things one and all hope you had a happy Halloween! We will be here, with our usual gang of ghosts, goblins and a few models thrown in too! You will notice many ads are now more printed up professionally. Just as the last time, all were selected at random, and so I hope the owners of the ads will not mind too much. Thanks to all who buy ads! Look at that class listing below! See you THERE! L. the W.

MINI-TACK

ANNOUNCES TWO NEW ITEMS FOR PONIES!!!!

In response to customer demand, we have added two new items to our catalog, both for the Breyer Ponies. The H-B #469, Traffic Saddle at \$1.50 and the H-B #160 English Saddle for \$2.95. We hope all you pony owners will support these items.

We have also put out a new catalog-order form, showing our price increases. This is NOT the wagon catalog, which is still being delayed due to engineering problems. We have tried to keep our prices within everybody's reach, but with the price of leather and other materials more than doubling in price, the raises were necessary.

We must urge every customer to be sure their name & address is ON THE ORDER FORM, not just the envelope, as too often they become separated and then we get complaints because someone doesn't get their order! If we do not have your full addresses, we can't send your order!

We recently were on local TV with MINI-TACK, talking everyone about this fascinating hobby. Many "public service" TV stations are eager to have something like this on their programming. Why not contact them? It is not very hard! Just get your models together, along with their tack and perhaps some ribbons/trophies you have won with them, and perhaps a little speech talking about the hobby as a whole, as well as information about you and your models, and go to the Station and present it to them. Call the program director first and make an appointment if he is interested. You just might find a lot of other collectors in your area you didn't even know about!

Will let you know next issue all about the show being held here in Scottsdale on the 20th!

HAPPY HALLOWE'EN! This week I only have 1 write-up. Come on, people! It doesn't hurt to write, if you don't you'll hear about MY horses. Lots of people have asked for descriptions of Naped horses, so I will describe 1 or 2 a month. On to the one write-up from Deb Derrer... "CAMARA LADY is a dirty (?) Palo. mare. She is unshown as of yet. She is 8 years old & is up for hire for 2-8¢ stamps. She has 1 colt, by name of Questionaire by Out of the Question."

She sounds fantastic, Deb! Now for the model of the month. Last month we had the large Palomino. This month we'll have the large grey. The grey is in a turning position (to the left), and his head is up, ears cocked. His tail is molded to his left hind leg. That's it for now!

GENERAL INFO:

There are 2 divisions (Halter & Perf.). Each Div. has 8-11 Sections (Div. I. has 8 Sections, II. has 4-11). Somewhere in between the Divs. the Sections are the classes. Good luck! There will be at least 5 judges, & at least 3 or more for each class. I will not enter any of my own horses. If a judge enters, she will not judge that class. We are all casting our votes, your horse won't lose to another that has a prettier name. All 5 judges are experienced. Some definite judges: Shara Wachtel, Kali Herman, Dawn DeLian, Marie Kravets, Julie Greenfield, Lisa P., & others too! PEE: There are 200 classes, too many to make homemade ribbons for. So it is \$3.50 for the entire show, both divisions, or \$2.50 for each of the two, or \$1.50 per section. If you'd like to show a particular horse or two/three, 75¢ per horse, no limit on classes, or 15¢ per horse/class. Awards ordered AFTER show, Pix & sent out within 2 days after show. Results in NAMS. If you don't subscribe, say so & I will send inde results...A=Adult (over 2 yrs. UP) F=Foal, Yearling... Enclose SASE large enough w/enuff. return postage. Please send extra postage, excess returned. If win Gr. or Res. Champ. you pay postage w/ trophy and/or model. If nothing left after entry fees used, horses enter in next year's show. Age if under 5 yrs. Spare your horse. Most FE are on the average of 1 mile 2-3 pack so be realistic, would you under a real horse in more than 1 day? I do NOT plan to profit on this show (expect a miracle to break even!). I'm making for almost half the awards. Please enter! And please tell me honestly what you think of the show? Please read & follow ALL rules carefully! Thank you!

WEIGHED SHOES & TAIL SETS. (by Fire Engines) Blue Ridge Stables, 1113 Alton Way, Salt Lake City, Utah 84108.

Hello, all you peoples! This is a column on Saddlebreds & this is your friendly American Saddlebred lover. I search the continent for Saddlebred models & presently own approximately 29, counting a couple of foals. Since this is a brag column, you all have to write me & tell about YOUR Saddlebreds so I can send it to Linda & everyone else will know about your little goodies! Now to get the ball rolling real proper, I'll tell you about 1 of mine.

He's a Breyer 5-Gaiter in luscious golden Palomino. His name is SONNY REX STONEWALL, & he's quite a showhorse. He's a great harness horse & a Champion at halter. He shows Gaited, too, but more important, he sires Champions! His son, STONEWALL PREMIER, took a Championship in the Eng. Div. of his 1st show, and his daughter, SONNY'S LADY HEIP, took Res. all in the same show. Since the SP wins about every halter class he goes in & his half-sister places only 2nd to him. Sonny Rex has since then sired 2 others: GALLANT LADY, owned by me; and SONNY'S SERENACE, owned by Lori Saddon. The pair you've all been waiting for, his fee is 2-07 stamps! So, if I were you, I'd watch out for them. Now what about sending me some of your brags? Write to the address above today!

Next is Vicki Lillis who has horses "My 1st best model was Blaperial,

fully finished coat & meticulous detail made him a favorite model, and I determined
to reserve my small amount of space for the Best of the models only. That was five
years ago & since that time I have collected 21 of these beautiful horses.

"I definitely feel they have an advantage over... although some Breyer
remakes w/real hair w/t & certain "Lashy H-B's" & Bern. though competition. That's
where good look & realistic photographs can really make the difference.

"Some of my older models include "ROYAL COMMANDER" a top stallion (now retired),
"DIAMOND REO, the bay QH stallion, "PARAWAY'S FIREWORKS, a colt, a grey Connemara Pony
& "Sol Madrid, a half-bred Paint-Arab. New arrivals include the Shire family, the
Hackney, App, Pinto & several Eng. Pony breeds, most of whom are showing exception-

"Hes. have come a long way in a short time. From being comparatively unknown they
now have their own classes in shows & now take column. Watch for them to go fur-

Thanks for writing, Sue & Vicki. Here's hoping your horses keep on stepping out
ahead! So long till next time, folks...

RESULTS FROM THE SUNSHINE AGRI-CULTURE SHOW, 1957, Gladstone Dr., Rockville, Md. ... snow's success! Because of lack of entries, the Gr. & Res. Show Ribbons were not made, but still nice! Also, I made very little profit so contribute to the American Horse Protective Assn, so I'm going to contribute \$5.00 as the profit from the show. I know this isn't much, but it's all I can afford. "HIGH TIDE is the Brey. fam. foal in bay. Her dam is Copper, the bay fam. mare & her sire is Golden Glow. Tide is a beautiful filly who is going to start showing soon if all goes well. I think she'll do fine."

FOR RACEHORSES ONLY... THE I.B.M.R.R. (Open to all breeds of horses, ponies except
TWH/Saddlers & Drafts)

Have you tried the Intern. Belle Meade Racehorse Registry yet? The IBMRR is one of the fastest-growing registries today, of any kind. We have around 900 horses registered so far--in only 4 months since we have been open! We have recently gotten new comm. printed certifs. There are very nice & we have received many compliments on them. When your horses are registered, this entitles you to race at Belle Meade Downs by name & regis. no. only. As your horses win 1st-5th, they acquire points toward our 12 Champion Racehorses of the Year. This is a National title, going to the horse in each category w/the most racing points of the 1973-74 season. All get large comm. rosettes! Point system: 1st=10, 2nd=8, 3rd=5, 4th=3, 5th=1. The cost for each horse is 1/2 & SASE for return of certifs. Info needed: horse's name, sire/dam (if known), color, sex, age & breed.

BELLE MEADE DOWNS, one of if not the largest racetrack in the Southeast, is the racetrack used with the IBMRR. We have a 1 1/2 mile oval dirt track & a 1 1/2 turf course, used in steeplechases, turf races, etc. Stalls are available, over 700 finished, more being built. We have all modern facilities, with numerous hot walkers & even an all new swimming pool (for horses only!). This is a superb way to exercise your horses without putting strain on delicate bones & tendons in their legs.

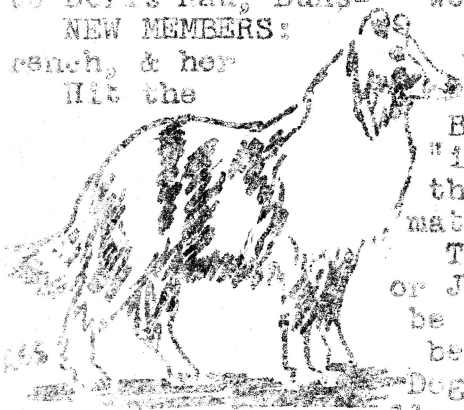

Watch for all COMMERCIAL Races soon, and Championships next summer! Join the I.B.M.R.R. today!!

BACK ISSUES of "Under the Wire" are available for: Aug. 6, 1973 & Sept. 28-29, '73. Price: 25¢ per issue ppd (1st class). This is a unique & complete racing program, with all horses in each race, post positions & owner's name. Then finish of race, along with 1st-5th finishers, margin of horse's win & all other horses in "Also Ran", a column. It's a really realistic program & will probably be enjoyed by all of you; hurry! Supply IS limited! ADDRESS: Belle Meade Downs, I.B.M.R.R., c/o Cathy Laird, 3625 Rockhill Rd., Birmingham, Alabama 35223. Thank you!

AMKC NEWS Hola! Welcome!

Last month we told you about our very own newsletter -- "The AMKC News". Some updates: SUB RATES: members=\$1.00 3rd class, \$1.50 1st class. Non-members add 50%. Ad RATES: 50¢ page, 25¢ 1/2 page, or 5¢ per 20 words (doesn't include address). We need sponsors for pages that are not paid for such as columns, free shows, etc. Sponsor name & kennel will appear on page. 50¢ per page per issue. Sponsors should be regular. Members & subscribers don't have to be the only sponsors!!! The NEWS is bi-monthly! January issue out in early Jan. 1974. Everything DUE Dec. 20. Send all to Doris Rau, Dunsmuir, Hacienda Heights, Calif.

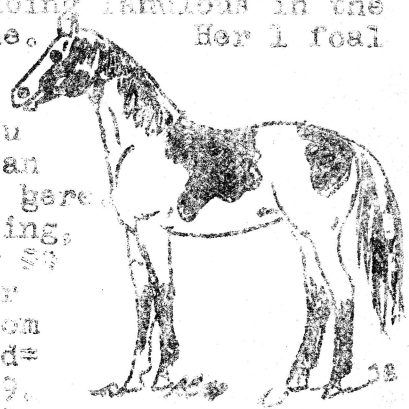

NEW MEMBERS: Doris Rau, She has a well-known show kennel. And Jean Derench, & her Tallgrass Kennel! Welcome!
Hit the jackpot this weekend in model dogs. Got 1953 & 1955 H-R Beagles & Boxers, 2 of which are for trade (see ad). Also I "inherited" a neighbor's dog collection. All of which are, I think, very old Revells: Pointer (wow!), Collie, Basset, Dalmation & Poodle!

The AMKC CHAMPIONSHIPS are going to have to wait until Dec. or Jan. The comm. ribbons that will be awarded (hopefully) will be paid for out of the AMKC Treasury. The Championships will be a benefit & the Championships to be awarded are: Top 10 Dogs, Bitches & Pups, Top 5 Sporting Dogs, Hounds, etc. Hopefully more to be added!

The raffle scheduled really got messed up w/dates & so we had to cancel it... Starting in Jan. we would like to have monthly dog shows held by anyone who would like to! They can be points only (no ribbons) or have ribbons of your choice... This is the last of AMKC's regular advertisements in the MNSJ. Of course we will advertise in it, as the replies from these ads have been too great not to! Hope everyone enjoyed this brief story. Subscribe, join up, show & have fun! Send SASE. Peg Howan, 402 Euday Rd., York, Ohio 44152, or Pat Turner, 67 Greenbay Dr., same...

Hi showers! This month we finished up Sandy Irwin's mares & give you part of Miss Gayle Goodling's letter. First, Sandy... "STAR is a bay TB mare (Meads x War Admiral). She is east born & made in a 17th Century mold. She is doing fabulous in the show! She was shown in halter, ENG.PI. & fine harness in June. Her 1 foal is Starry Ruler, who's won every race she's entered."

Thank you, Sandy, for the write-up. She certainly sounds like a VERY lovely mare. Now here's Gayle Goodling to tell you about Bint Morafic: "BINT MORAFIC is a 5 yr. dapple grey Arabian mare w/bk. hair m/t. She's probably the finest Arab showmare here she shows in halter, Eng. & West. Pl., Park, Trail, West. Riding, Costume, Produce & Family. She was formerly owned by S. Sherry Cook & was shown 2-3 times in the fall of '71 for which I've lost her records. But her show career & records from 1/1/72 to 6/1/73 is as follows: (39 shows) 1st=50, 2nd=31, 3rd=18, 4th=27, 5th=27, 6th=15, 7th=9, 8th=7, 9th=12, 10th=6, HM=9, Champ=33, Res.=4, Gr./Champ=13, Res. Gr.Ch.=4, over 9 National awards, including 1972 NAMSA Res. Costume Champion, 1972 MBRAA 1st Top Ten All Around. Bint was shown in Hunters/Jumpers once & was 4th, but I'll hopefully have some new & better plx to use in H/J classes to see if she improves."

We will have MORE on BINT MORAFIC next issue along with another of Gayle's top show mares=Cody's Blue Moon. See you then!
