# Hagen - Renaker Association Club

REVISED UP DATE

The following adments are in order, partly due to the growth of our club, and our 1st years experience. This up date will again help over crowed classes and give more equal chance for all.

Class changes: EFFECTIVE JULY 1st !

10. Open OF DW's a) Stallion b) Mare c) Gelding d) Foals

46. Rarest H-R a) DW's b) Minis

We also have had the H-R Cutter reported being shown in Halter classes. This is an absolute NO! It only belongs in performance classes. This would also go for the Bedouin rider.

All other molds that do have tack on with no rider, are ok in Halter as it's going to be up to each judge's opion.

Reviewing our Nationals and year end points. I believe the following admenments are necessary for ALL showers.

If you feel that it is wrong or not fair, PLEASE write and let me know your feelings on this!

As you know, on our yearly awards, your horse can aquire his, Register of Merit (ROM), then go on to his Legion of Merit (LOM), and finally on to Supreme Champion.

I believe that when a horse has reached Supreme Champion, he should be retired and not shown any more. Or at least 2 years after he has reached this goal. This will give up comming showers a chance to also reach this goal. What do you think?? I know most horses will take at least 2 years to reach this goal, of Supreme Champion.

Also, this is a simular problem with the yearly Rarest H-R. This year Trish has won the top honor with King Cobra's Viper.

Should he be pulled from that class only??? To give others a chance at this next showing season??? Or should he continue ???

I NEED to know how each of you feel on these matters! Remember this club is for you, and we are trying to improve it, but with out YOUR help, It will go stagent, so WRITE!

Any other suggestions would be appreciated.

Thank you,

MODEL HORSE COLLECTORS - Make sure you aren't missing the best source of ads and information for the model horse collector! HORSE'N AROUND features advertising AND features that can't be matched anywhere else! Every month we have:

...Say "Cheese", Please - a regular feature article in HORSE'N AROUND, which introduces a collector, shower, remaker or just plain all-around model horse enthusiast. We include a writeup AND a photograph of the "featured guest" HORSE'N AROUND invites all model horse people to share their background with our readers through this column.

...On the Agenda - our answer to the questions asked the most during the model horse "show season" - where are the live-shows; when is the next show; and who do I contact for more information. We list the name, location, date and "contact" person's address for upcoming live shows free of charge in this monthly feature. Send us this information and we will list the show in the column from the date we receive it until the actual date of the show.

...From Grandma's Attic - an informational feature designed to help you identify the different horse models that have been manufactured by Breyer, Hartland, Hagen-Renaker and other major manufacturers. Each month we have photographs and a complete description of a certain mold, including the colors it has been produced in, whether it's discontinued, how rare the model is, what the manufacturer model numbers are, and any little tidbits that will help you find and collect these horses.

...and LOTS of advertising! Our advertising rates are very reasonable too - and we feature high quality SCREENED photo ads.

Write today for information - sample issues are \$2.00, yearly subscriptions (12 issues) are \$15.25. Our issues are mailed first class, the first working day of every month!

LIPPITT H-R # B-704

This handsome Stallion is the first one in this family. He is a fine Morgan. He was made from 1959 to 1972, and again in 1974. He is again being produced. He came in palomino, brown, and his latest color liver chestnut. He stands 6 $\frac{1}{4}$ " at ear tips.

FOREVER AMBER H-R # B-703

This lovely little mare was a fine choice for this family group. She was produced from 1959 to 1972, and again in 1974. And is still in production. She stands 5" at ear tips, and came in palomino, brown, and the newest color liver chestnut.

MISS PEPPER H-R # B-701

This first foal of this set, does her parents justice! She was produced from 1959 to 1972 and also came in the brown or palomino. Because she is lying down she is only 2  $\frac{3}{4}$ " at ear tips.

PEGGY LOU H-R # B-702

This second and last foal of this family is another filly, who is in a bucking position! She was made in 1959 only, due to bearkage problems! She also came in the brown and palomino, and is 2  $\frac{3}{4}$ " at ear tips.

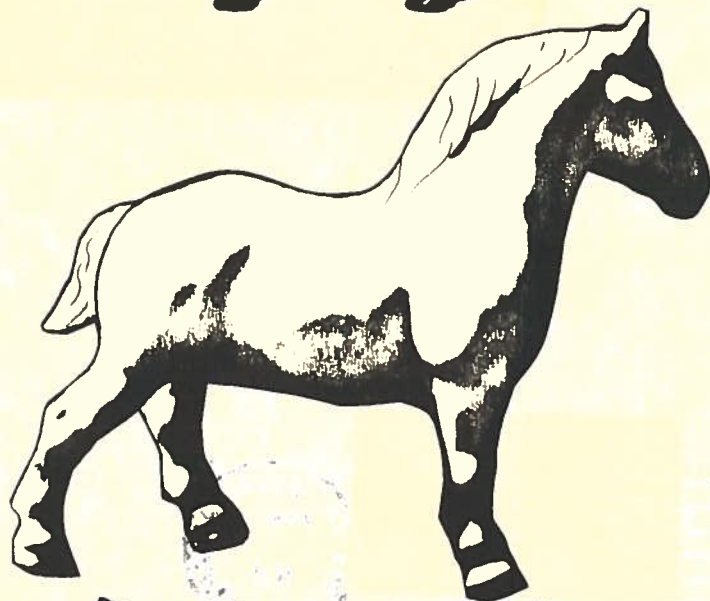

PERCHERON IN HARNESS H-R # A-341

Here is a little Drafter that has molded on harness, and one of only a few Drafters that H-R made. He was made in 1957 only, but H-R did bring him back in 1979 and may now be disc. He came in glossy grey in 1957, with black harness w/ red accents. The newer one comes in chestnut with black harness w/ gold accents. He stands 2 3/4" high.

PERCHERON H-R # A-459

This little Drafter with out a harness. He was produced in 1959 only! He came in white, with a pinkish mane & tail or in dappled grey. He stands 2 3/4" at ear tips.

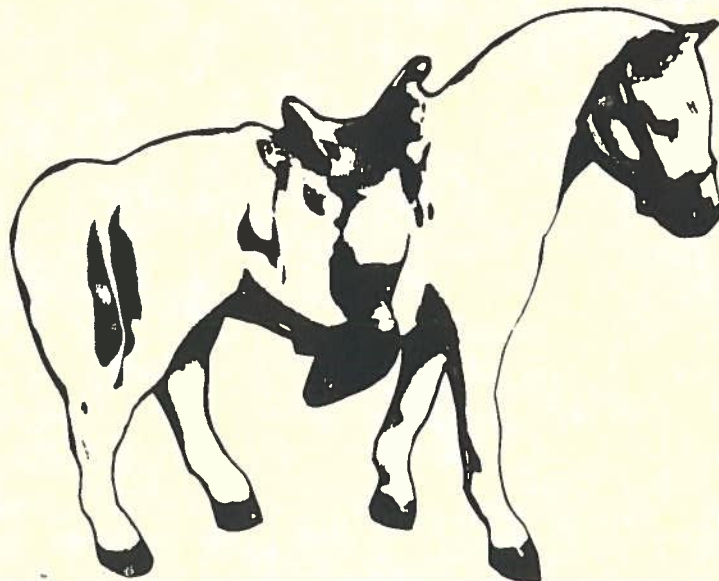

COLT H-R # A-325

This frisky little guy is a real cutie! He was only made in 1957 and came in palomino color only. He stands 1 1/2" at ear tips.

WESTERN PONY H-R # A-323

This little horse is one of the few, H-R added tack to. He was produced from 1957 to ?, and again in 1979 and if still being made. The older versions have a blue blanket, the newer one a green blanket. He stands 2 1/2" at ear tips.
