Hagen-Renaker Association Club News

Editor's notes,

First off this month, I need to up date all collector,s that H-R DID drop almost all of their Mini horse line!

The only pieces available now are: Mini-Mini Family, Both rocking horses, Buckskin mare & buckskin running foal, both Pegasus's, and the mini unicorn's !!

I do have some of these Disc. mini's available, if you can't find them in your area, see my small ad elsewhere.

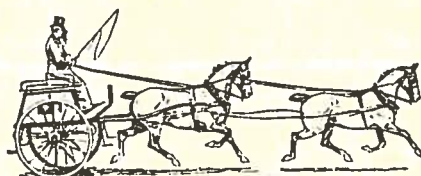

As for the DW line, NO horses will be dropped! Thank goodness for small favors! The only DW change is Puss N' Boots, will be brought out in a different color and the retail price will be higher, \$60.00.

Our club has a running ad now in the Model Horse Gazette, and it is generating lots more H-R sale & trade ads, so hope that will help all to find the ones you are looking for!

Other that that I guess that all for this month, happy showing & collecting!

Memberships Due: (renual is still only \$7.00)
