EDITOR'S OFFICE

Because of the auction, we are really late this time. Hope the bulletin isn't too late or too small because of this. There are several announcements, and interesting items from here at home base scattered around this issue. The columns were mostly left out this time because we wanted to send this first class. They will return next time. Columnists may have the one written for this time in, or they may submit new material.

One point of interest I might bring up is on a new idea some of us have gotten together on. We want to form different breed registries, with their own breed standards (for models) their own Nationals, and rules. They will each be affiliated with IMPESA, and each will start it's title with INTERNATIONAL. The ones taken are:

ENGLISH QUARTER HORSE: Lynn Sisko
ARABIAN: Catherine Sponseller
PINTO: Michelle Nyikos (hopefully)
THOROUGHBRED: Audrey Tischler

Anybody else who wants one is welcome to draw up a set of rules and submit them to me for approval. One of the requirements for having one of our breed clubs will be plenty of time, can send all club materials out (rules, etc.), willing to set up and judge shows, willing to put out a lot of time, and sometimes, a little money (you pay for your own envelopes, stamps, etc.). You don't have to have a newsletter, each club can have a short column each month in this, listing monthly activities. Each club will be financially independent of IMPESA, but each club president will be on the IMPESA board, and have an equal vote on rule matters as each chairman.

Next bulletin will have complete joining information for at least one of the above clubs, they should be very low priced or free (will have to consult each individual president). Now you can concentrate on Arab models or Morgans, or whatever and be in IMPESA too. It makes it easier for you, and more fun to be in a club exclusively for your breed.

The best news of all this month is that we have a judging team for the Inters this year which nobody can argue with! The staff of HORSE & RIDER magazine has agreed to help us out. Isn't that great? HORSE & RIDER is the third largest horse publication (circulationwise) in the U.S.! All our judges are accomplished horsemen and have never seen any of the competing models before. Many thanks to member Betty Flores for telling them all about us. They are really interested in us. ALSO - see the August (or Sept) issue of HORSE AND RIDER. They may put in some information of us!

Speaking of articles on us, apparently several members have been busily telling the world about us through newspapers, newsletters, and to their pen-pals. Our membership grows! And a million thanks to our helpful members!

Everybody be sure to read the invitation (in this bulletin) to the regional meeting on August 9. I expect a HUGE turn out (my Mother is petrified). So everybody bring your best models and COME!

See you at the Internationals, JULY 31!

ALL MEMBERS!

You are all invited this vacation year to come visit my stable, if you come this way. Especially on AUGUST 9.

What's so special about that day? Well, we plan to hold the first IMPHSA LIVE MODEL SHOW! It's just for fun, and to get everybody acquainted.

Out-of-towners who wish to come for the show, there is a fine motel nearby, and if you come into L.A. International Saturday Night, we can pick you up. (otherwise, there is a helicopter which comes out La Habra way). To get home, Mary Ellen Hofmann can take you to the Port Hueneme airport (Californians only) and we can probably find some way to get the others back to L.A. International.

Anyway, it's lots of fun, and we want all the members possible. Here's the class list and rules. EVERYBODY come and bring your best models and tack! (There will be a few saddles to borrow here, but no bridles).

ADDITIONS TO THE AUCTION!!!!

As in everything, there are things that are overlooked, or get put aside. Here are some late entries for the auction. If you have already bid, you can send in bids for these too. As a matter of fact, there is no limit to how many times you bid. You may even bid more than once for the same horse. Well, here they are:

- Lot 108: UN-NAMED. Breyer old model, Western Pony, mare, Like #41 except in prancing position. Black and white pinto. No tack. Good condition for it's age. Rare! \$5.00
- Lot 109: SILHOUETTE. Breyer #94. Charcoal stallion. Rearing. With negatives of show pix. Halter & West. REPAINTED, Blk. with wht. m & t, blaze, sox. Exc. cond. \$4.00
- LOT 110: SHADOW: Similar to Breyer #97 - Grey stallion with light white markings. Not a breyer model, condition, fair. \$2.00
- LOT 111: CINNABON. Breyer, Woodgrain Arabian Stallion. Unusual, (owner is not positive this model is really Breyer) Excellent condition. \$5.00
- LOT 112: TAFFY. Hartland Saddlebred, woodgrain. Gelding. Exc. cond. \$3.00
- LOT 113: UN-NAMED. Hartland 5" Thoroughbred mare & foal. Now repainted blk. & wht. pintos. Excellent condition. \$2.00
- LOT 114: UN-NAMED. Black & white pinto. Filly. Hartland 7" Family set series pinto foal. Excellent condition. 50¢
- LOT 115: UN-NAMED, gray Arab mare and foal. Mare is 4", foal is 2". Plastic. Mare tacked out in Western saddle and bridle. Encased in plastic cube. Will remove them from base is new owner wishes. Exc. condition. 75¢
- LOT 116: UN-NAMED. Woodgrain Hartland rearing Mustang. Brand new. \$1.00
- LOT 117: UN-NAMED. Hagen-Renaker Standing Arabian. Sorrel, very flashy. Old type. Like Linda Walter's "Fei Weing Warhawk". This is a rare opportunity! \$5.00

CORRECTIONS!! In the auction booklet, under Lot 107, it should read that for ~~SHADOW MAGIC and GATEOOT LADY~~, pictures **ONLY** are for sale. **Anyone who bid under the impression that the horse is included in the sale may withdraw their bid. (ALL other bids in the sale may not be withdrawn, though).**

HORSES WITHDRAWN: Sometimes a model is sold ~~before~~ before the owner has time to notify the auction, so this person has to withdraw the following lots:

LOT 85 and LOT 86 **ALSO → Lot 111 (Got broken - owner says**

All other horses are still in.

"I'm sorry!")

So far, the auction looks like a real success!! There are piles of letters with bids sitting in a box waiting to be opened July 15.

REMEMBER!

Bidding goes on until July 31. NO bidding below the price put with the model. Once you bid, you are committed to buy that model if you happen to be the highest bidder. If you are unsatisfied with the model, you must take that up with the former owner, but there is no refund on the 10% IMPHSA gets out of each sale.

Please don't ~~me~~ ask me to describe any of the lots. The only information I have is what you have. What's in the booklet is what I got. I only know as much as you do.

If you find you will have trouble paying (I don't think anyone will get into that), but anyway, it is possible to arrange time payments, with 10% down to IMPHSA and arrangements with owners.

FACTS ON PINTOS

1. A pinto is any horse that is spotted of any breed except appaloosas.
2. A paint is a horse bred for it's color, and can be registered either as a Tobiano, Overo, or Medicine Hat.
3. A Tobiano has large, regular, distinct spots, four white legs, and basically a dark head. Mane & tail color of hair growing from spot.
4. An overo has an irregular, splotchy (horra), pattern with dark legs, and unbroken dark area over the back and often a bald face.
5. A Medicine Hat is a paint horse, marked with a "bonnet" (spot) over the ears & poll, a "shield" on the throat, neck, chest, flanks, eyes, upper lip, and above the tail. The spots are always irregularly patterned and roaned. Colors include red, brown, black, blue, purplish, and tan. Hooves are vertically striped or black, the eyes are dark with a white sclera. A spot on just the ears and poll and nowhere else is also permissible.

SHOW RULES

1. Fee: per stable. - 75¢
2. One stamp per ounce or for every ten photos for return.
3. Class #17 is for horses that are neither Overo, Tobiano, or Medicine Hat. They are mostly for factory paints (Breyer & Hartland). Since these horses are not true pintos, the chances of a blue ribbon or a champ. at this show are slim.
4. Ribbons to 3rd, placings to fifth. Rosettes to Champions & Reserves.
5. Pleasure entries must have proper tack.
6. Costume entries must be in color.

THE FOAL POLE

The Foal Pole starts off with Betty Adams' filly called 'Sultan's Image'. She is bay with black mane & tail, 4 white socks, and a blaze. She was born 6 months ago. Allah Sultan is her sire and Iba Almarsh is her dam. The mare & stallion are also owned by Betty. This Bryden Arabian filly hasn't been shown yet, but her sire is a many time blue ribbons winner, and her dam is a great broodmare. Betty says "...I feel that she (Sultan's Image) should do fairly well in halter classes! She will also be shown in get of sire classes with Allah Aram, another of Allah Sultan's foals.

Good luck with her Betty!

Please you guys, help me with this column. Send info. such as this: name, description, sire, dam, breed, age, make, wins, etc. on your top foals to me

Here it is! Finally, to clear the confusion, I will now explain how to send in your points, and how I tally them.

To make it easier, keep you points either 1) by horse or 2) by show. When listing them by horse, you must also include which show each placing is for. But, the recommended way is to list your points by show. Here is an example

THE MIDWEST JR. MODEL HORSE SHOW
700 Main St.
Smithville, Ark. 40680
held by: Miss Jo Brown

Joe King - Buckskin Greyer Quarter Horse, Gelding (the first time you send a horse in for points, a short desc. is requested)

1st Halter Geldings
3rd QH Western Pleasure

Sir William
3rd Thoroughbred Halter
1st English Pleasure, Hunt

Synbad Supreme
1st Arabian Halter
1st Saddle Seat English Pleasure
Champion Haltor

Okay, now how they are tallied. I have a sheet for each horse that has points. Each sheet is divided into 5 vertical columns. They are HALTER, ENGLISH, WESTERN, (STALLION, MARE, GELDING, FOALS), HARNESS. For example, on Joe King, he gets 10 points under the first column (Halter), 10 points under the 4th column (STALLION in his case, Gelding). Then he gets 5 points under the 3rd column (Western) and 5 more points under Geldings. You see the 4th column is a general column for all points. It gets no extra points because of approved shows (in most cases).

The question now must be "Then what does get extra points". Okay, in Joe King's case, if this were a C rated show, he would get 10 in Halter, 5 in Western, and 15 in Geldings. For having placed in a "C" show, he gets 5 extra points in Halter. If it were a "B" show, he would then total 10 in halter, plus 10 extra points, 5 in Western, plus 10 more in the Western column, and 15 total in the Geldings column. In an "A" show, the Halter column would get 10 plus 10 extra, Western would get 5 plus 5 extra, and Geldings would get 15, total.

under Halter, etc. columns.

I hope this will be helpful in the coming year.

NOTE: General Champs. count only for Stallions, etc. Specific obs., (Halter Ch, etc.) Count

VERY IMPORTANT ANNOUNCEMENT

This seems like a good place to announce a new policy. There are now too many shows and too many members to avoid this. FROM NOW ON:
THE ONLY SHOWS TO BE ACCEPTED FOR POINTS WILL BE:

1. Approved by IMPHSA
2. Approved by PRMSA
3. Those which the owner voluntarily sends me a class list, not necessarily for approval, but send to me AT LEAST one month in advance.

I will be publishing a bulletin, and you know that in that will
have the price, but only a few have all just a name and address.

- FULL BUSINESS
- HEALTHY HORSE WORLD
- HEALTHY HORSE HORSE CLUB BULLETIN
- HORSE NEWS
- AMERICAN HORSE QUARTER HORSE ASSO. BULLETIN

I will also be publishing the Club bulletin, and if there is anything
new in that, I will be sending it.

There might be a good time to point out that anything published in another
Club's Bulletin (or going elsewhere (such as letters, etc.) are "officially"
ignored. Most of them go for fun, and we use the bulletins. If there
is any complaint, they must come to me for an answer. Period.

I will list, along with things approved above, the names of people
who have sent clear lists, to each bulletin. This new ruling takes
effect as of JULY 1, 1970.

Do you have a favorite picture, photo, or drawing of a model horse (or anything)? Have you ever thought of saving it even for life? Well, then, let me do it for you. All you have to do is send the picture, photo, or drawing to me. What's the charge for all this? What will I do? I will give your object "the old age look", then I will glue it on wood (painted with your choice of color). I will spray decupage enamel to give it "that professional look". Then you will have a lovely painting to treasure long after the original is gone. It makes a lovely gift. Price ranges according to size - small, medium, large. \$1.00 - \$2.00 (postage is extra, sorry).

I also have some horses for sale.

NEWS FROM KAM KOALICJA FARM

In last month's issue I made a mistake, Kam Koalicja's foal, Kam Bint Koalicja was sired by Kam Koalicja Black Magic, and not Kam Koalicja Haifi.

*KAM KOALICJA wishes to welcome to the farm some new arrivals, From Wisconsin comes the Arabian mare, Magic's First Date, and her foal Kam Koalicja Lady Love. Both are ~~gray~~ gray with darker mane and tails. From Newport, Tennessee, thanks to Mary Ann Black ~~fox~~ for allowing me to purchase the Arabian stallion, "Apollo's Image". He is not here yet, but by the time the next issue comes out I hope to have him here and settled.

From La Mirada, California, thanks to Susan Figueroa for allowing me to purchase a Saddlehorse Mare and Foal.

All of these horses will be shown this coming show season.

*Kam Koalicja wishes to congratulate her stablemate Kam Koalicja Tennessee Blue, Chestnut and white Pinto for winning Best of Show at the Tumbleweed Western show. This was his first show so I expect some good things in the year to come.

We have a new Appaloosa Stallion here - Kam Koalicja Lucky Spots, he is bay with a large blanket and he is half Morgan. He is not available to outside mares at this time. After he has been shown and I am sure that he will be, then I may offer him to outside mares.

No horses for sale. I would like to buy a leather Show Harness for Breyer Running mare, as well as a driving buggy. If anyone has one for sale, please write stating price, also if you have a photo I would like to see it. Thanks.

Kam Koalicja says goodbye from the farm. Write everybody, okay?

PATCHY APPY SHOW

Held on May First, 1970.

"We just want to thank all of you who entered, and tell you that we hope we'll see you people plus many more next year. We enjoyed judging and even though there were a few people who didn't place...we hope that they will realize that we didn't want to not place anyone, we just had too many good people and horses than placings! Still, we hope that you people's horses that didn't place will still enter next year---who knows? Maybe next year on of you will own the Grand Champion horse!

Anyway, watch for other shows being given by either Sunset Stables, Shamrock Farms, or the "Patchy Appy" divisions of these fine stables.

Hope to hear from you soon!

NEWS NOTE:

We were all relieved to hear that our two members from Lubbock, Texas JAN GREEN AND DONNA ISOM are okay. As you may have heard, Lubbock was hit by terrible tornadoes. Jan says:

"I guess we are okay. About the only damage we had was: part of our backyard fence was split, some of our shingles on our roof are gone, broken tree limbs and electrical wires down. We were just lucky!!!"

Glad to see you're okay!

One sad note, Cheryl Snyder, a long time exhibitor, is quitting showing. She says she has enjoyed it, but the prices too high and it takes too much time. Sorry to see you go Cheryl.
