ARTICLES AND CONTRIBUTIONS

If you want to see yourself in print, just send all entries and contributions of information to the editor. We will publish as much as possible. If we get enough ads, all articles, drawings, etc. will be published. It just depends on how much money we make each month. Send all ads and money as well as anything else for the bulletin to:

ELLEN HUTCHINS - Editor
102 Janine Drive
La Habra, Calif. 90631

Now in our second issue of existence, we find IMPHSA's editor has on thing which was obviously not present in the last bulletin, and that is one good typewriter. The last bulletin was typed on my old, and now retired manual, and for my birthday, I got a nice new electric typewriter. Now, maybe, you will be able to read the bulletin.

The first piece of news is that I would like to thank all the people who sent in their advertisements. It really helped with the postal costs, but next time, let's everybody get out an ad. See how you could find a model to buy, sell, or trade with just the flip of a finger to the advertising pages? Now wasn't that easy?? To make it easier next time, EVERYBODY send an ad. Even a classified ad, which wouldn't run more than 10 or 15¢ at the most. Remember, over 100 model collectors are reading about your model or tack or whatever, and you are just about guaranteed to have enough answers to drive you out of your head, so get in there and advertise!

The second, and most important subject on this month's agenda concerns the IMPHSA rules. If you have not received them yet, don't panic. The old rules will be out as of November 1, 1969. New rules will be sent to all those who re-join this January, and anyone may send in their renewal from November 1 on. They will be sent out via the bulletin to old members, and will be sent out by Sissie to the new members. There will be some important changes in the very format of the club. For example, the most important change is that there will be a permanent board of President and Vice President. The officers to be voted in will be Chairmen. If you wish to run for Chairman of a Committee, or would like to volunteer to be on a committee, please fill out the form at the end of this month's bulletin, and send it to the address on the form. Run for something!! The ballots will be at the usual time, and complete voting information will be in either the November-December issue, or in the January-February issue with the ballots. We must have all candidates by DECEMBER 25, 1969! For those new members that don't have their rules yet, we will send you the ~~old rules~~ anyway.

The IMPHSA ALL-MODEL TO FIRST PLACE show was a tremendous success, with new member, Roberta Lake's model, Hair of Lakeview taking most of the honors for Saddlebreds and Saddle Seat, plus Grand Champion of the Show. All the entrants placed well, and were happy. Many new members were entering their first show, and were excited to win the nice ribbons given out. All in all, I consider it as a rousing success. If anyone would like to hold one like it, let me know. We may decide to hold another one in a few months. Maybe next time, we can give out a gift certificate for each winner instead of one specific model. How does everyone like that idea?

Here about this bulletin. If you wish to have a monthly column, then write one up and submit it by OCTOBER 25, 1969. Of all that I receive, 2 will be chosen to be on a regular by-monthly basis. There will be rules and regulations about when your column must be in each month, which must be kept if you wish it to be kept in the bulletin. Betty Adams of Vancouver, has a column this month. Hers will be on a permanent basis, so read it and send her loads of information so she can get her column in next bulletin.

Many members have written in and asked how the point system we use to tally points towards the championships works. To explain a little further, let me say that it is all explained in the rules. You send in, say for example, a placing for your mare, Betay, and she got first in Western Pleasure. Your mare gets a sheet with her name and yours on it. On this sheet, I write down, under Western Pleasure column 10, meaning she has earned 10 points. I then put a "10" under the
