H-R # A-266 CIRCUS PONY

This "head up" pony was made in glossy white only. He has a black mane & tail, and usually gold hoofs. The harness have 2 different styles. One is a straight design and the other one came in a scalloped design, this one being a newer design. The old ones carried a red plume on their heads. He stands 2½" at ear tips. He was produced from 1955 to 1957, re-released in 1980 in glossy white.

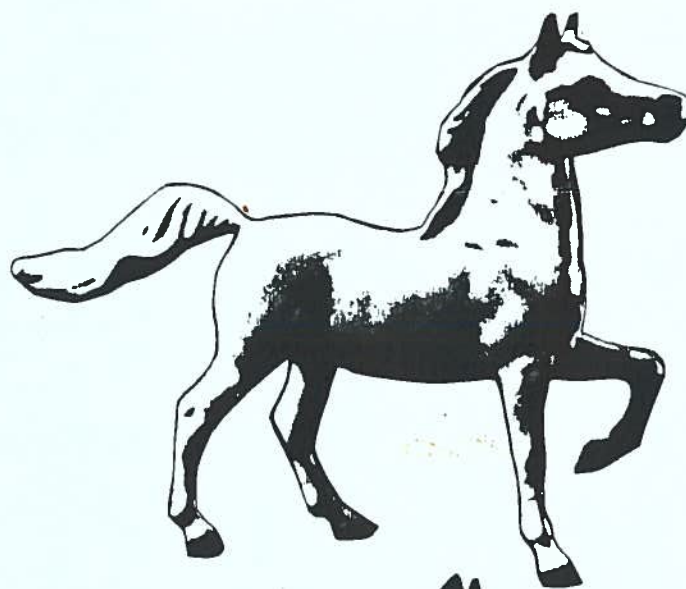

H-R # A-267 CIRCUS PONY

This "head down" pony is the mate to the above pony. Like A-266, this one also came in the glossy white, with black mane & tail, and gold hoofs. He also came with the red plume. He stands 1 ¾" at ear tips. He was made from 1955 to 1957, and re-released in 1980 in the glossy white.

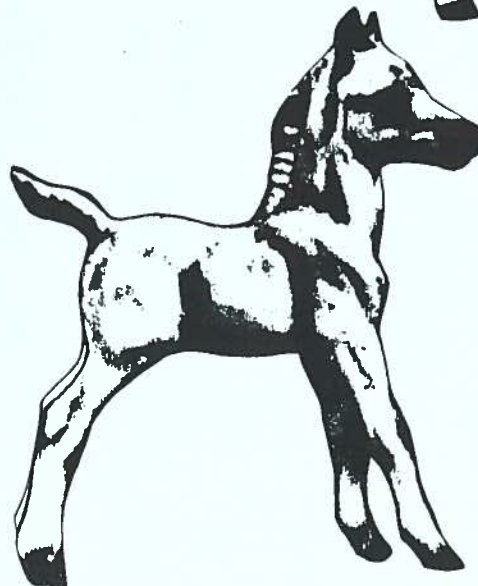

H-R # A-297 ARABIAN HORSE

This in action Arabian prancing horse came in matt white & grey or glossy bay and stands 3½" at ear tips. He was produced from 1956 to 1959 and again in 1971. He also has a foal, he is listed below.

H-R # A-298 ARABIAN COLT

This is the foal to the Stallion listed above. He is VERY similar to A-048, the differences being; the tails. This foal has the tail held UP, A-048 has it's tail held straight out. This foal came in matt white and matt grey only. He was produced from 1956 to 1959 and again in 1971. He stands 2" at ear tips.

H-R # B-648 REARING FEZ

This mold really has two numbers, the first # was B-648, and later they changed it to B-612, not sure why except to keep us confused!! Anyway, he is a very detailed Arab Stallion. He came in brown, white, palomino, grey & black. He was made from 1955 to 1957 and 7 3/4" at ear tips.

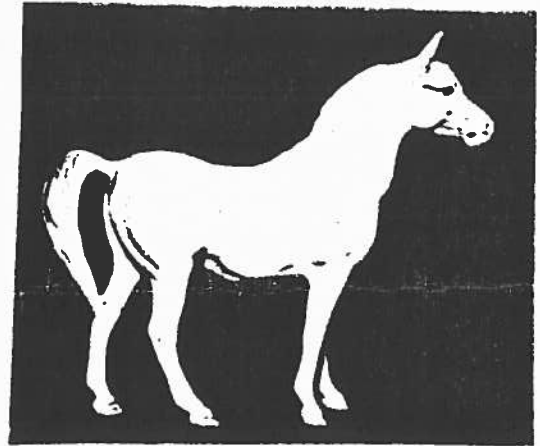

* See back page!

H-R # B-649 STANDING ARABIAN

This Arabian is the one that is VERY similar to the Abudlla. This stallion stands only 6" at ear tips and was produced from 1956 to 1961. He was made in white and chestnut colors.

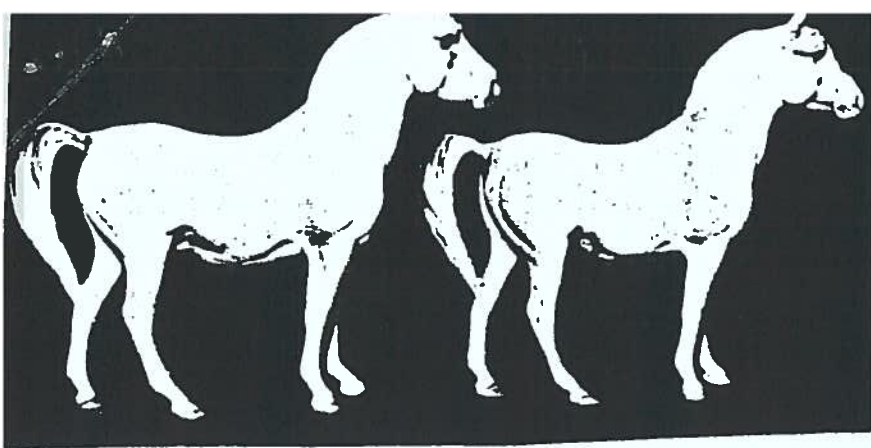

* See back page!

H-R # B-650 TURNING ARABIAN

This Arabian is a rare one in lue that he was only made for one year 1968, and was never brought back. He stands 6" at ear tips and came in chestnut and white.
