Do you have a favorite picture, photo, or drawing of a model horse (or anything)? Have you ever thought of saving it even for life? Well, then, let me do it for you. All you have to do is send the picture, photo, or drawing to me. What's the charge for all this? What will I do? I will give your object "the old age look", then I will glue it on wood (painted with your choice of color). I will spray decupage enamel to give it "that professional look". Then you will have a lovely painting to treasure long after the original is gone. It makes a lovely gift. Price ranges according to size - small, medium, large. \$1.00 - \$2.00 (postage is extra, sorry).

I also have some horses for sale.

NEWS FROM KAM KOALICJA FARM

In last month's issue I made a mistake, Kam Koalicja's foal, Kam Bint Koalicja was sired by Kam Koalicja Black Magic, and not Kam Koalicja Haifi.

\*KAM KOALICJA wishes to welcome to the farm some new arrivals, From Wisconsin comes the Arabian mare, Magic's First Date, and her foal Kam Koalicja Lady Love. Both are ~~gray~~ gray with darker mane and tails. From Newport, Tennessee, thanks to Mary Ann Black for allowing me to purchase the Arabian stallion, "Apollo's Image". He is not here yet, but by the time the next issue comes out I hope to have him here and settled.

From La Mirada, California, thanks to Susan Figueroa for allowing me to purchase a Saddlehorse Mare and Foal.

All of these horses will be shown this coming show season.

\*Kam Koalicja wishes to congratulate her stablemate Kam Koalicja Tennessee Blue, Chestnut and white Pinto for winning Best of Show at the Tumbleweed Western show. This was his first show so I expect some good things in the year to come.

We have a new Appaloosa Stallion here - Kam Koalicja Lucky Spots, he is bay with a large blanket and he is half Morgan. He is not available to outside mares at this time. After he has been shown and I am sure that he will be, then I may offer him to outside mares.

No horses for sale. I would like to buy a leather Show Harness for Breyer Running mare, as well as a driving buggy. If anyone has one for sale, please write stating price, also if you have a photo I would like to see it. Thanks.

Kam Koalicja says goodbye from the farm. Write everybody, okay?

# PATCHY APPY SHOW

Held on May First, 1970.

"We just want to thank all of you who entered, and tell you that we hope we'll see you people plus many more next year. We enjoyed judging and even though there were a few people who didn't place...we hope that they will realize that we didn't want to not place anyone, we just had too many good people and horses than placings! Still, we hope that you people's horses that didn't place will still enter next year---who knows? Maybe next year on of you will own the Grand Champion horse!

Anyway, watch for other shows being given by either Sunset Stables, Shamrock Farms, or the "Patchy Appy" divisions of these fine stables.

Hope to hear from you soon!

Laurie Bajer and Suzy Figuera

NEWS NOTE:

We were all relieved to hear that our two members from Lubbock, Texas JAN GREEN AND DONNA ISOM are okay. As you may have heard, Lubbock was hit by terrible tornadoes. Jan says:

"I guess we are okay. About the only damage we had was: part of our backyard fence was split, some of our shingles on our roof are gone, broken tree limbs and electrical wires down. We were just lucky!!!"

Glad to see you're okay!

One sad note, Cheryl Snyder, a long time exhibitor, is quitting showing. She says she has enjoyed it, but the prices too high and it takes too much time. Sorry to see you go Cheryl.
