# Hagen-Renaker Association Club News

Editor notes;

The HRAC ads are finally starting to be ran in most of the papers and interest is picking up! We currently have over 200 registered Hagen-Renaker's now on file!!! Of course we hope to be adding to those numbers from now on.

A comment on the ads that can be ran in The Glass Menagerie is in order. They do not have to be H-R related! Any ad may be ran. You may also wish to break up your 300 free word ad, which is fine. Example; next month a 50 word ad, and the month after 2 100 words ads etc. any way you want to use it, that's up to you, remember this is YOUR paper!! You comments are welcome as well as your suggestions.

Next month The Glass Menagerie will be featuring a regular column on Hagen-Renaker's to include: manufacturing numbers, colors of each mold made, dates released & photo's of each mold, to help you identify the old and ever so lovely H-R's!

Also a big THANKS to Trish & Jenny for volunteering to hold a monthly show, it really is appreciated! These shows are for you, so please attend and start getting your showstring going.

The Championships of each months show will be listed in this column.

Up comming shows:

August: Trish Yanko 407 38th Street Oakland, Calif. 94609

September: Jenny Provencher P.O. Box 27 Sterling, Mass. 01564
