FACTS ON PINTOS

1. A pinto is any horse that is spotted of any breed except appaloosas.
2. A paint is a horse bred for it's color, and can be registered either as a Tobiano, Overo, or Medicine Hat.
3. A Tobiano has large, regular, distinct spots, four white legs, and basically a dark head. Mane & tail color of hair growing from spot.
4. An overo has an irregular, splotchy (horra), pattern with dark legs, and unbroken dark area over the back and often a bald face.
5. A Medicine Hat is a paint horse, marked with a "bonnet" (spot) over the ears & poll, a "shield" on the throat, neck, chest, flanks, eyes, upper lip, and above the tail. The spots are always irregularly patterned and roaned. Colors include red, brown, black, blue, purplish, and tan. Hooves are vertically striped or black, the eyes are dark with a white sclera. A spot on just the ears and poll and nowhere else is also permissible.

SHOW RULES

1. Fee: per stable. - 75¢
2. One stamp per ounce or for every ten photos for return.
3. Class #17 is for horses that are neither Overo, Tobiano, or Medicine Hat. They are mostly for factory paints (Breyer & Hartland). Since these horses are not true pintos, the chances of a blue ribbon or a champ. at this show are slim.
4. Ribbons to 3rd, placings to fifth. Rosettes to Champions & Reserves.
5. Pleasure entries must have proper tack.
6. Costume entries must be in color.
7. DATE: AUGUST 29 & 30.

THE FOAL POLE

The Foal Pole starts off with Betty Adams' filly called 'Sultan's Image'. She is bay with black mane & tail, 4 white socks, and a blaze. She was born 6 months ago. Allah Sultan is her sire and Iba Almarsh is her dam. The mare & stallion are also owned by Betty. This Bryden Arabian filly hasn't been shown yet, but her sire is a many time blue ribbons winner, and her dam is a great broodmare. Betty says "...I feel that she (Sultan's Image) should do fairly well in halter classes! She will also be shown in get of sire classes with Allah Aram, another of Allah Sultan's foals.

Good luck with her Betty!

Please you guys, help me with this column. Send info. such as this: name, description, sire, dam, breed, age, make, wins, etc. on your top foals to me

Here it is! Finally, to clear the confusion, I will now explain how to send in your points, and how I tally them.

To make it easier, keep you points either 1) by horse or 2) by show. When listing them by horse, you must also include which show each placing is for. But, the recommended way is to list your points by show. Here is an example

THE MIDWEST JR. MODEL HORSE SHOW
700 Main St.
Smithville, Ark. 40680
held by: Miss Jo Brown

Joe King - Buckskin Greyer Quarter Horse, Gelding (the first time you send a horse in for points, a short desc. is requested)

1st Halter Geldings
3rd QH Western Pleasure

Sir William
3rd Thoroughbred Halter
1st English Pleasure, Hunt

Synbad Supreme
1st Arabian Halter
1st Saddle Seat English Pleasure
Champion Haltor

Okay, now how they are tallied. I have a sheet for each horse that has points. Each sheet is divided into 5 vertical columns. They are HALTER, ENGLISH, WESTERN, (STALLION, MARE, GELDING, FOALS), HARNESS. For example, on Joe King, he gets 10 points under the first column (Halter), 10 points under the 4th column (STALLION in his case, Gelding). Then he gets 5 points under the 3rd column (Western) and 5 more points under Geldings. You see the 4th column is a general column for all points. It gets no extra points because of approved shows (in most cases).

The question now must be "Then what does get extra points". Okay, in Joe King's case, if this were a C rated show, he would get 10 in Halter, 5 in Western, and 15 in Geldings. For having placed in a "C" show, he gets 5 extra points in Halter. If it were a "B" show, he would then total 10 in halter, plus 10 extra points, 5 in Western, plus 10 more in the Western column, and 15 total in the Geldings column. In an "A" show, the Halter column would get 10 plus 10 extra, Western would get 5 plus 5 extra, and Geldings would get 15, total.

under Halter, etc. columns.

I hope this will be helpful in the coming year.

NOTE: General Champs. count only for Stallions, etc. Specific obs., (Halter Ch, etc.) Count

VERY IMPORTANT ANNOUNCEMENT

This seems like a good place to announce a new policy. There are now too many shows and too many members to avoid this. FROM NOW ON:
THE ONLY SHOWS TO BE ACCEPTED FOR POINTS WILL BE:

1. Approved by IMPHSA
2. Approved by PRMSA
3. Those which the owner voluntarily sends me a class list, not necessarily for approval, but send to me AT LEAST one month in advance.

I will be pleased to receive your mail and will give it in their
time for publication. For only a few letters will just names and addresses.

- THE EQUUS
- EQUINE NEWS WORLD
- INTERNATIONAL HORSE CLUB BULLETIN
- HOSE NEWS
- AMERICAN HORSE QUARTER HORSE ASSO. BULLETIN

I will also be the Editor of the International Horse Club bulletin, and if there is anything
worth in them, I will be reading it.

There might be a good time to point out that anything published in another
club's Bulletin or any other club's (such as letters, etc.) are 'officially'
ignored. Most clubs do not for fun, and we are the bulletin. If there
are any complaints, they must come to us for an answer. Period.

I will list, along with letters approved above, the names of people
who have sent clear lists, to each bulletin. This new ruling takes
effect as of JULY 1, 1970.
