BHR NEWS-----SUMMER '92

This year has been flying past! Many new and exciting things are happening in the model horse world. We hope you plan on coming to the West Coast Model Horse Collectors Jamboree... we've worked hard to arrange this extravaganza. Mark your calendars, July 18th!! See you in Ontario at the Red Lion Inn. We will be hosting this show, as well as having the real live horse NIGHT VISION there for you to meet on Friday night. Her and her mother are featured this month on the TV show HORSEWORLD. NIGHT DECK will miss this show since she will be with this year's baby gelding, RECURRING DREAM, at the Appaloosa National Horse Show in Columbus, OH on July 1-11. Do to hectic plans during July, please be patient for your order. After the Nationals, Jamboree, and all, we will be closed the last week of July for vacation. Call our 24 hr HOTLINE for exact dates and more up to date information.

Model-wise, from Breyer....they anticipate delivery of the Icelandic porcelain in September. We will be taking orders closer to the delivery date...and we will not be undersold! We will offer a special offer on this model, so stay tuned and wait to order yours from us...you won't be sorry!

Hartland representatives will be on hand to tell you the latest from their company...it is under new ownership and lots of goodies will be let out of the bag at the Jamboree. BHR is planning a Hartland special run Lady Jewel & Jade set closer to Christmas....the limited number sets will be sold to previous customers on a priority basis (our best customers get first shot at acquiring them). Stay tuned for more information.

Hagen-Renaker will have the new large mini Shetlands available at the Jamboree. They will also be debuting the Fall line up.

Alas, North Light America is no longer furnishing the US dealers with North Light product. A conflict has put an end to their distributing and any future orders will have to come directly from the UK. This is very expensive so after we are sold out of the North Light we have in stock, we will not be carrying them.

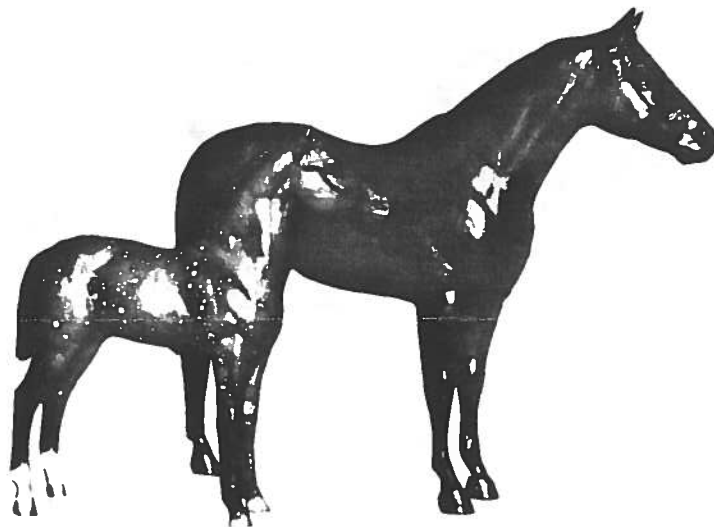

From American Artists: a NEW horse! I personally have s/n 7 of 1500 of the new Secretariat with Ron Turcott up. He is super! He is standing in the winners circle with a blanket of white roses and a smiling Ron Turcott. He was sculpted by Rene Rushing (who did the American Artist John Henry & Alysheba). Call for current price (same price as the Alysheba & Chris McCarron). He is NICE!

From the real horse barn here... our foal crop this year was outstanding. First we had a grey TB colt by our stallion, T's Pop Too born on Jan 20. He is now a gelding and should be at least 16.1 when mature. A very pretty headed colt, if someone is looking for a pretty show horse, come see him, he is for sale. On Jan 27, (my birthday), our World Champion Broodmare Night Deck foaled a solid black colt by Dreamfinder (World & National Ch. Appaloosa Stallion). He is a gelding now, named Recurring Dream & will debut July 9th at the Nationals. The day after he was born, our black TB mare Fotina foaled a dark bay filly by Dreamfinder. She has regular colored papers, with small darker spots on her rump, frost on the top of her rump, and all the Appaloosa characteristics. She is named Share The Dream. Our last foal was born in Missouri at Crown Center Farms, where his daddy Dreamfinder stands at stud. March 30 was our lucky day...our black Appy mare Ms. Sonny Dee Goer foaled a stud colt the spittin' image of his dad! (Shown above). His name is Pleasant Dreams. He will be home in July, so come say hi if you're in the area.

For new customers, please, when writting, if you need questions answered, send a SASE. If you do not know what the models listed look like, we suggest the videotapes we produce to show you the models. Do to the volumn of calls we receive, please limit your calls to customer service to orders and phone holds only. See you at the shows!

NIGHT DECK & NIGHT VISION
A new Special Run BREYER set made exclusively for BHR!

This set features the likeness of the two BHR Appaloosas, Night Deck and her 1991 filly, Night Vision. In 1990, Night Deck was the Reserve World Champion Non-Pro Mare. In 1991, she went on to win the World Championship in Broodmares. Her first foal, Night Vision, sired by World & National Champion Stallion, Dreamfinder, was born in January 1991. She went on to become the Reserve National Champion Weanling Filly in July, and in November won the World Champion Weanling Filly class in Ft. Worth, Texas. This was at the same show her mother won her World Champion title....the first time a mother-daughter were World Champions at the same show!
The model set consists of Night Deck as a solid black with left hind sock Lady Phase mold. The Night Vision model uses the Standing Stock Foal model in a shaded dark bay, 2 hind socks, striped front hooves, and diluted white spots over the entire body...a new color pattern for Breyer models, never seen before! Only 1500 sets were made, and available ONLY at BHR. Each set is numbered, with a certificate of ownership included with each set. To save models from being rubbed, they are not factory boxed. They will come plastic bagged, with bubblewrapping. The set will be available after June 10. You may order your set now. **Please note, prior BHR customers will be given first priority in the event of the demand exceeding the supply. This set will be featured in our June television ad on HORSEWORLD, so see it in color there!**

ORDERING INFORMATION: please read carefully!

NEW IN BOX MODELS: we offer free checking of the model for box rubs before shipping, bubblewrapping for protection, and discarding the original box. If you would like this service however....**YOU MUST SPECIFY ON THE ORDER FORM THAT YOU WANT THIS SERVICE!**

We assume otherwise that you want the model as it comes from the factory in sealed boxes. Since we have no way of telling the condition of the other side of the model, if you want it in original boxes, we assume no returns for box rubbed models. We advise the free inspection on all new in box Breyer models, since they are prone to yellow box rubs. Since the Breyer boxes weigh more, if you have us discard the box, you may use the UPS rate for 1 less model (orders over 2 models **ONLY**).

USED/DISCONTINUED MODELS: Our models are shipped with a non-reusable inventory control tag, marked by BHR. Removal of this tag voids all returns! If you are not satisfied with the model, do not remove this tag! We have had people return to us models that were purchased elsewhere, so for this reason we tag our models.

ON ALL ITEMS: We must be notified before returning any item! Do not ship to our Shadow Hills address! We have a warehouse in Riverside, CA where all shipping and receiving is done. If you have a valid return, call or write. We will send information on return addresses. If your item was damaged in shipment, **KEEP ALL PACKING MATERIAL** and contact your local UPS! Notify us of the damage also. All orders are automatically insured by UPS. If you have any questions, call Customer Service.

COMING IN FEBRUARY.....

HERE NOW!

The new Black Horse Ranch Video Catalog. Here's your chance to see in full color & close up, the full line up of model horses available from BHR. If you are unfamiliar with the models produced by Northlight, Maruri Fine Porcelain, 1993 Hagen-Renakers, and special run items, this is the tape you need! Since Breyer will be coming out with a free color consumer catalog in March, no new Breyer models will be featured. For those wanting to see color choices and molds before ordering, this tape lets you see in great detail all of these lines. Our black & white catalog showing models & prices is always free whenever you send a SASE (self-addressed, stamped envelope....addressed to you, so we can send info to you in it). The cost of the VHS videotape is \$5.00 plus \$3.00 shipping & handling. If you want to return the video after you have watched it, send it back to BHR along with a SASE within 10 days, and we will refund the \$5.00 cost! Or keep the video for your own reference and use the \$5.00 discount coupon we send with the video, good for use on any item shown on the video! We are taking orders now... be the first to see all the new model horse items available from BHR!

ORDERING INFORMATION: please read carefully!

NEW IN BOX MODELS: we offer free checking of models for box rubs before shipping, bubblewrapping for protection, and discarding the original box or returning to original box. If you would like this service however.... **YOU MUST SPECIFY THIS ON THE ORDER FORM THAT YOU WANT THIS SERVICE!!!** We assume that you want the model as it comes from the factory in sealed boxes otherwise. Since we have no way of telling what the other side of the model looks like, if you do not want it inspected, we assume a no return policy for box rubbed models. We advise the free inspection on all new in box models, since they are prone to yellow box marks. Also, since Breyer plastic see through boxes weigh more, if you wish us to discard the original boxes & bubblewrap, you may use the shipping rates for one less model, on orders more than 2 models ONLY.

USED/DISCONTINUED MODELS: Our models are shipped with a non-reusable inventory control tag, marked by BHR. Removal of this tag voids returns! If you are not satisfied with the model, do not remove this tag!!! We have had people return models purchased elsewhere, so for this reason we tag all models. **ON ALL ITEMS:** We must be notified before returning any item! Do not ship merchandise to our Shadow Hills address! We maintain a warehouse in Riverside, CA where all shipping and receiving is done. If you have a valid return, call or write. We will send instructions on where to ship & how to ship. If your item was damaged in shipping, KEEP ALL PACKING MATERIAL and contact your local UPS for a claim. Notify us of any damaged items. All orders are automatically insured by UPS. Any questions, call Customer Service.

BHR EXCLUSIVE RESIN CAST MULE SCULPTURE
BY LINDA LIMA

BHR has purchased the entire limited run of 50 pieces of this Traditional scale Mule. No two are painted alike! Each model hand finished by the sculptor, and painted at her discretion. We have a waiting list going for each color available. When your name is next on the list for whatever color you want, we will call to verify that you want that color. It will be drop shipped from Linda Lima's studio directly to you. You may chose from the following standard colors: black & silver, chestnut, bay, palomino/buckskin/dun; grey/white. Specialty colors will be done after all regular orders are filled, and will quoted on an individual basis (aprox. \$20.00 higher for pintos & Appaloosa colors, paid directly to Linda Lima). Price for regular Mule is \$200.00 each plus \$10.00 shipping. Please note, Mule colors can be different than horse colors (bay, black, & chestnuts have "mealy" points, lighter color than body color). When placing your Mule order, we must have your telephone # & best time to call. Due to the demand of the models, we do not have time to take photos of each individual piece for inspection.

ONLY 10 PIECES LEFT

THE GREAT REPAINT CHALLENGE!

BHR will be hosting a live show like class to be held at the 1993 West Coast Model Horse Collector's Jamboree. BHR will be supplying the models to be used at discount prices for all entrants. Here's what you need to do:
The model to be used will be the Hartland Lady Jewel & Jade set of mare & foal.
There will be a class for:

PROFESSIONAL REMAKER: a person who has themselves sold more than \$500.00 worth of repainted or remade models.

NON-PRO REMAKER: less than \$500. worth of sales, or does it only for themselves.

NOVICE REMAKER: person may not have won a championship at a LIVE show at any time.

REPAINT ONLY: OPEN (pros & non-pros combined)

To enter this competition, you must sign up at the time of purchase of the unpainted Lady Jewel & Jade sets. You may purchase a set for \$12.50 plus UPS. Enter as many as you want, BUT, here's the catch.... you have to send us the actual models to enter the Jamboree classes.... and all sets will be auctioned for charity at the Jamboree. When you send us your auction /show piece, you will receive FREE from BHR, another unpainted set. The artist may place a proxy bid on their pieces, if they are unable to attend. What you win: The first place winner of each class will receive 5 sets of Lady Jewel & Jade, FREE. You get the limelight as well as doing your part for the chosen charity (last year was Volunteer Services To Animals & Appaloosa Museum). We would like to see all major artists contribute, as well as up and coming new talent! Judges will be picked approx. 2 weeks before competition (hopefully representatives from all the attending manufacturers!). All models must be delivered to BHR by Aug. 1st to qualify. Ribbons will be awarded in each class. Please identify the models on the belly with your trademark or name, as well as month & year model was completed. Special price on unpainted Lady Jewel & Jades good for challenge entrants only!

For your Lady Jewel & Jade sets, fill out the BHR orderform and mark it "REPAINT CHALLENGE OFFER".

NIGHT VISION

*Black Horse Ranch
presents*

NIGHT DECK & NIGHT VISION

A new Special Run BREYER set made exclusively for BHR!

This set features the likeness of the two BHR Appaloosas, Night Deck and her 1991 filly, Night Vision. In 1990, Night Deck was the Reserve World Champion Non-Pro Mare. In 1991, she went on to win the World Championship in Broodmares. Her first foal, Night Vision, sired by World & National Champion Stallion, Dreamfinder, was born in January 1991. She went on to become the Reserve National Champion Weanling Filly in July, and in November won the World Champion Weanling Filly class in Ft. Worth, Texas. This was at the same show her mother won her World Champion title....the first time a mother-daughter were World Champions at the same show!

The model set consists of Night Deck as a solid black with left hind sock Lady Phase mold. The Night Vision model uses the Standing Stock Foal model in a shaded dark bay, 2 hind socks, striped front hooves, and diluted white spots over the entire body...a new color pattern for Breyer models, never seen before! Only 1500 sets were made, and available ONLY at BHR. Each set is numbered, with a certificate of ownership included with each set. To save models from being rubbed, they are not factory boxed. They will come plastic bagged, with bubblewrapping. Price for the set of two models is \$38.00 plus \$4.00 UPS. Add these UPS charges to any other models ordered, do not use regular UPS rates, since these are packaged separately & wrapped by hand.

✓ Watch for Night Vision in 1993 in the 2 Year Old Western Pleasure Futurities and major shows!

1993 will be our 7th Open House & signing party. We have had from 250- 400 people attend this event in the past, making it one the largest model horse events of the year. For those of you that have attended in the past, we look forward to seeing you again. For the new people attending, we look forward to meeting you and your family. The BHR collection will be available for viewing at this time. This collection features over 4,000 models of all types on display in our collection building. This year will probably be the last time we will host an open house of this sort in southern California. Plans are underway to move to our ranch property in Minden, Nevada in the Fall of 1993. Once moved, we will have our Open Houses from the new ranch (approx. 1 hour south of Reno). Other than a informal get together after this year's Jamboree in August, the collection will not be available for viewing until moved.

This years Open House will again have tours of the real horses. See Night Deck (who should be due to foal about this date) and her 2 year old daughter, Night Vision, who will be getting ready for the 1993 Appaloosa Nationals in Western Pleasure. Both will be on hand for photos of yourself with the models of these 2 horses and the real ones! The models will be available for sale at the open house.

If you have any further questions, write (send a SASE) to BHR, or call Customer Service at (909) 275-9285 11AM-1 PM weekdays.

Call our HOTLINE for latest updates on the show.

Black Horse Ranch would like to invite you and your family for a fun filled day with model horse collectors. Our annual BHR Open House and signing party for 1993 will take place on Saturday, April 3rd from 9 AM to 3 PM. This year's tentative guest will be Mr. Peter Stone of Breyer Molding Co. Since this is a tentative arrangement, please check our HOTLINE # (909) 681-7222 for last minute announcements concerning his arrival and also the availability of the 1993 Little Chapparral promotional model. Delivery for this model is close to our Open House date, so call for last minute info before coming. We will be limiting our outside vendor space to 10 vendors of vintage models, with a drawing held to determine who can vend. In case of rain... no outside vendors! We had rain last year, so will move our own sales indoors to the barn area. RAIN OR SHINE, our Open House will be held!!!! We will have for sale at this event, the 1993 Breyer line, as well as discontinued models, special runs, the North Light line, and many other model manufacturers' items.

New for 1993: Stablenmate Repainting contest! Bring your own repainting tools and supplies. We will supply Stablenmates to all who enter. Cost to enter is \$5.00 (you keep the Stablenmate you paint). All proceeds go to charity. You will have 1 hour to do your best on a Stablenmate. Judge will be Peter Stone of Breyer. Winner will receive the Traditional model of their choice, 2nd place winner will receive the Classic model of their choice, 3rd place will receive the Little Bit model of their choice.

Stick Horse Events: an annual favorite for young and old! Last year we had a bit of trouble holding the "event" in the rain, and only had the beauty contest part. This year, we will have (if no rain) Stick Horse Freestyle Dressage (you design the dressage test and movements). No entry fees, prizes to the winners in Junior (under 18 years) and Senior (over 18 years) age divisions. Brenda Breyer Toss: a favorite! Held after the Stick horse event.
