like to emphasize though, that this tack is NOT junk but is very realistic & the best around. Prices are slightly higher than before but well worth it. Your models deserve to be shown under the best tack. Don't delay, send for our fold-out pictorial brochure today, only 25¢, no SASE req. Send all inquiries to TINY TACK, 607 Benedict Way, Casselberry, Fla. 32707.

SHOWER!! Yes, YOU! Do you love your beautiful original finish model? But you have to admit he doesn't show as well as he could because he's not unique? WE HAVE THE ANSWER!..AND YOU! You know that fantastic repainted model of yours you're so proud of? WE can make him TWICE as fantastic!!

★ WIZARD'S VALE WORKSHOP IS HERE TO SERVE YOU! ★

That's us, we're your 1 & only REHAIR SERVICE. We can give your model that stunning REALISTIC hair mane/tail you've been wanting or needing. I think I can confidently say there are none better than WWV. Nearly 99% of all the models here have hair m/t & we have been doing it for 3 yrs. for myself & friends. They prove themselves in the showing! Any MAKE, MOLD, COLOR, OR BREED CAN HAVE THE ADVANTAGE OF REALISTIC HAIR M/t. If you want to see pix of any mold or breed, etc., we can show it to you. I've Beswicks, H-R's, Breyers & others, all w/superb hair m/t. Also can give you names of several people who own models done by us. Heard of *Los Bravos (Champion Paso stallion owned by M.Highwart)? He's an orig. fin. Breyer Paso in bay w/long & flowing black hair m/t. Then there's our own pride & joy, ELDAMAR'S CONSTELLATION (Champion PA stal. orig. fin. white w/WWV white hair m/t). Have you established or future champion added to the list.

THE METHOD: We use the finest fake fur or hair available. It's not all blotched up or clotty & it WON'T FALL OFF A WEEK LATER. Others have had this problem but we, never. It LOOKS real. I put hair right on over the old mane & forelock, leaving no loose ends. It looks like it grew right out of the model. For tails there are 2 ways: for chinas or plastics I can apply hair right to the old tail, or for plastics such as Breyers I can remove the old tail & put on a new hair one with a wire base. This method is really great because you can have it shorter or longer than the old one & it makes for a much-better look. This way enables you to change the position of the tail anytime you want, combed out for 1 pic, blowing for another.

10

We're really sure this is the place for your model to improve his/her looks. Please write us w/your questions. Prices vary w/each job or model but are fair & low. Write w/your ideas & I'll give you an estimate. DO NOT SEND MODEL BEFORE WRITING TO ME! We can also do a limited amount of excellent repainting, only on request. Don't delay! Write now for a Wizard's Vale Original! Karen Yungkurth, 306 Ridgely Rd., Endicott, N.York 13760. Was formerly Evenstar Arabians, note new name, Eldamar Arabians.

SPOTLIGHT ON MARES * Karen Heinitz Lisa M. of Lucky 7 Stables wrote in
about MISS MOONSHOT SPOT, a 7 yr. old bl.wh roan/App mare. She's shown &
used for breeding. Her sire is The Moon's Prince & she's out of Miss
Dragon Babe. She's the dam of Dawning Joy, Blue Frost B, Calamity Jane

port. Thanks, Lisa!..Kim Van Rensselaer has many mares at Haven Hill (11)
Farm but she does have a favorite, named RUSTY'S DIXIE DOLL. She's a 3
yr. old Breyer Family Arab mare rep.rem. gorgeous App with hair m/t. She
is by her stallion Rusty Bars & out of Poco, My Stic Bars. Dixie is shown
in halter, WP, EP & hunting. So far her record is 1st, 2nd, 4th, Champ

top girls. Thanks for the write-ups! /ED.NOTE: If you borrow a photo of
someone's work to see what they do, such as repainting, remaking, hair-

HI, ALL! I'm a rather new shower showing only a few months, but I'd like to take this chance to introduce you to a few of my 'herd'... First here's 1 of my favorites:

*MIRAGE

(IMA BEE--B. Sumser owner x
TOLAN LEO ROSE--real horse)

Why is he so special? He's my first Boswick, the Quarter Horse ib bay! He is 8 yrs. old & presently shows in hal., EP, WP & Trail. Later he'll be shown in roping & barrel racing. At his very 1st show he was Grand Champion, plus his placings were 1st-7, 3rd, beating several well-known Champions. As you can see, he's on his way to a brilliant showing career!

I'm almost bursting with pride over the purchase of TEJAS PALE FACE, because as many of you know, he's a multi-Champion Paint stallion. I'm grateful to G. Venator for selling him to me!... LEO SLASH is my newest & most promising QH stal. He's a Brey. Adios rep/rem a beautiful dk. chestnut w/hair m/t. He will soon hit the showing, so watch out!... RUSLTER'S SANTIAGO is a Brey. Adios rep. leopard App, shown in hal., WP, Trail & Harness. At his 1st show he won 1st-2, 2nd, 4th, 5th, 6th & was named Judge's Choice. As his name implies, he is sired by D. Dildino's 'The Rustler'... FARAA'S SILVER WINGS is the PA mare rem. into a flashy trot & rep. dapple grey. Though unshown, with her style she'll go far!... My fav App mare is DUSTY BOUND, the Brey. Perf. App rep. dk. chest. w/ large blanket. She's really gorgeous!... Here I'd like to thank everyone who purchased or traded for models on my previous for sale lists. The (3) money was used to take pix & for show fees. Also a big thanks to Linda W. who runs a great MHSJ!... Also, NONE of my models are up for public service. After they've really proven themselves Champs, they'll be offered out not until then... To clear any confusion on why my address changed so much, I didn't move every month. But when my husband & I moved here, we rented a trailer. Surprise! The owner decided not to rent! There was another, which we took, in the same park. We didn't like it so bought our own. Now we're happily settled in & make no plans to move again. Thanks!

LEFTON LORE Madeline Duntley, 4147 14th Ave. So., Seattle, WA. 98108

Happy Thanksgiving to you all! Dodging wild turkeys comes Anne Haines to tell us of 2 of her lovely Lefties. At Twin Eagle TB Farm are 2 Leftons, the best being *SEAFARER'S GLORY, a chestnut stallion. He's unusual, standing 10 $\frac{1}{2}$ " at cartips & is a lovely chestnut glossy w/4 socks, star/blaze & darker m/t. The number A46 is on his stomach. He was identified as such after a long search. At his 1st show he picked up Grand, plus 2 other Champs & a few 1st's! He then went on to win Hi-Point Horse or Pony 1975 in the Hoosier Model Horse Club & Registry. He shows best in halter but also goes in EP, WP & bareback. He has many, many placings in less than a year's showing.. The other Lefton, SANDALWOOD (*Sea, Glory x *La Belle Reine) is a sandy bay TB colt w/4 socks, star & braided tail, short mane, standing 4 $\frac{1}{2}$ " tall, #H4871. He's unshown but has great potential. Both sound like beauties & both are long disc. I'm sure. Write in if you've got some current info on Leftons or even some older goodies. (Ed. Recently coming to light is the theory that maybe, just maybe, the companies of Lefton, Shafford & Napeo use the SAME molds to make their horse lines. In comparing KNOWN Leftons against others, they are remarkably ALIKE. If anyone can deny or confirm this theory, we'd love to hear from you. Photos I've collected show them identical! Thanks.)

ARAB NEWS Mary Highwart (column FULL!) HAPPY TURKEY DAY! This month brings us to Cathy Shanaway & to Silver Mirror Arabians. Cath owns NA* BORRO (Naborr x Golden Whistle). He's a white '60 stallion & fabulous sire. He's the white H-R 'Amir' & recently came out of retirement. Hope he did well!.. Silver Mirror Arabians shows us SATAN, a '64 blk. stallion by *Shetan out of Johar... *JAMSHYD is a '54 chest. stallion & is a full brother to Johar.. BLACK RUBY is a '64 bay mare seldom shown, and *HECATE is a blk. mare, also unshown. Finally comes DEVIL, a disc. silver dapple running foal by Satan. Whew, don't they ALL sound fabulous? Time to go eat a turkey sandwich. ARABIAN HORSE POWER! (Ed. To answer someone's inquiry, YES, Arabians CAN have bloody-shoulder markings. Also TB's because they are descendants of Arabians, remember? Bye!)/ A LONG OVERDUE THANKS to Kay McCue who allowed the use of (KOH-I-NOOR for 1 of our stals. Altho both are certainly 'Mountains of Light', our babe can't hold a candle to her fabulous Arabian! Many thanks. Alma Souza.

Today we visit Jackie Nace of Tanglewood Stables. 2EO Canada
 Her *MAPLE LEAF (Bold Ruler x Canadian Lady) was a gift from some friends who bought her in Manitoba. She won a Champ Mare & Judge's Choice in very limited showing. Her daughter is a beautiful Palomino JO foal named TOMAD ACHI (Japanese for 'friend'). In her only show she placed 8th in foals at a live show. Jackie hopes to get a pic & start her showing career this year. They sound beautiful, Jackie! Write now, all of you! Thanks!

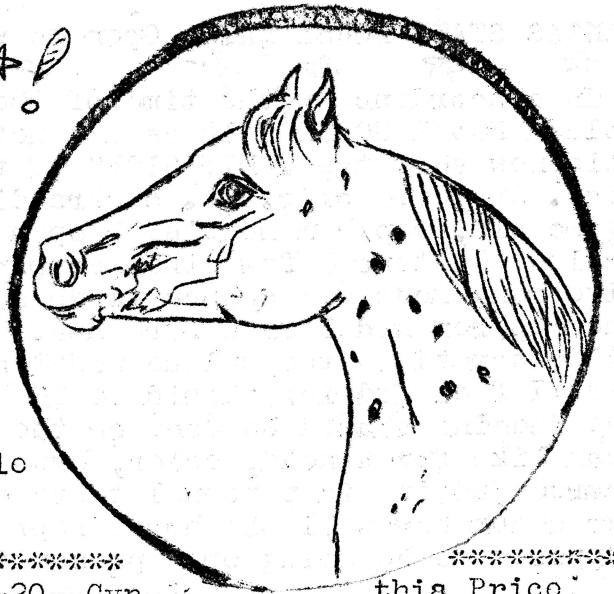

ATTENTION HORSE ART LOVERS!! Now in stock, professionally reproduced 8x10 copies of 3 of my pen & ink drawings. Your choice of an App (stock type), 2 stallions fighting (mare herd in background) or a buffalo. Painstakingly detailed & reproduced very nicely. Suitable for framing or matting. Selling for 50¢ per picture. All here waiting to be mailed! They make nice inexpensive gifts for horsey friends or top prizes for those model shows. Coming up, 2 Indian designs, 1 Apache & war pony, 1 Plains Indian on war pony. These are silhouette & will be made into folding note papers. Also will have a Saddlebred for gaited fans, stationery notes also. A limited supply of 100 each are on hand right now of the first 3 designs. No SASE req. Contact Margie Lancaster, 103 N. Caldwell, Ft. Scott, Kansas 66701. (I strive to satisfy & will mail promptly. I hope to get eventually all popular American known breeds on the market. These are a start. Due to a hectic summer things got behind, but am working on getting them back to normal. Apologies for late things! Sheesh!) THANKS!!

SADNESS hit one of our shower-members recently. Pam Valliere lost some beautiful artwork in a fire at an exhibition. I saw a picture of the Arab head she had done, and what a beauty--gone now. As an artist, I sympathize & I hope this won't prevent you from painting again. Pam won a 1st prize on one piece, so the loss was doubly hard to take. But hang in there! The fire took not only her artwork but that of MANY other fine artists & craftspeople. We're so sorry..(for the 4 artists in our home.)

LOOK OUT WORLD!!! Here comes....

WEIGHTED SHOES & TAIL SETS Tina English, RR 1, Box 247, Spring Hill,

*I just heard from Wayne & Paula Nelson of Paradise Kansas 66083. Ranch. They rep/rem their own horses & started out with Quarter Horses. However one day they were walking thru a nearby farm & spotted a blue-black 5-gaited ASB, & from then on, they knew they had to add that breed to their farm. Their grace & beauty in action are unexcelled. (TE. I'll munch to that!) Being readied for the ring are 2 remade mares, both rem. Broyer 5-Gaiters but changed quite abit. The 1st is PARADISE SENSATION, a fiery re-dchest. by Commander Rex out of Doubletree's Sensation. She has an animated trot & is almost unrecognizable as a Broyer! Next is BOURBON'S PARADISE (Bourbon's Golden King x Para. Sensation), her 1st daughter in extended rack position. She's a light Palo. w/wh. markings. They feel they'll have no trouble at all competing with the stallions & goldings in the shows. They'll show in action/conformation hal., Sadst. pl., fine harness & parade. Both are done in oils & have real hair m/t's. They also wear thick horseshoes to add to their action. Thanks all!

KANSAS STATE HORSE FAIR: Open to whole USA & Canada. DEC. 20-30--\$1 fee.

In concordance w/the time of the year, the Fair season, I've decided to hold a MODEL HORSE FAIR as a benefit for my filly ROCKETTE plus try out this new show type. DIVISIONS of the total show as follow: Current Brey., Disc. Broyer, & orig. fin. others disc. (Harts., H-R's, etc.), repainted only models, rep/rem models, & open div. where all compète. Current Breys. include Leftons & few other companies still producing. I figure this'll give many models a chance to do much better not having to compete against the rep/rem model or a rare H-R. With the orig. fin. models all looking alike, sometimes the unique model gets priority, because it catches your eye. I feel judging should be ON THE HORSE, not photography OR tack, & the judging should be done on the basis of SUPERIOR BREED TYPE rather than like for a mold, color, breed or any other personal judgements. Of course judging is personal taste but the judge MUST be completely objective about how well the horse represents his breed type or anything he's supposed to be doing or representing. Now to the show...

DIV. I.**: Open ALL currently-made orig. fin. models, nothing added, not even a sock.

DIV. II: Open ALL DISC. ORIG. FIN. MODELS, Harts, Disc. Broy, all H-R's, etc.

DIV. III: Open all REPAINTED models only, NO HAIR, No Repositioning, horses w/added socks, blazes, must go here since they changed & aren't technically original finish anymore.

DIV. IV: Open to all REPAINTED, REPOSI., &/OR REM. MODELS, may be orig. fin. & just reposit., or rep/haired, or orig. fin. w/hair added, or comb. all 3.

DIV. V: Open to EVERYTHING, any model, enter all your good horses to give a better chance of competing for over-all Champions.

The (*) refers to classlist key. (+) refers to class RULES. These are clearly designated later on. Classlist is same for EACH DIV. EXCEPT WHERE SPECIAL CLASS CHANGES ARE MADE. Please designate on BACKS OF PIX Div. No. All classes on back all pix. Proper tack req. all perf., no hal. req. in halter classes unless otherwise stated (showmanship).

NEWS NOTE: One member wrote in asking how come the new Breyer P.O.A. had spots on 1 side, but few if any on the other! Seems there was a minor slip-up in the painting areas and these 5-spotted models were produced. Now the models have been corrected, so the 5-spotted models are going to become collector's items I'm told. Have you an unusual model that the company goofed on? If so, let us hear about it. Someone found a Justin Morgan with a star--over his ears. Another located an older Family Arab mare in Appaloosa, with no spots on her rump. If you come across some oddities, we collectors would like to know about them. Thanks, gang. LW

UNUSUAL BREEDS c/o Bette Brown (C.Coker featured article)

This fine animal is native to South Tyrol but is found throughout Austria and Germany. These ponies are about 13.3 hh and are used for pack & light draft work. They are usually chestnut or Palomino with a long, full flaxen mane/tail. Conformation-wise the breed has a fairly-long head with large eyes & small ears, a long broad back, strong quarters & short legs with hard hooves. During the past 20 years the Austrian government has greatly improved the breed, owning all the stallions & inspecting all the mares to be bred. (Ed. I saw a team of them in Germany, & I fell in love with them!) Thanks for the info, Cinci & Bruce! Back next time with more GREATS!

This issue gives me the chance to tell about a few of my Apps! Rowan SKYLINE PIGEON is a 7/8 Arab/App gelding by our Desert Sands & out of Susan Rowe's Sunshine's Royal Flush. Sky is an H-R 'Amir' rep. rodn loop. by D. Nelson & is a Res. Grand winner in halter & huntseat... Another Sands foal is DESERT SUNSHINE, a bay colt w/frosted rump. Sun is out of another of our better showers, Sunshine's Antique Silver, & is a good shower with several Ch/Res. in halter. He s the H-R mini Morgan foal rep. by Jo Man-ess. They both do well because of their eye-catching color & detail. Bye!

TOP REPAINTING & HAIRING!! Low prices for high quality work! I've been repainting for about 2 years & think I'm in the top ranks but just have to make it 'known'. Sample pic of any color, send SASE & 50¢ per pic (refunded when pic returned). If you have questions about anything, send SASE. When you have a horse rep. I'd prefer you also have hairing done since it looks so much more realistic. Specify markings or no markings, unless you want me to do my own which is fine too. If you wish when ordering Pintos, sketch a rough diagram of pattern. Always enclose enough postage for the model to send back. Will also take 35mm pix EP, h/j, Eng. trail, WP, W.Trail, harness, bareback, sadst., Arab or Indian cos., of your rep. for 50¢ each & SASE. Please, no ceramics or chinas! Sandy Matson, Honey Locust Repaints, 560-36 1/2 Ave. N.E., Minneapolis, MN. 55418.

THE BRAYING BUNCH Jackie Nace Well, it's a crisp, cold late autumn day & a great one to haul out the cart & hitch up ole Essie. We spin down the road towards Sahara Sunrise Stables where Mary Highwart is just turning PATSY into the pasture. She's a little flocked Hong Kong burro, a little 2 yr. old filly. It sure is funny to see her with the others, because all the horses are fascinated by her ears. Watch out! One just nipped at her ears & he was met with flying heels! He'll learn eventually I guess. There goes Patsy with the little Connemara mare under an old apple tree. Well, it gets dark early in Wheeling, W.Va., so I'd better turn Essie homeward. Bye! See you all next time. Happy Thanksgiving to you all. And be thankful for those little LONG EARS! Donkey Power!

MODEL SHOWERS

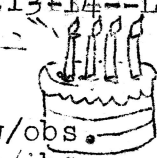

ers such as the Proud Arabian, etc. Because I much buy them in pairs, I would like to have a good response on this. They are \$36.00 a pair & 6% sales tax, or \$18.00 & postage per bit. THERE IS NO MARK UP ON THE PRICE! The price on these has risen \$14.00 in just the last year so don't wait! Believe me, these bits are worth every penny & they don't hurt your showing record either. I'll include instructions on altering the bits with any purchase. Inspection pic available. Don't miss out, they are hard to get ahold of & I don't know how long I'll be able to get them. Write

today & include SASE when inquiring. Marla Vander Meer, 6841 Harrison, Corona, Calif. 91720. Thank you. *****

 16. mixed = Beth Peart sent in a description of
 17. open =
 17b. others = the proper hunt tack for hunter Appointments class. An Appont. class is judged on the tack, & overall neatness.

As a basic guide a horse's appoints, include a sewn bridle of any type except gaited kind with long shanks, a breastplate (V necked, please) is optional. Saddle attachments include a sandwich case, brandy flask, hound coupling leash, wire cutters in a case (all attached onto side dees). A pair of string gloves should be placed folded thumbs across the palm on each side of the saddle underneath the girth with the fingers pointing toward the front of the saddle. The fingers should just show under the (30) flap. If you take your time & do it properly, photograph the model correctly, your efforts will pay off. Believe me, when I show a hunter it is turned out in the most resplendent tack & those horses WIN! Thanks, Beth! The side dees she mentioned are the rings found on the back panel of the English saddle. Do your best, hunter showers! Thanks very much for the info!..I received an answer from Breyer concerning the question of who does the designing of the Breyer models. Breyer wrote, 'Mr. C. Hess is indeed the sculptor of our beautiful creations and does add his signature to the mold.' Breyer also write that they judge the majority of the models were changed to the non-glossy, matt finish in the year 1969. So if you have a glossy Breyer, chances are it was made prior to 1969. Bye!

GRRRIPES!!! c/o Linda Walter. Please hold off on sending them, folks. Am still swimming in such even now. Thanks for sharing! (?)
'Some words on hoof colors. #1. Gaited & parade horses are usually shown w/blk. hoof dressing applied; whether hoof is grey or white..2. Even the horse has stockings or socks, the hoof is usually grey if horse is solid colored..3. Pintos usually have wh. or lt. gr. hooves if white markings run down from body..4. Apps may or may not have striped hooves although this is supposed to be a mark of the breed..5. I think you'll find more horses have grey hooves than white ones though Nature does funny things..6. Pasos, esp. Peruvians, are usually barefoot (no shoes) therefore the hoof is not painted, only trimmed neatly for show & comfort of horse..8. Browns & Palos: generally have grey hooves. Both my live Palos. did. My chest. QH stal. had 1 wh. foot & it was the same shade grey as the other 3. Look to the Pintos for more white feet than any other color. This was compiled after cleaning thousands of feet & nailing on hundreds of shoes. Have seen less than 100 white feet in all those years..! Anon.

'Being a Canadian I want to straighten out some Americans & Canadians, about Canuck/Yankee postage & money situations. Please remember it's impossible to use American stamps up here. But we're just as enthusiastic & broke as you guys, so PLEASE don't forget to send an envelope w/10¢ taped to it. I do the same, sending an envelope & 13¢ to Americans explaining myself & have had no problems this way yet. Many times I've received an American SASE for a reply from me but I can't use it. A little understanding & compromising easily fixes this situation. I also know Canadian money is not acceptable in the U.S., but U.S. money IS acceptable here at slightly less (\$1 Canadian = 97¢ U.S.A.). Please don't get mad at us if we have to send Canadian \$\$\$. It IS exchangeable in some places. I save all the American money I get to try & avoid this & other times send a money order or check, but sometimes it's unavoidable. Don't worry about sending American \$\$\$ to us. You can use that unexchangeable Canadian \$\$\$ you get to deal with us, too. Thanks for letting me air this. It's important to us Canucks!' P in Canada. (Ed. I tried to exchange about \$30 worth of currency last week, to no avail. But larger cities' banks WILL take it. Ask! And thanks for letting us here know the feelings about that postage. I'll gladly buy you stamps if you provide the money as I believe in helping out wherever possible. Makes for better relations everywhere, so please be understanding, folks. Thanks!)

'Why do people who sponsor a class think they should get some kind of reward? Just as in real shows the purpose for having sponsors is to save \$\$\$ & sponsoring is like an advertisement. It helps get your name out. You can have the showholder say anything you want on the results, like I was at a P.O.A. show recently & the 1st class was sponsored by '--- Morgans, owned by Mr. & Mrs. ---, Home of quality Morgans, see them at ---'. It's really simple & you're doing yourself & the showholder a favor. Even if there are shows that don't say anything about sponsorships, I'm sure many will welcome you & maybe if they are really appreciative, they'll reward you. But don't expect it, please. Appaloosa Sue

'In a show you are judging the horse, aren't you? Then how come some folks seem to judge the background? If you stop & think a minute, our shows are to be judged as closely to the real shows as possible. In the real thing these horses are in a ring, dirt, sand & such, no streams, mountains & such in the class arena, right? I'm not saying you shouldn't try to avoid telephone poles, garbage cans, cars, etc. in your pix. But no matter how beautiful the background, it shouldn't be judged--just the horse...! Careful Pix taker (Ed. What I believe some are trying to point out is cluttered backgrounds make it very hard to SEE the horse to judge it in the 1st-place. We are striving for realism, & anything to detract from the horse makes for bad pix. However, if the scenery overpowers the model's appearance, then that is equally as bad. Ever onwards.)

OUR CREATIONS ARE NOW AVAILABLE! These are offered to those who appreciate QUALITY model-flesh. All are rep. using my own technique that gives a soft, matt, brush-stroke free finish) & have hair m/t; some even had plastic surgery. All have 1 thing in common: beautiful, Champion material! For your check you receive a ppd, insured piece of artwork, well-protected w/shipping blanket, boots & halter. Will also insure showing attendance by including a color 35mm hal. pic w/neg. You can't pass them up Interested? Please contact Winburg Show & Racing Assoc., Debbie Smith, 19426 N.E. Mattson Rd., Brush Prairie, WA

ANSATA IBN FADJUR

Brey. PA stallion
orig. fin. Alabaster
Feb. 14, 1966
Reg. IMAR-324A

He has the best of everything: conformation, personality & foals! He has as sweet a temperament as his Valentine's Day birthday. He's gentle, yet fiery & a joy to handle, & spirited! 'Fadi' is 10 yrs. old & his greyed coat is going milky white w/lt. locks of smoke-grey left only in his m/t. That serves to make him look more noble & wise. He looks at you & you sense here is power, beauty & grace combined into the perfect horse. Plus he passes on his perfection to his get, all 3 KLA-HA-YA horses. His 1st daughter, ANSATA IBN JAFAD, has 19 show placings, 1 race placing, 2 Champs. & a Res. His 2nd daughter, ANSATA IBN WAHAR, has 15 show placings, a race placing, 2 Champs., & a Res. His weanling son, ANSATA SHAH FADJAN (full brother to Jafad) has 2 foal race placings. Fadi himself just started showing in April & so far has 2 Arab costume placings & a 1st in racing out of 176 entries. No drawing can do him justice. He's extremely versatile: halter, EP, Park, WP, trail costume & beginning training in Dressage. This month his usual 15¢ fee is free! This is a stallion who outbreeds himself & with his bloodlines an owner can't go wrong. His pedigree as it now stands may be changed as I just heard of an Ansata Model Stables. Please, whoever you are I'm not trying to infringe upon your stallions' names, please write me so we can work things out. Will refund stamp.

KITE MAN

There are Pintos, there are Arabians, now PINTO PUREBRED ARABIAN! In Arabic historical accounts there ARE records of Parti-colored purebreds, highly-prized & RARE. And KLA-HA-YA STABLES has a stallion for hire! KITE MAN is a bl/wh Morocco Spotted horse, pure white except for the color on his head & neck. Talk about beautiful! With Classic conformation & that Morocco color, KITE MAN is tops in Pinto Arabians. He was foaled June 6, 1969, sired by Pyramid Arabians' *KEESHA (imported Moroc. Pinto Arab stal.) & is out of my mare JAJA (half-brother to Ansata Ibn Jafad) & Ansata Shah Fadjan). I've got a mare for him, STORYBOOK FEELING, a Morocco Pinto (*Keesha x *Halali Finesse). She's placed in shows & races as well as expected. The 2 have a '76 foal, DREAM AWAY, a lovely filly who's placed in 2 races; 6th & 1st. Don't let the different Pinto type fool you, Morocco Pintos ARE true Pintos & 1 of the most beautiful Arabian as possess, any ranch, please FREE for Dec. Desert Dancer

HOWDY FROM OUT ARIZONA WAY! This month I've some information to share w/you about the unknown mold featured in the Sept. issue. Nancy Mongan writes she has several of the horses made by the same company which she thinks is ARTMARK (not to be confused w/ Artline or other Art-- companies also from Japan). Any more info on Artmark? If so, write! Now can anyone identify the horse in the drawing? Sally Wells writes she got him at a flea market & it's about the size of a Traditional Breyer. They also came in mini size because I've one of these, coming in a ranch set years ago. They are exceptionally skinny when viewed from above. Sally's was a kit of some kind. Marcia Jones, however, has one like it that wasn't a kit. Answers please? WRITE! (Ed. I've got about a dozen of the smaller ones, ranging in colors from a pale cream to white to sorrel to black! They were likewise in a ranch set but others came hitched to a small chariot. As for a make...that is an unknown to me. Can someone shed more light?) Thanks, write NOW.

COVER MODEL of the MONTH -

WHITE GOLD:

This beautiful original finish white with grey points Breyer Proud Arabian mare is owned by Rebecca Trucksess. She is a top race-horse and should be seen in various 1976 races. Sired by Champion Racer El Rajah, and foaled by her lovely dam, Tender Habit, she is a prime contender in any and all classes or races!
