

The Model Horse Shower's Journal !

Isn't that Rhode Wirtz's Model?

Why, That is REX SUNSET, a discontinued Breyer Palomino 5-Gaiter Grand Champion Stallion. He is a Foundation sire in GMHR and is an 8 yr. old. Yes, Rhode is very proud of him!

Nov. 1977

NEW SHOWERS'S ONLY SHOW: Pix quality overall was pretty good! There was a really good mixture of 35mm & instamatic shots as well as a sprinkling of Polaroids & others. I was further amazed at the quality of the tack on many models, mostly homemade, and very realistic. Nice going!...Postage: This was the major goof. Very few people sent enough, or they sent stamps which had been used before. This is no good. Also if you put tape over the stamps so they cannot be cancelled, the post office is not supposed to honor them, thus they go out postage due or are returned for correct postage. So please watch those stamps. Several did not take advantage of the slight discount the post office gives you after the 1st ounce of 13¢ weight, being 11¢ each additional ounce. True, 11¢ stamps may be difficult for you to buy or get to the post office for, but in the long run that 2¢-10¢ you save EACH time adds up...Some ribbons awarded were not like the regular show ribbons, & this is because they were from my own winnings. Rather than send back, and disappoint many, very few ribbons to a person, I held a 'mini-show' giving comm. ribbons again. That way all got, hopefully, at least 3 awards/ribbons...Champs/Res. were decided on points & ties were usually broken by looking once more very hard at the entries...Entry fees: We broke even again on the show, thank you! Some of the fees were refunded in part since they were overpaid...Duplicate horses: Had 2 people enter the same horse, under the same name, in the same pix. Since I didn't know who actually owned the horse or who had the show rights, this fine model was disqualified. I'm sorry! But please, show model sellers, how about selling the horse & its showrights just to 1 person--not 2? That is, ^{not} the model to 1 & showrights to another. This leads possibly to the same situation as above. Thanks..Again to all who entered my deepest thanks--and older showers, watch out, they are going to get 'us', ha. Take care, see you new people next year in the show. LLW

WANTED: Your comments & ideas on making a list of model horse names in use, name of owner, breed. One edition made in loose leaf style so it can be updated, corrections made, names dropped, etc. Will have comments & results printed in MHSJ. Cost to buy a list would depend on no. of horses listed. Cost to list names, nothing. Lisa Mullaney, 9903 So. Grovedale, Whittier, CA 90603. / MODEL HORSE CONGRESS, OR HOW I DIED & WENT

TC MODEL HORSE HEAVEN! Where to begin..As noted in the last MHSJ, the meeting hall was CRAMMED with models of all makes, sizes, breeds, remake positions, repaints, flockies, & a bunch of harried showers!! The 3 most talked about models had to be: 1.The Blimp (see its letter in this ish), 2.Pudgey Pony at 12 O'Clock High Stables, &3. 'IT', better known as Liz Bouras' *Sakr, which took Overall Grand Champion. There was no way all could sit down & talk to everyone, because you can imagine about 50 model showers, their families, curious (& awe@struck) onlookers & an occasional stray model ALL running around looking to find out what class was up, which model got what tack, changing tack off of one to another--and in the middle of it, everyone going slightly bananas. If I sound like I had a blast, you are RIGHT...Is it true someone duck-walked the entire length of the long motel hall?...Did a certain MHSJ Editor dessert the group for a certain Sat. night TV show?...Was a black model named Darth Vader created there in the bathroom of one of the motel rooms?...Were the T-shirts rampant with 'Star Wars' on them?...Was there a shower who let out a 'What, who me?' every time her model placed in a class?...Ah yes, people, those were the most wonderful days a shower/collector/repainter/remaker & all around nitwit (me) could ask for. Thanks go to ALL those attending--too many to list by name. Just know, that if YOU aren't there next year, you are missing one fine experience. The classes are being expanded to allow more ribbons to be awarded, horses to compete & lessen confusion. There should be a BIGGER hall for the model displays, and who knows, YOU might have the next Overall Grand Champion sitting at your home right now. Lord willing, I'll invade Chicago again with my gang, & I thank very much Paulie, Janet, Marney, Jeannette, Liz, Marlene, Nancy, Gloria, Gretchen, Chris, Tina, Bonnie & Bonnie, & all the rest...GREAT!

Copies sent out next bulk seal mailing unless additional late mailing fee of ~~**30¢**~~ (new) sent in. If sub in by 10th of month preceding date on issue, you should get that copy (i.e. 10th of Nov. for Dec. issue). ALL BULK SEAL COPIES GO OUT TOGETHER! Am NOT responsible for copies lost by post office. Bulk seal takes its time & goes ONLY AS FAR as addressed, NOT forwarded. ALL OTHER RATES ARE VOIDED BY THESE AS SEEN IN MAG, TACK ADS, ETC. (\$5=7 ish, \$6=9 ish). Send new address 3-6 weeks BEFORE you go so copies are not lost en route to you! And type/print/write name/address CLEARLY. Thanks. /AD RATES!! In effect as

NOTE! of ~~****~~ when MHSJ for Nov. mailed, these rates now apply: \$2.50 for classlist 1 page/under, \$2.50 for for sale classlist 1 pg/u, \$2.50 for stable ad 1 pg/u, etc. NOT ALL YOU CAN CRAM TOGETHER ON 1 page. If ads combined, will be split up & only as much as paid for will be run, therefore no stable ad/classlists, for sale & classlists, for sale/stable ads, etc. Will dump rest. The \$2.50 means you get as much space up to 1 full page for that ad. Please, no drawings on for sale ads? **NOTE!!** I've several ads for the Dec. issue for which only \$2 were paid. These WILL BE HELD UNTIL THE FULL \$2.50 IS PAID! If the extra 50¢ owed is NOT in my hands BY the deadline date (see below), they will be cancelled & returned to you, minus 13¢ for their postage from the \$2 paid in. I don't like this & I KNOW you don't, but every cent counts. SMALL ADS: limit 100 words, no classlists, stable ads long, etc. qualify, 1-20 words=10¢, 21-40 words=20¢, 41-60=30¢, 61-80=40¢, 81-100=50¢. If you send in ad not qualifying as small ad, ad crammed or dumped or returned at your expense. I'm having to crack down on this as too many people are being careless in fees/ads. The MHSJ reaches well over 600+ people EACH ISSUE, so these rates are a bargain & WILL GO UP again if/when the postal system gouges us again. Sub rates will go up in 1978 but not just yet. I reserve the right to edit copy, reduce drawings & hump ads to next issue as space fills up/need be arises. Send classlists in early for copies & avoid late arriving materials. Need an ad guestimate? Send ad & SASE in plenty of time for reply. NO CREDIT, CANNOT BILL YOU FOR ADS OR SUBSCRIPTIONS! Cash must be paid before ad run or subscription acknowledged! Not responsible for cash lost in mail so please send by check or money order to be safe. Thanks! **PHOTO ADS:** (Also commercial company ads) We are working with a printer on this & hope in 1978 to offer these ads to you! Hang in there. For comm. companies, ad rates are higher than the above listed. Inquire. / **DEADLINES!** For Dec. issue: Oct. 24th, for Jan. '78 issue--Nov. 23rd, For Feb.  Hello again! Splendid to see your bright & cheery faces in this crisp autumn weather! Laura Hornick has been busy repainting & found dapple greys were easier for her to do than solid colors. CASCADE ARAKAFRA is the PA mare rep. gorgeous solid blk. & haired, & Laura has high hopes for them all when they hit the ring!...Enterprise Stables owned by Laura Nelson recently received 6 TB colts & fillies who as 2 yr. olds will begin their race careers in '78. They include: RED FIRE (Run. Fantasy x Red Raider III, bay colt); THE SNAKE (Pukka Gent x Swept x *Blenhein II, bay colt), named after the world Champion Funny Car driver Don Prudhomme because Laura's Mom lived nextdoor to him when she was about 14 & was his babysitter!; SORCERESS (Gummo x Aurora x Hyperion); GOLD KEY (Sham x Lucky Wind x Proud Clarion); RED ARROW (Swaps x Noors Image x *Noor); BOLD THUNDER (Secretariat x Dahlia x Vaguely Noble) are all chestnut fillies. Watch for the Enterprise TB's on the track next year!...Janice Cox dropped by to tell us a bit about the new faces at Windy Hills Arab Farm. *NATIVE SUN & *MERZUZ are beautiful charcoal Arabs who'd produced a filly, *NATIVE DAUGHTER. *Nakita is another beautiful char. stal. w/a young foal, *WH NIKITA. ..Jane Frost of Royal Blue Stables has a new mahogany bay PA stal. named I WRITE THE SONGS, shown in hal. but soon EP, Park & Saddleseat. Dear Fellow Collectors & Showers,

Here are the results of the MHSJ Survey. Due to the overwhelming response, I had to set Sept. 1st as my deadline for responses to be included in the results. However, if I received your response after that, it (your ideas & opinions) were included in the final, private report I compiled for Linda. Due to lack of space, only the four yes/no/maybe questions & the top 6 favorite/least favorite columns are listed. Don't worry, Linda has much more complete results than are shown here. If she does opt for changes in the MHSJ, I think she should have our support. Hopefully the survey results will help her produce a better MHSJ for us all. Thanks for your interest in the future of the Journal!

Sincerely,

Teresa Rogers

FINAL RESULTS OF THE MHSJ READER'S SURVEY:

Total no. of people responding: 64 (not all answered all questions)...on to the ??'s.

- #1. Would you object if all the columns except those for specific makes of models were deleted? YES-45 NO-18 maybe-1
- #2. Should other animals/models be allowed in? YES-06 NO-49 MAYBE-5
- #3. Do you wish to see more pix in the MHSJ even if it raises the costs of the issues? YES-21 NO-30 MAYBE-10
- #4. Do you prefer the front page listing of classlists over none there? YES-52 NO-11 MAYBE-1

Three Favorite Columns:

- 1. Color Wise 23
- 2. Gripes 20
- 3. H-R's & New Arrivals & Interview & Stop 'N Shop--tied! 17 each.

Three Least Favorite Columns:

- 1. New Arrivals 12
- 2. Flock Dust 7
- 3. Interview & Walk 'N Nodder, tied at 4
- 4. Spanish Dancers & Breyers--tied at 3

ED. Many thanks, Teresa, for daring to tackle

such an intricate collection of goodies in the way of poll answers, whew. It seems some of the columns are both liked & disliked, so more than likely those listed in 'Likes' will remain. Am seriously thinking over the results in full sent me, and hopefully next issue I will have made my decisions concerning things to happen within the MHSJ. It's time we grew up somewhat, but on the other hand I can see how the younger showers like very much to read about the horses they will compete against & those model makes that are new to them. Whatever I decide I trust you all will hang in there as this is YOUR MHSJ & I want to please the most possible. This issue this time will be a bit of an experimental copy as almost ALL columns will be deleted for ads, so we'll see how it looks. Thanks again to all who responded & especially to Teresa who put it together. LW-7

.....F:P:.....?.....
HISTORIC H-R'S: by Marlene Kosanke (see NA's) Stephanie Rabel writes she only has 4 H-R's but wants MORE. Don't we ALL? *MAZDA is 1 of her 4 lovelies & is the 'Amir' B-707 in rose grey with dark points. He is shown as a 6 yr. old Arab stallion, & this proud & beautiful stallion is a favorite among showers/collectors. He was introduced to the Designer's Work shopline in 1959 & continued in production thru 1976-77. This mighty model came in white with soft grey shades highlighting the mane, tail, legs & head, a deep rosey grey with brownish or even purplish overtones that was a sight to behold (true old rose grey) & the light doeskin with deep brown to black points. His original purchase price was \$4 & in the past few years had been selling in places for upwards of \$8.95. From 1974 on he was produced only in the doeskin/light grey color w/dk. points. Price ranges on the older rosey greys & whites can run from \$15 to \$35 & more depending on condition, age & eye detail. The older the model, the more eye colors used. Such as the oldest usually have tri-color eyes of black pupil, brown outer ring & white in corners, sometimes w/black eyeliner over that, or even just black/white/eyeliner or other versions. BYE!

Sahara Silver Halima

(*Amarna Ibn Halima x *Nahlah+-real)

1969 Egyptian Arabian stal., Haðban Enzahai Strain; Brey. PA stal. rep/rem silver dáp. grey, wh. hair m/t by Sherry McDonald.

SILVER HALIMA is truly a stallion who exemplifies the qualities found in the precious blood of the Egyptian Arab. He is naturally correct, typey, elegant & totally refuned, making his ability to

produce the true Classic Arabian only 1 of the reasons for our endless faith in him. He's consistently dominant in siring foals stamped w/his sheer elegance & flawless pedigree. It's obvious a horse of such prepotent blood will 1 day soon share in the excitement of becoming a showring success, as well as a popular sire. Already he is winning large classes against top-quality, proven models...Halima has bred several fine Egyptian mares to produce his 1st foal crop. The best have resulted by matching HALIMA to our straight Egyptian mare, *ALAA MONIETA, whose 1st foal by SILVER was Ch.Filly 1st time out! This lovely filly, EOWYN EVENSTAR, has certainly helped her sire take a giant step forward to proce his sire-ability! Others by HALIMA include SHAR IBN HALIMA, HI'ALLA ENSA, H'A ROANAKA & H'A RUBY DOLL. All are gifted w/faultless conformation & have much sought-after finely chiselled heads found in the desert Arabians. SAHARA inspired our Egyptian breeding program so much in such a little time I feel he should be given an opportunity to sire quality foals of mares of all breeds. Pic inspection of foal req., returned promptly. Inquire & see for yourself about this tremendous stallion--he'll surprise you at foaling time. STUD FEE: 25¢.

Contact: Pam Valliere, 4 Cadorette Ave., Biddeford, Maine 04005. BREED!

HOOFING WITH HARTLANDS (Laura Hornick, see ads)

Becki Bell came to visit stating she has 20 large Hartlands! The best is her gelding GOLDEN QUARTERS WORTH, the Hart. Regal Series buckskin QH, a 6 yr. old & Grand Champ. Her other favorite is the SOF repaint App Mustang shown as a mare, BEST AGAIN. She likewise is a Grand Ch... There are many Horse/Rider series creations, and to help you identify some of them, thanks to D. Brackett, we have a new listing here. #806 & #802 are two old favorites, being the ROY ROGERS & DALE EVANS models. Roy is astride his faithful Palomino 'Trigger', which is in a rearing position. Dale is mounted on a cream colored dun w/black points correctly named 'Buttermilk'. Matching this set was a German Shepherd, 'Bullet'... The next two are #801 & #805, the LONE RANGER & TONTO. Again the LR is mounted on a rearing horse (same mold as Trigger), only this animal is white & named 'Silver'. Tonto is astride the same mold as Dale near as I can tell but this 1 is a Pinto. The Lone Ranger is dressed in the traditional blue & black while Tonto is in buckskin with black gunbelt, silver trim, etc... A number in between these is #804, SGT. PRESTON OF THE YUKON. Dressed in a scarlet tunic on a black horse, he is authentic to the last detail. A beautiful silk Canadian flag was held in 1 hand, and the horse appears the same as the Buttermilk & Scout horse. More next issue!

It's BACK TO SCHOOL for...

Photos by Ecami !!!

Time again to put aside my camera in favor of an armload of books, costing almost as much! PHOTOS BY ECAMI is closed again this year until May 1978 due to my college schedule, but we'll re-open for the summer then so watch for our ads early spring & I'll start taking appointments once more in March 1978. However, I will be 'open' to inquiries or questions all winter long, so if you'd like to see a sample pic (25¢ deposit, refunded upon pic return), or look at an info sheet w/prices & further information, please send business-sized SASE to me. I'm happy to send them to you!...I'd like to thank all the wonderful people who made the summer of '77 a SUPER one for us. Over 50 models (horses & dogs) spent a part of their vacations w/us, & almost 200 pix were taken! What I'm really thankful for though were all the nice compliments & comments given on my work. Thank you! They really brightened my days for me, moreso than the summer sun ever could. It was also very nice to 'meet' some more of my fellow showers & feel very lucky (I'd rather call them 'friends!'). I was also very impressed w/the trust shown in me by sending your obviously highly valued models for my photography. Thank you again & I hope we can continue in the future, trying my best to take good 35mm pix of your models & giving the best care while they're here...In addition to doing work at home, 'Photos by Ecami' also took pix at the show during the 6th Midwest Model Horse Congress in Chicago. Thank you to those who had us photo their models, and congrats to Jean Hejmanowski of Steger, IL who won 5 free pix in the door prize drawings there. It was really nice to meet everyone & we're looking forward to seeing you all next year!..... So it's back to Bloomington for me & my camera will take a trip for some minor repairs & cleaning, to be ready for 1978. Remember, the actual pix operation is closed until May 1978 so please do not send your models to me over the winter. I'll NOT accept them. I will answer questions, etc. as described above however. If you spot an 'ecami' photo in the winner's circle of your next show, how about a few for yourself? Fine 35mm photography, coupled w/care, a wide variety of natural outdoor settings, & the efforts to take the best angle of your individual model makes a 'phc to by ecami'. Thanks for reading. Thru May 1978: Liz Isham, Room 606, 1211 No. Main St., Bloomington, IL 61701 (please do NOT put 'pix by Ecami' in address, no get here). Home address: 1372 Woodside Dr., Freeport, IL 61032. Thank you. / PIX FOR SALE: bay run, mare instm. 3 hal, 1 EP w/ 2 sm. duplicates \$1.50; bay run. foal 1 hal 25¢; mare/foal of above 25¢; App Perf. Horse 2-35mm hal 35¢ each; glossy bay Fam. Hi! MY name

is Eva Soo Hoo, &

I'm 16 yrs. old, have blk. hair, br. eyes & am

I love horses & dogs (esp. QH's & German Shep-

started showing less than a year ago & would like

Poole, Tina English & Daralyn Wallace for s/d's &

game* me. Also a big thanks to Kim McCabe who gave me my first 2 horses!

My stable name is FANTASIA STABLES (Fantasia or 'djerid--the name used

for the wild, plunging charge of the Bedouin horsemen which was practi-

sed from Morocco to Arabia), & this month at stud is DEVIL'S ENCHANTER.

Foaled in 1973, he is a Breyer Palo. Arab stal. repainted by yours truly

as a piebald tobiano Pinto/Arab. To my amazement at his 1st show he was

Res. Champ Pa/Pi, Res. Ch. Jumper & Res. Grand Halter Horse, even w/some

mediocre pix & my paint job. He is 1 of my most promising horses, & look-

ing at his face w/the half-moon strip o/his right eye, you can see his

devilishness, yet his actions are those of an angel, smooth & flowing. For

a limited no. of foals, his studbook is open to all horses because w/his

Arab blood it can't but help improve other horses. I'd like to see more

Pinto Arabs in the model show world. Fee: 25¢. You get breeder's certif

& 5 generation pedigree. If good pic is given for sire/get class, fee is

free. All must include SASE. Inquire on our Tack Shack, see ad this ish.

Info needed on other parent/foal: name, age, birthdate, sex, breed, color,

other parent owner. BREED! Eva Soo Hoo, 1519 Longshore Ave., Philadel-

phia, PA 19149. Thank you.

OAK BROOK FARM

"Fine Quality Quarter Horses & Appaloosas" announces the DEBUT of...

DAKOTA SMUGGLER: Traditionally I have only had a few quality stallions as I firmly believe that only the finest horses should be used for breeding. After a year of searching for a new QH stallion, we finally found one in this year's additions, a startlingly realistic roan sired by AQHA Champion Raisin Rascal & out of Jill Gollner's Champ mare Rebellion. Although only a 3 yr. old, SMUG will be joining our show string in October but only for halter classes. Watch for him, with his style & color he's sure to be in the ribbons!

I've had many requests to see SH-KOTA GIRL recently. If you haven't seen her it's because your show hasn't been AQHA approved, as those are the only shows which I support. I also haven't been saying much about my App line the last few months but then they've been in storage SO long I'm sure that if I opened the boxes, there would be just 1 big polka dot! I do hope to revamp that portion of the showstring over the winter, so a few will be for sale. Watch for our ads. Until next time..happy Turkey!
 Bonnie Sumser, 331 Fulton St., Sandusky, Ohio 44870. Happy Showing!*

OREGON TRAIL FARMS is proud to introduce...

..to the showing world! She's a beautifully grey dappled Arab 4 yr. old & is our first Lefton. She is truly a unique mare! Her sire is *BRU-MAR-BA owned by me & her dam is Susan Hooton's great *SUDINA BAYN. With this breeding, she should GO FAR! She is unshown, but watch for her. *Christine recently foaled a bay Arab foal named *Hooligan, a Josef Original & sired by Susan's FANTASY BAAR BASK. Watch for us in the showing! Colleen Hebert, East 312 James St., Colfax, WA 99111. (Lefton H6362, now discontinued) (Ed.
