Dear Model Horse Owner;

We would like to thank-you for taking the time  
to look over our 1979 stallion listing. We think you'll  
find just about all you are looking for here. If not,  
let us know, we may have something new and not on the  
list.

We've been around since Oct. '68 in showing and  
since 1961 in collecting. We currently have (Jan 79)  
1,100 horses, lots of dogs and cattle (some cats too!)  
We specialize in Charolais cattle, Boxer & Dobermann  
dogs, and Siamese cats; but other breeds are available.

Fees collected will be used to pay off printing  
costs (catalog & certificates), and advirtising.

For a sample of our sales stock and trading stock,  
contact our sales manager, Mary Highwart. We are also  
always looking for new additions to our herd, so send  
us your trade/sales lists!!!

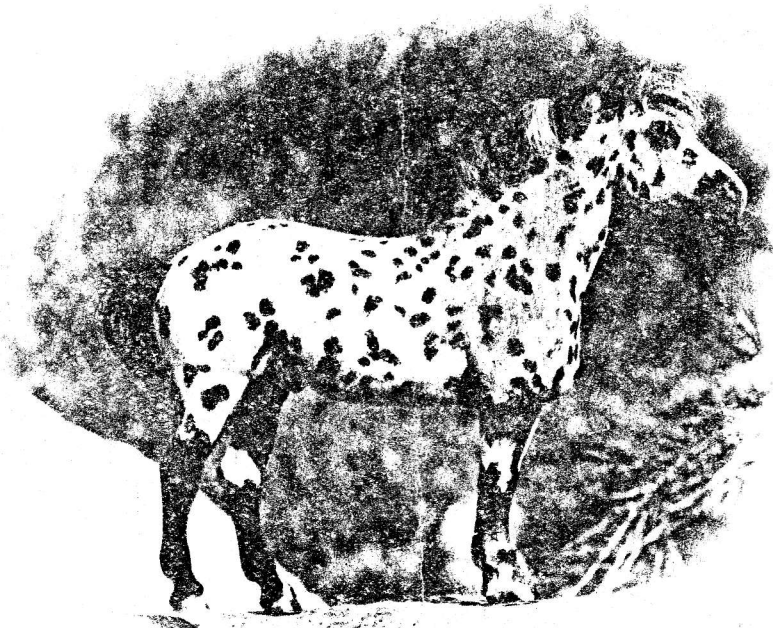

Thanks to all of you who bought horses and entered  
our shows, they are helping pay for a North American  
SNJ-5 (WW II trainer), which will be a part of the  
Cactus Air Force (owned by Rick Clemens), and be joining  
3 North American T-28's already owned. Best of luck in '79.

Air- Craftily,

Karen Clemens
